Florida's Eden John B. Pickard,1994 *Traveling Florida's Seminole Trail* Doug Alderson,2021-08-15 Whether you start your journey down the Seminole Trail as an armchair adventurer or seek to visit the sites in person this unique guide will give greater understanding to the prominent role of Seminole Indians in the place we call Florida Visit the old Negro Fort site in the Panhandle the Alachua Savannah near Gainesville the Dade Battlefield in Bushnell the Smallwood Store in the Ten Thousand Islands Indian Key in the Florida Keys and the destroyed sugar plantations near St Augustine and so much more

Great Florida Seminole Trail Doug Alderson,2013-01-02 Whether you start your journey down the Seminole Trail as an armchair adventurer or seek to visit the sites in person this unique guide will give greater understanding to the prominent role of Seminole Indians in the place we call Florida Visit the old Negro Fort site in the Panhandle the Alachua Savannah near Gainesville the Dade Battlefield in Bushnell the Smallwood Store in the Ten Thousand Islands Indian Key in the Florida Keys and the destroyed sugar plantations near St Augustine and so much more Back to the Future Karl Besel,Viviana Andreescu,2013-07-19 Back to the Future explores new urbanism and urban revitalization within the context of public policy trends such as regional governance and the role of nonprofits The purpose of this book is to provide students and professionals alike with a context for examining the beginnings of new urbanism as well as to illustrate how this movement has become a nationwide trend in response to changing demographics and the real estate crisis The book primarily utilizes comparative case studies within both inner city and suburban areas While a growing number of articles have been written on both suburban and inner city new urbanist communities few books have connected new urbanism to its roots in historical preservation communities This book distinguishes itself from other works by assessing the commonalities between greenfield suburban new urbanist development and inner city redevelopment projects Sand Mansions Norman Gilliland,2005 In 1876 a close presidential contest was tilted by means of a few stuffed ballot boxes one of which came from the village of Archer Florida That fraud is the departure point for Norman Gilliland s historical novel Sand Mansions a remarkable story of carpetbag politics get rich quick schemes and hasty justice a story based closely on events that shaped the history of northern Florida and the nation in the years 1876 to 1905 Unforgettable characters include a former slave who became a wealthy plantation owner a clever and corrupt political boss a deadly black outlaw and his Irish priest accomplice And here are stories of a 14 000 acre lake that disappears a grandiose planned community nipped in the bud by a yellow fever epidemic devastating freezes and a vote by ten men to determine the future of two competing towns Distributed for NEMO Productions A Journey into Florida Railroad History Gregg M. Turner,2012-03-25 It is safe to say that without railroads Florida wouldn t be what it is today Railroads connected the state s important cities and towns conquered the peninsula s vast and seemingly impenetrable interior ushered in untold numbers of settlers and tourists and conveyed to market faster than any previous means of transportation the myriad products of Florida s mines forests factories farms and groves Gregg

Turner traces the long slow development of Florida railroads from the first tentative lines in the 1830s through the boom of the 1880s to the maturity of the railroad system in the 1920s At the end of that decade nearly 6 000 miles of labyrinthine track covered the state Turner also examines the decline of the industry as the automobile rose to prominence in American culture and lines were abandoned or sold for hiking trails and green spaces Meticulously researched and richly illustrated including many never before published images A Journey into Florida Railroad History is a comprehensive authoritative history of the subject Written by one of the nation s foremost authorities on Florida railroads it explores all the key players and companies and every significant period of development This engaging and lively story will be savored and enjoyed by generations to come Every Town Needs a Downtown Church C.
