Pateros In My Spirit relives cherished fond memories and blissful narratives in the small river town of Pateros in the Pearl of the Orient Seas that is the Philippines This passion book captivates nostalgic aura and flavor of the decades 1950 to 1970 replete with baby boomer heritage traditions poetry arts and experiences expressed through the author s memoir and heartily enriched by town mates contributed family stories and vintage photographs that eventually made it a love offering book for the appreciation of present and future generations The storytelling s folksy shift from light wordsmith anecdotes to historic accounts makes the book an enlightening reading experience harboring on the quality of life during the period also best portrayed by a montage of images already lost to invasive urbanization The collective project sprang from the author s shooting of his Soul of Fandango documentary film which revealed old town folks respondents endearing vivid stories better published in a book rather than presented in flickering celluloid screen Old and young friends of friends and strangers in the true Filipino bayanihan unity spirit even raised funds for the publication of the coffee table hybrid Pateros In My Spirit and its twin book Tale of Two Pateros just to get their momentous chronicles pronounced and recollections preserved if not appreciated outside of their world Enjoy the sojourn to memory lane of the people who dearly call themselves Paterosinos
