**The Flight of the Shadow** George MacDonald, 2020-11-14 I am old else I think I should not have the courage to tell the story I am going to tell Allthose concerned in it about whose feelings I am careful are gone where thank God thereare no secrets If they know what I am doing I know they do not mind If they were alive toread as I record they might perhaps now and again look a little paler and wish the leafturned but to see the things set down would not make them unhappy they do not lovesecrecy Half the misery in the world comes from trying to look instead of trying to be what one is not I would that not God only but all good men and women might see methrough and through They would not be pleased with everything they saw but thenneither am I and I would have no coals of fire in my soul s pockets But my very naturewould shudder at the thought of letting one person that loved a secret see into it Such aone never sees things as they are would not indeed see what was there but somethingshaped and coloured after his own lik      **Flight of the Shadow** StephenB5 Jones, 2013

**The Flight of the Shadow** George MacDonald, 2004-03      The Flight of the Shadow (Classic Reprint) George MacDonald, 2015-07-12 The Flight of the Shadow is a novel written by George Macdonald Macdonald was a prolific author and while under appreciated by the public of the time is now considered a favourite of many within the literary world This novel provides the opportunity to read one the author s less fantastical works The Flight of the Shadow is best described as a Victorian melodrama It is narrated by Belorba Day a sweet girl who was raised by her uncle and tells the tale of Belorba s relationship with the mysterious John Both central characters have many questions about their pasts and the story focuses on their pursuit of the truth prior to their marriage While Belorba narrates the story other characters are allowed to grow and the reader is provided with a sense that this is a world populated with living breathing characters Macdonald has

assumed a deliberate pacing for this story While the narrative of the story is surely interesting one of the most attractive features of this work is the author s teachings that he has sprinkled throughout Macdonald uses his fiction to reveal truth and teach lessons about life and this book can be read as a meditation on the value of honesty and transparency The Flight of the Shadow is perhaps best described as a book to read when you are feeling introspective While lesser known than many of the author s works of fantasy this book is a worthwhile read About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The flight of the shadow.*
