Flesh The Island Of Madam Sin:

Flesh Judith Devere,2005-01-01 In order to save her father from imprisonment for defrauding his business partner billionaire entrepreneur and ultimate hedonist Armand Levequ Katrina Mandell agreed to indenture herself body and soul to Armand for six months For the past three months she has been a virtual prisoner at Chateau Levequ Armand s reconstructed ancestral home on a remote Caribbean island where she has been subjected to an unrelenting regimen of sexual slavery humiliation and sado masochism In this searing sequel we observe the completion of Katrina s sexual transformation during the final three months of her indenture The sexual excesses anguish and torment she faces during this period easily surpass the trials she endured in the first three months But Katrina is also presented with a new and daunting challenge which if she accepts it will eventually lead to her discovery of Armand Levequ s hitherto secret purpose in effectively hijacking her life
