wisdom enables insight into three key areas supersensible knowledge of birth and death understanding of an individual's life and the ability consciously to confront the adversarial beings of Lucifer and Ahriman Steiner addresses a host of additional themes including occult Freemasonry in Anglo American countries materialism in the Roman Catholic Church prophetic and apocalyptic vision dualism and fatalism in pre Christian times and the delusion of time and space Seeking to awaken his listeners to the urgency of the tasks ahead of them he urges that spiritual understanding be enlivened with enthusiasm fire and warmth of heart
