# FLEURS DU MAL

POÉSIES

PAR CHARLES BAUDELAIRE

Stylographe venant de la Trapique

On dit qu'il faut couler les exécrables choses  
Dans le puits de l'oubli et au seul her-enclos.  
Et que par les écrits le mal re-ussité  
Infectera les mœurs de la pa-reté.  
Mais le vice n'a point pour mère la science,  
Et la vertu n'est pas fille de l'ignorance.

(THÉODORE AGRIPPA D'AUVERGNE, Les Tragiques, liv. II.)

## **Fleurs Du Mal Les:**

**Flowers of Evil** Charles Baudelaire, 2024-05-21 Inspired seminal translations of one of the greatest poets of all time by Edna St Vincent Millay and George Dillon now available in a sleek new edition Charles Baudelaire invented modern poetry and *Flowers of Evil* has been a bible for poets from Arthur Rimbaud to T S Eliot to Edna St Vincent Millay who with George Dillon composed an inspired rhymed version of the book published in 1936 and reprinted here with the French originals for the first time in many years Millay and Dillon while respectful of the spirit of the originals lay claim to them as to a rightful inheritance setting Baudelaire's flowing lines to the music of English The result is one of the most persuasive renditions of the French poet's opulence his tortured consciousness and his troubling sensuality as well as an impressive reimagining of his rhymes and rhythms on a par with Marianne Moore's *La Fontaine* or Richard Wilbur's *Molière*

**Les Fleurs Du Mal** Charles Baudelaire, 1982 This translation of Baudelaire's magnum opus perhaps the most powerful and influential book of verse from the 19th century won the American Book Award for Translation And the honor was well deserved for this is one of Richard Howard's greatest efforts It's all here a timeless translation the complete French text and Mazur's striking black and white monotypes in one elegant edition

**Fleurs Du Mal** Robert Scholten, 2011-06 This volume includes a new translation of *Les fleurs du mal* by Charles Baudelaire 1921 1967 often considered to be France's foremost poet and the first modern one *Flowers of Evil* was Baudelaire's major work he worked on it all his adult life until aphasia robbed him of the use of language Counting the unnumbered introductory poem *To the Reader* but not the unnumbered and incomplete final *Sketch of an Epilogue* for the 2nd Edition there are 160 poems in the definitive edition published in 1948 by the Club Français du livre All are included in this volume in both French and English except for one written in Latin *Les fleurs du mal* has seen numerous translations of all or part of the original into English some in rhyme and meter others in free verse or prose some that are close to the French text others straying far afield An incomplete one is by Edna St Vincent Millay published in 1936 It is the one best known and rightly so even though as has been said that twentieth century poet tended to employ a nineteenth century vocabulary whereas that nineteenth century poet Charles Baudelaire seems to belong in thought emotion and language squarely in our time When the current translator Robert Scholten discovered *Les fleurs du mal* he fell instantly under its spell not only of its poetry but of the truthfulness and courage with which the poet had looked at both the good and the evil in his heart the light and the dark present in all of us if not usually in such extremes as in Baudelaire The events in Scholten's youth in Europe during the nineteen thirties and forties brought into stark vision the reality that love and hatred co exist in man with more ease than we like to think So do anxiety and peace prejudice and tolerance courage and fear the joy of living and the fear of death and a host of other contradictory thoughts and feelings He learned he was not exempt from such counter currents So it was that many years later Scholten was struck by the conflicts the poet expressed when he wrote about his long time and only true love Jeanne Duval in his suicide letter of 1845 such lines as in this translation *Mistress of*

mistresses memory s mother Oh you my devotion and source of delight Recall how we gently caressed one another How sweet was the home and how charming the night Mistress of mistresses memory s mother from The balcony but also in rebellion against her dominion over him You Who humbled my spirit and dared To make it your bed and domain To you infamous one am I paired Like a galley slave held by a chain from The vampire after which it gets worse Elsewhere with the raw nerves of anxiety My reason in vain tried to master the rudder But against all my efforts the storm toyed with me And caused the old wreck of my soul to shudder As mastless it danced on a limitless sea from The seven old men but then hoping for a moment of calm while still conscious of pain and fear Be good o my Pain stay calm and have pity You asked for the Evening it falls it is here A dark atmosphere now envelops the city With its peace but to some it brings worry and fear from Meditation Many more examples of such opposite feelings could be given but of course not all of Baudelaire s poems are about the conflicts in our hearts their range is far and wide Some are rather philosophical or visionary in nature some touch upon religion whether of the American Indian or the

