Lorenz Hart Frederick Nolan,1995-11-02 Lorenz Hart singlehandedly changed the craft of lyric writing When Larry Hart first met Dick Rodgers in 1919 the commercial song lyric consisted of tired cliches and cloying Victorian sentimentality Hart changed all that always avoiding the obvious aiming for the unexpected phrase that would twang the nerve or touch the heart Endowed with both a buoyant wit and a tender almost raw sincerity Hart brought a poetic complexity to his art capturing the everyday way people talk and weaving it into his lyrics Songs had never been written like that before and afterwards it seemed impossible that songs would ever be written any other way Lorenz Hart A Poet on Broadway presents the public triumphs of a true genius of the American musical theatre and the personal tragedies of a man his friend the singer Mabel Mercer described as the saddest man I ever knew Author Frederick Nolan began researching this definitive biography in 1968 tracking down and interviewing Hart s friends and collaborators one by one including a remarkable conversation with Richard Rodgers himself A veritable who s who of Broadway s golden age including Joshua Logan Gene Kelly George Abbott and many more recall their uncensored and often hilarious sometimes poignant memories of the cigar chomping wordsmith who composed some of the best lyrics ever concocted for the Broadway stage but who remained forever lost and lonely in the crowds of hangers on he attracted A portrait of Hart emerges as a Renaissance and endearing bon vivant conflicted by his homosexuality and ultimately torn apart by alcoholism Nolan skillfully pulls together the chaotic details of Hart s remarkable life beginning with his bohemian upbringing in turn of the century Harlem Here are his first ventures into show business and the 24 year old Hart s first meeting with the 16 year old Richard Rodgers Neither of us mentioned it Rodgers later recalled but we evidently knew we would work together and I left Hart s house having acquired in one afternoon a career a best friend and a source of permanent irritation Nolan captures it all the team s early setbacks the spectacular hour long standing ovation for their hit song Manhattan the Hollywood years which inspired Hart to utter the undying line Just because you re paranoid doesn t mean the bastards aren t out to get you and the unforgettable string of hit shows that included On Your Toes The Boys from Syracuse and their masterpiece Pal Joey But while success made Rodgers more confident more musically daring and more disciplined for Hart the rounds of parties wisecracks and most of all drinking began to take more and more of a toll on his work When Hart s unreliability forced Rodgers to reluctantly seek out another lyricist Oscar Hammerstein II and their collaboration resulted in the unprecedented artistic and commercial success of Oklahoma Hart never truly recovered Meticulously researched and rich with anecdotes that capture the excitement the hilarity the dizzying heights and the crushing lows of a life on Broadway Lorenz Hart is the story of an American original

Grace & Power Sally Bedell Smith, 2011-08-15 Unlike so many other books *Grace and Power* rejects gossip and conspiracy theory to tell the story of John and Jackie's three years in the White House soberly comprehensively and sensitively from beginning to sudden end Sally Bedell Smith's book on John and Jackie Kennedy was hailed by authoritative reviewers on both sides of the Atlantic as the most distinguished and well-written book on a perennially fascinating subject for years In the US the hardback was high on the New York Times bestseller list for weeks It is an immensely poignant chronicle of pivotal historical events seen from the inside out from within the private home of the President and First Lady Amidst the superficial opulence of their social circle we see the Cuban Missile Crisis and the burgeoning American civil rights movement from the perspective of an invalid president often barely well enough to appear in public Together with his young wife abandoned by her husband's relentless womanising nevertheless changed the politics and style of America *Grace and Power* is the classic account of that time

The First Hollywood Musicals Edwin M. Bradley, 2004-08-25 As Hollywood entered the sound era it was rightly determined that the same public fascinated by the novelty of the talkie would be dazzled by the spectacle of a song and dance film In 1929 and 1930 film musicals became the industry's most lucrative genre until the greedy studios almost killed the genre by glutting the market with too many films that looked and sounded like clones of each other From the classy movies such as *Sunnyside Up* and *Hallelujah* to failures such as *The Lottery Bride* and *Howdy Broadway* this filmography details 171 early Hollywood musicals Arranged by subgenre backstagers operettas college films and stage derived musical comedies the entries include studio release date cast and credits running time a complete song list any recordings spawned by the film Academy Award nominations and winners and availability on video or laserdisc These data are followed by a plot synopsis including analysis of the film's place in the genre's history Includes over 90 photographs
