Flight Instructor Murders:

The Flight Instructor Murders George Redder, 1977-09-01 **Mass Murders in America** Ron Irwin, 2016-01-13 A powerful and gripping collection of mass murders in America from Camden New Jersey to San Bernardino California The most frightening horror stories ever told because these horror stories actually happened *AIR CRASH INVESTIGATIONS: PILOT ERROR KILLS 50 PEOPLE in BUFFALO, the Crash of Colgan Air Flight 3407* Allistair Fitzgerald, 2010-04-16 On February 12 2009 about 2217 eastern standard time Colgan Air Flight 3407 a Bombardier DHC 8 400 on approach to Buffalo Niagara International Airport crashed into a residence in Clarence Center New York 5 nautical miles northeast of the airport The 2 pilots 2 flight attendants and 45 passengers aboard the airplane were killed one person on the ground was killed and the airplane was destroyed The National Transportation Safety Board determined that the probable cause of this accident was a pilot s error **They're All Trying to Kill Me!** Jeremy D. I. VanderSluis, 2002-09 The setting of the story takes place in the mysterious and magical city of New Orleans An overwhelmed homicide detective hooks up with a rookie detective assigned to investigate minor thefts The first case assigned to the rookie detective is a theft of two flowerpots from a cemetery The rookie apprehensive of his investigative knowledge solicits help from the seasoned homicide detective The case quickly evolves from a pair of plundered flowerpots to a million dollar operation involving several owners of the City s most exquisite and prominent antique shops Together the two become hopelessly lost in some of the city s most majestic burial grounds known as the world famous Cities of the Dead During the investigation the two detectives begin to notice several strange and unexplainable coincidences that seem to guide their every move After some time they manage to put aside their macho police attitudes and learn to accept the fact that they were catapulted into the realm of the spiritual world and the supernatural The wacky and zany antics by the rookie and the straightforward nature of the homicide detective make for an unusual but most effective crime fighting partnership And just when the two detectives thought they had pushed the investigation to the limit the case explodes and leads them directly into a morbid voodoo serial murder plot of millennial proportions Finally the investigation reveals a suspect who is linked in the disappearance of the homicide detective s missing sister from when he was a child In the end the two detectives accept and understand the reasons for the spiritual interventions As a result hundreds of Lost Souls in the Cities of the Dead were freed from their torment and the demons were finally revealed in a tremendous battle between the powers of good and evil But at what cost Although the story is fictional it is inspired from a true life investigation involving the two detectives who authored this story It is a spin off of certain events concerning the theft of stolen cemetery artifacts We leave it totally up to the reader to decipher the fictional occurrences and any similarities to persons or parties involved with the actual investigation are totally coincidental and unintentional