**The Flowers of Evil** Charles Baudelaire,2021-12-07 On the 200th anniversary of Baudelaire s birth comes this stunning landmark translation of the book that launched modern poetry Known to his contemporaries primarily as an art critic but ambitious to secure a more lasting literary legacy Charles Baudelaire a Parisian bohemian spent much of the 1840s composing gritty often perverse poems that expressed his disgust with the banality of modern city life First published in 1857 the book that collected these poems together *Les Fleurs du mal* was an instant sensation earning Baudelaire plaudits and simultaneously disrepute Only a year after Gustave Flaubert had endured his own public trial for published indecency for *Madame Bovary* a French court declared *Les Fleurs du mal* an offense against public morals and six poems within it were immediately suppressed a ruling that would not be reversed until 1949 nearly a century after Baudelaire s untimely death Subsequent editions expanded on the original including new poems that have since been recognized as Baudelaire s masterpieces producing a body of work that stands as the most consequential controversial and influential book of poetry from the nineteenth century Acclaimed translator and poet Aaron Poochigian tackles this revolutionary text with an ear attuned to Baudelaire s lyrical innovations rendering them in an assertive blend of full and slant rhymes and fluent iambs A E Stallings and an intuitive feel for the work s dark and brooding mood Poochigian s version captures the incantatory almost magical effect of the original reanimating for today s reader Baudelaire s unflinching vision that trumpeted the space and light of the future Patti Smith An introduction by Dana Gioia offers a probing reassessment of the supreme artistry of Baudelaire s masterpiece and an afterword by Daniel Handler explores its continued relevance and appeal Featuring the poems in English and French this deluxe dual language edition allows readers to commune both with the original poems and with these electric revelatory translations

[The Flowers of Evil / Les Fleurs Du Mal \(Dual language French English Edition\)](#) Charles Baudelaire,2020-02-09 Upon its original publication in 1857 Charles Baudelaire s *Les Fleurs du Mal* or *The Flowers of Evil* was embroiled in controversy Within a month of its publication the

French authorities brought an action against the author and the book's publisher claiming that the work was an insult to public decency. Eventually the French courts would acknowledge the literary merit of Baudelaire's work but ordered that six poems in particular should be banned from subsequent publication. The notoriety caused by this scandal would ultimately work in the author's favor causing the initial publication to sell out thus prompting the publication of another edition. The second edition was published in 1861 it included an additional thirty five poems with the exclusion of the six poems censored by the French government. Finally in 1868 a third edition was published posthumously.

**The Flowers of Evil** Charles P. Baudelaire, Cyril Scott, 2011-10-01 An Alan Rodgers book Page 4 of cover

**The Flowers of Evil / Les Fleurs Du Mal (Translated by William Aggeler with an Introduction by Frank Pearce Sturm)** Charles Baudelaire, 2015-06-16 Upon its original publication in 1857 Charles Baudelaire's *Les Fleurs du Mal* or *The Flowers of Evil* was embroiled in controversy. Within a month of its publication the French authorities brought an action against the author and the book's publisher claiming that the work was an insult to public decency. Eventually the French courts would acknowledge the literary merit of Baudelaire's work but ordered that six poems in particular should be banned from subsequent publication. The notoriety caused by this scandal would ultimately work in the author's favor causing the initial publication to sell out thus prompting the publication of another edition. The second edition was published in 1861 it included an additional thirty five poems with the exclusion of the six poems censored by the French government. In this volume we reproduce that 1861 edition along with the six censored poems in an English translation by William Aggeler. Rich with symbolism *The Flowers of Evil* is rightly considered a classic of the modernist literary movement. Its themes of decadence and eroticism seek to exhibit Baudelaire's criticism of the Parisian society of his time. This edition is printed on premium acid free paper and includes an introduction by Frank Pearce Sturm.

