Classic Book Reviews and Timely Stories Charles J. Scott,2021-04-07 Classic Book Reviews and Timely Stories By Charles J Scott We all want to learn from perceptive intelligent and experienced individuals we admire so that we may live better lives ourselves Obviously we need good guidance and a positive influence on our thought processes for this purpose That's why we read great books from knowledgeable sources and listen to our role models Because he likes to reflect on the books he has read and incorporate the favorable impressions they have made on him into

his daily activities author Charles Scott developed the habit of writing a series of book reviews and short stories to commemorate the occasion The reviews have provided him with a diving platform or a jumping off point of departure for making sound decisions and evaluating his actions Consequently the resulting stories represent a celebration of the life and times in which he has lived They are meant to celebrate humanity in an otherwise uncertain world throughout the ages

Banner,2023-09-15 One of the silver screen s greatest beauties Greta Garbo was also one of its most profound enigmas A star in both silent pictures and talkies Garbo kept viewers riveted with understated performances that suggested deep melancholy and strong desires roiling just under the surface And offscreen the intensely private Garbo was perhaps even more mysterious and alluring as her retirement from Hollywood at age thirty six only fueled the public s fascination *Ideal Beauty* reveals the

woman behind the mystique a woman who overcame an impoverished childhood to become a student at the Swedish Royal Dramatic Academy an actress in European films and ultimately a Hollywood star Chronicling her tough negotiations with Louis B Mayer at MGM it shows how Garbo carved out enough power in Hollywood to craft a distinctly new feminist screen presence in films like Queen Christina Banner draws on over ten years of in depth archival research in Sweden Germany France and the United States to demonstrate how away from the camera s glare Garbo s life was even more intriguing Ideal Beauty takes a fresh look at an icon who helped to define female beauty in the twentieth century and provides answers to much debated questions about Garbo s childhood sexuality career illnesses and breakdowns and spiritual awakening
