Alexander, 2019-08-27 Before there was a Lady Travelers Society there was just one lady traveler Some marry for love Some marry for money But Violet Hagen s quick wedding to irresponsible James Branham heir to the Earl of Ellsworth was to avoid scandal Though her heart was broken when she learned James never wanted marriage or her Violet found consolation in traveling the world at his expense finding adventure and enjoying an unconventional independent life And strenuously

avoiding her husband But when James inherits the earldom it comes with a catch Violet To receive his legacy he and Violet must live together as husband and wife convincing society that they are reconciled It s a preposterous notion complicated by the fact that Violet is no longer the quiet meek woman he married But then he s not the same man either Chasing Violet across Europe to earn her trust and prove his worth James realizes with each passing day that a marriage begun in haste may be enjoyed at leisure And that nothing may be as scandalous or as perfect as falling hopelessly in love Especially with your wife *The Time Traveler's Guide to Medieval England* Ian Mortimer, 2011-10-25 Previously published in hardback by Simon originally published London Bodley Head 2008