*The Flowers of Evil / Les Fleurs du Mal : English - French Bilingual Edition* Charles Baudelaire, 2018-06-19 *Les Fleurs du mal* English *The Flowers of Evil* is a volume of French poetry by Charles Baudelaire. First published in 1857 it was important in the symbolist and modernist movements. The poems deal with themes relating to decadence and eroticism. This Bilingual English French edition provides the original text by Baudelaire and its English translation by Cyril Scott. The initial publication of the book was arranged in six thematically segregated sections: 1 Spleen et Idéal Spleen and Ideal 2 Tableaux parisiens Parisian Scenes 3 Le Vin Wine 4 Fleurs du mal Flowers of Evil 5 R volte Revolt 6 La Mort Death. Baudelaire dedicated the book to the poet Théophile Gautier describing him as a parfait magicien des lettres françaises a perfect magician of French letters. The foreword to the volume *Au Lecteur* To the Reader identifying Satan with the pseudonymous alchemist Hermes Trismegistus. The author and the publisher were prosecuted under the regime of the Second Empire as an outrage aux bonnes mœurs an insult to public decency. As a consequence of this prosecution Baudelaire was fined 300 francs. Six poems from the work were suppressed and the ban on their publication was not lifted in France until 1949. These poems were *Lesbos Femmes damnées la paille clarté* or *Women Doomed In the pale glimmer* *Le Luth* or *Lethe*

celle qui est trop gaie or To Her Who Is Too Joyful Les Bijoux or The Jewels and Les Métamorphoses du Vampire or The Vampire's Metamorphoses These were later published in Brussels in a small volume entitled Les paves Scraps or Jetsam On the other hand upon reading The Swan or Le Cygne from Les Fleurs du mal Victor Hugo announced that Baudelaire had created un nouveau frisson a new shudder a new thrill in literature In the wake of the prosecution a second edition was issued in 1861 which added 35 new poems removed the six suppressed poems and added a new section entitled Tableaux Parisiens A posthumous third edition with a preface by Théophile Gautier and including 14 previously unpublished poems was issued in 1868

**Flowers of Evil** Robert Scholten, 2011-06-15 This volume includes a new translation of Les fleurs du mal by Charles Baudelaire 1921 1967 often considered to be France's foremost poet and the first modern one Flowers of Evil was Baudelaire's major work he worked on it all his adult life until aphasia robbed him of the use of language Counting the unnumbered introductory poem To the Reader but not the unnumbered and incomplete final Sketch of an Epilogue for the 2nd Edition there are 160 poems in the definitive edition published in 1948 by the Club Français du livre All are included in this volume in both French and English except for one written in Latin Les fleurs du mal has seen numerous translations of all or part of the original into English some in rhyme and meter others in free verse or prose some that are close to the French text others straying far afield An incomplete one is by Edna St Vincent Millay published in 1936 It is the one best known and rightly so even though as has been said that twentieth century poet tended to employ a nineteenth century vocabulary whereas that nineteenth century poet Charles Baudelaire seems to belong in thought emotion and language squarely in our time When the current translator Robert Scholten discovered Les fleurs du mal he fell instantly under its spell not only of its poetry but of the truthfulness and courage with which the poet had looked at both the good and the evil in his heart the light and the dark present in all of us if not usually in such extremes as in Baudelaire The events in Scholten's youth in Europe during the nineteen thirties and forties brought into stark vision the reality that love and hatred co exist in man with more ease than we like to think So do anxiety and peace prejudice and tolerance courage and fear the joy of living and the fear of death and a host of other contradictory thoughts and feelings He learned he was not exempt from such counter currents So it was that many years later Scholten was struck by the conflicts the poet expressed when he wrote about his long time and only true love Jeanne Duval in his suicide letter of 1845 such lines as in this translation Mistress of mistresses memory's mother Oh you my devotion and source of delight Recall how we gently caressed one another How sweet was the home and how charming the night Mistress of mistresses memory's mother from The balcony but also in rebellion against her dominion over him You Who humbled my spirit and dared To make it your bed and domain To you infamous one am I paired Like a galley slave held by a chain from The vampire after which it gets worse Elsewhere with the raw nerves of anxiety My reason in vain tried to master the rudder But against all my efforts the storm toyed with me And caused the old wreck of my soul to shudder As mastless it danced on a limitless sea from The seven old men but then hoping

for a moment of calm while still conscious of pain and fear Be good o my Pain stay calm and have pity You asked for the Evening it falls it is here A dark atmosphere now envelops the city With its peace but to some it brings worry and fear from Meditation Many more examples of such opposite feelings could be given but of course not all of Baudelaire s poems are about the conflicts in our hearts their range is far and wide Some are rather philosophical or visionary in nature some touch upon religion whether of the American Indian or the
