Floor Plan 4 Mall Of The Dead:

Dead on Arrival in Manhattan Lawrence R. Samuel, 2021-06-14 With more than one million people crammed into just over twenty two square miles Manhattan Island is a petri dish for the study of humanity From murder and suicide to fatal accidents death takes myriad forms among the hustle and bustle of the city that never sleeps With the city always a hotbed of mob activity gangsters have left victims of hits throughout the city The boom and bust of Wall Street often resulted in tragic economic desperation The soaring heights of Manhattan s skyscrapers provided for macabre incidents of New Yorkers falling out of windows or perhaps mysteriously pushed Pulling from the pages of New York s heyday of newspapers author Lawrence R Samuel reveals the lurid and vivid details of Gotham s deadly past The Brickbuilder ,1902 *Loose-Fit Architecture* Alex Lifschutz, 2018-02-05 Loose Fit Architecture Designing Buildings for Change September October 2017 Profile 249 Volume 87 No 5 ISBN 978 1119 152644 Guest Edited by Alex Lifschutz The idea that a building is finished or complete on the day it opens its doors is hardwired into existing thinking about design planning and construction But this ignores the unprecedented rate of social and technological change A building only begins its life when the contractors leave With resources at a premium and a greater need for a sustainable use of building materials can we still afford to construct new housing or indeed any buildings that ignore the need for flexibility or the ability to evolve over time Our design culture needs to move beyond the idealisation of a creative individual designer generating highly specific forms with fixed uses The possibilities of adaptation and flexibility have often been overlooked but they create hugely exciting loose fit architectures that emancipate users to create their own versatile and vibrant environments Contributors include Stewart Brand Renee Chow Ellen Dunham Jones and June Williamson John Habraken Edwin Heathcote Despina Katsakakis Stephen Kendall Ian Lambot Giorgio Macchi Alexi Marmot Andrea Martin Kazunobu Minami Peter Murray Brett Steele and Simon Sturgis
