Flour Power Marleeta F. Basey, 2001 Flour Power explains how a little known kitchen appliance called the home flour mill can significantly boost whole grain intake with just a few minutes of kitchen time about three minutes for milling and a few minutes more to dump ingredients in a bread machine bucket It also explains how home milling empowers home bakers with the capacity to select or create the ideal flour for any baked product For example with the appropriate wheat delicious American style light breads similar to white bread but with much more flavor and nutrition can be made in a bread machine without adding white flour or gluten With the appropriate wheat even the nutrient free zone of desserts can be made more healthful And by mixing the freshest non rancid flours from grains like wheat rye and corn artisan bakers can learn what their hand shaped loaves were supposed to taste like In short if you have a question about buying a mill milling flour or baking bread from whole wheat Flour Power answers it **Forthcoming Books** Rose Arny, 2001-06 *Flour Power* Marleeta F.
