Flight Today And Tomorrow:

Flight ,1923 *Death In Tomorrow's Shadow* H. Melvin James,2024-12-24 There is only one speck of land in the entire world where activities literally take place in the shadow of tomorrow It is a remote island in the Arctic Circle beyond the northwestern tip of the Aleutian Island chain and located just east of the international date line Beyond the west shore of the Bering Strait on the other side of the date line stands the mountains of the Kamchatka Peninsula When the sun sets on a rare clear day that mountain range towering in the domain of tomorrow casts a shadow over the small and remote island of today With less than thirty working days before retirement FBI Special Agent Rhet Bradley is abruptly assigned to investigate a mysterious and bizarre death on that isolated island His investigation is stymied by the secrecy of the multiple and disparate clandestine operations being conducted there by various contingents of the US military and government agencies Early in his investigation Agent Bradley is confronted with powerful Washington DC politicians and bureaucrats who insist that his official reports should be contrived to serve their particular agendas Distrust among the secretive agencies military units bureaucrats and politicians complicates Bradley s case Concurrently intense blizzard conditions and a petty illicit drug dealer threaten Rhet s life While contending with the myriad of hazards and obstacles Rhet Bradley must set aside his personal concerns including the untimely death of his lifelong best friend his son s pending return from the war in Vietnam and his lack of preparations for his looming retirement Throughout his investigation Rhet remains uncertain of who he can trust whether a mysterious stranger is yet another foil to mislead his investigation if the victim was a traitor or a double agent if he will be removed from the assignment or if he will be fired discredited and lose his pension **Today's Stoic, Tomorrow's Hero?** Gerald T Keep,2005-10 A wrenching account of one family s five year battle with what proved to be terminal liver disease this story explores all aspects of the difficulty in raising a family under such conditions Written from the point of view of the primary caregiver the story reveals much about the possible challenges facing the 17 000 families now waiting for a liver transplant in the USA Many more face other debilitating diseases or the ravages of age Despite his scientific training to try to understand what is happening the author is crushed by the medical bureaucracy and the wild ups and downs of the course of the disease Having adopted their children the author struggles with his fundamental values and his conflicting responsibilities to the children and to his ailing wife This book should help friends and family better understand what a stoic experience the caregiver of one seriously ill may be going through More importantly it can show such a lonely individual that what they are going through is not unique and that they need not be alone As events proceed through hospice funeral and grief the author looks back on their time together and reflects on the nature of life and love Taktsang Dennis Snyder,2013-09 Dr Ivar Nielsen the world s foremost authority in pediatric cancer research has disappeared in Bhutan His four closest friends a trauma surgeon a billionaire businessman a med school dropout and a crazed scientist travel halfway across the globe to find him There they fall into a world that is unknown and unknowable a land whose mythic beauty hides a

lurking terror that threatens not only the soul of a nation but the lives of untold thousands of desperately sick children As Ivar s friends arrive in Bhutan what they find there is beyond anything they could have imagined It seems the country holds a secret that is known only to Ivar and that secret is at the heart of his disappearance At the most revered site in all the Himalayas the world of pioneering cancer research and the art of ancient medicine are about to collide with the designs of a vengeful madman With the lives of the world s most vulnerable children at stake events will occur that will change the lives of all involved forever

A Broken Man Akash Verma,2016-06 Take a deep breath before you are born here my child You take birth in a land where I struggled gave it my sweat and blood A land that I thought belonged to me unbridled uncompromising Krishna is a Dalit boy from Bihar who struggles too verthrow the chains that hold him back Chhavi is a high caste Brahman girl fighting for the rights of others propagating equality in a politically charged Lucknow University campus After Krishna saves Chhavi from getting torched during a protest against reservation love slowly blossoms only to be ruthlessly crushed by a society that thrives on divisions of caste and religion From student politics in Lucknow to the interiors of Bihar from the corridors of power to the glitz of media and the film industry in Mumbai A Broken Man is the quest of a deprived Krishna to redeem hope from despair love from separation and success out of repeated failures From the bestselling author of It Happened That Night and Three Times Loser this is a story that reinforces our faith in what love can accomplish as it pushes us to achieve the impossible making us tap our true inner potential *I Am in Your Arms* A

Jiu,2020-01-06 When the spendthrift young master was about to marry his girlfriend he found out that she had died However he had unexpectedly run into the daughter of the person who had persecuted his girlfriend In order to take revenge on that person he had secretly laid down a huge net He had pulled that woman into his net but he had discovered that she and his girlfriend were actually so similar He had gone through great pains to get her to marry him only to find out that she was pregnant with her own child Even though he didn t want it he seemed to be immersed in his own world Where did the feelings from revenge go If she knew about this how would she face it

Eastern Christianity J. Edward Walters,2021-11-18 English translations of Syriac Armenian Georgian Arabic Coptic and Ethiopic Christian texts from late antiquity to the early modern period In order to make the writings of Eastern Christianity more widely accessible this volume offers a collection of significant texts from various Eastern Christian traditions many of which are appearing in English for the first time The internationally renowned scholars behind these translations begin each section with an informative historical introduction so that anyone interested in learning more about these understudied groups can more easily traverse their diverse linguistic cultural and literary traditions A boon to scholars students and general readers this ample resource expands the scope of Christian history so that communities beyond Western Christendom can no longer be ignored
