Fliegelman's Desire:

Fliegelman's Desire Lewis Buzbee, 2000-03-21 A stately moving first novel Kirkus Reviews Fliegelman's Desire is a modern San Francisco version of the European urban wanderer When Fliegelman's desire abandons him he searches the city for her only to discover that desire is everywhere and as treacherous and lovely as ever Calvino meets Kafka translated by Elkin

Blackboard Lewis Buzbee, 2014-08-05 A captivating meditation on education from the author of *The Yellow Lighted Bookshop* In *Blackboard* Lewis Buzbee looks back over a lifetime of experiences in schools and classrooms from kindergarten to college and beyond He offers fascinating histories of the key ideas informing educational practice over the centuries which have shaped everything from class size to the layout of desks and chairs Buzbee deftly weaves his own biography into this overview approaching his subject as a student a father and a teacher In so doing he offers a moving personal testament to how he an average student in danger of flunking out of high school became the first in his family to graduate from college He credits his success to the well funded California public school system and bemoans the terrible price that state is paying as a result of funding being cut from today's budgets For Buzbee the blackboard is a precious window into the wider world which we ignore at our peril Both anecdotal and eloquent *The Yellow Lighted Bookshop* is a tribute to those who crave the cozy confines of a bookshop a place to be alone among others and savor a bountiful literary buffet Booklist starred review
