Florida Story:

Nine Florida Stories Marjory Stoneman Douglas, 1990 A collection of tales boiling with real estate dealers egret poachers rumrunners mango growers sportsmen land grubbers murderers and mosquitoes First printed in The Saturday Evening Post during the 1920s 30s and 40s these stories constitute a rip snorting glimpse back to a South Florida that now exists only in memory Miami Herald Reflects the same concerns found in her better known non fiction work a fascination with the beauty of Florida and a warning against its imminent destruction Tallahassee Democrat The subjects that would fire Marjory Stoneman Douglas s enthusiasm for the rest of her life first appeared in her short fiction published in the 1920s Florida s most celebrated environmentalist the author of The Everglades River of Grass wrote even then about protecting South Florida s fragile ecosystem and the state s endangered species about the dangers of short sighted land development and about Florida history The nine stories in this first collection take place in a scattering of South Florida settings Miami Ft Lauderdale the Tamiami Trail the Keys the Everglades and reveal the drama of hurricanes and plane crashes of kidnappers escaped convicts and smugglers Editor Kevin McCarthy relates each story to Douglas s life and points out the autobiographical touches which surface frequently in her stories [Florida's Dark Chapters](#) Michael G. Patrick, Hester G. Fisackerly, 1957 History of Florida in textbook format [Judaism and Story](#) Jacob Neusner, 2003-09-26 In this close analysis of The Fathers According to Rabbi Nathan a sixth century commentary on the Mishnah tractate The Fathers Avot Jacob Neusner considers the way in which the story as a distinctive type of narrative entered the canonical writings of Judaism The final installment in Neusner s cycle of analyses of the major texts of the Judaic canon Judaism and Story shows that stories about sages exist in far greater proportion in The Fathers According to Rabbi Nathan than in any of the other principal writings in the canon of Judaism of late antiquity Neusner s detailed comparison of The Fathers and The Fathers According to Rabbi Nathan demonstrates the transmission and elaboration of these stories and shows how these processes incorporated the newer view of the sage as a supernatural figure and of the eschatological character of Judaic teleology These distinctions as Neusner describes them mark a shift in Jewish orientation to world history Judaism and Story documents a chapter of rabbinic tradition that explored the possibility of historical orientation by means of

stories As Neusner demonstrates this experiment with narrative went beyond argumentation focused on the explication of the Torah The sage story moved in the direction of biography but without allowing biography to emerge This development in Neusner s account parallels the movement from epistle to Gospel in early Christianity and thus has broad implications for the history of religions The Ghostly Tales of Florida's Pirates Sarah Fabiny,2025-01-28 Take a spine tingling plunge into Florida s pirate filled past Meet Florida s spooky pirates Stay alert Ghosts lurk around every corner Even the most unexpected places might be haunted by wandering phantoms Did you know that the city of St Augustine is positively packed with ghostly pirates Or that on Gasparilla Island you might just spot a headless buccaneer and his spirited steed galloping down the beach Can you believe a three hundred year old ghost ship and its cursed crew still haunts the waterways of the Florida Everglades Shiver me timbers Pulled right from history these ghostly tales will change the way you see Florida forever and have you sleeping with the lights on Adapted from Ghosts and Legends of Florida s Pirates by Heather Leigh PhD

Florida's Rivers Doug Alderson, 2021-09-01 The rivers in Florida are steeped in a rich natural and cultural history They are a venue through time allowing us to wrap ourselves in a rich historical tapestry and they are showcases for wildlife and natural beauty On some rivers idyllic scenes are revealed bend after bend for miles and sometimes days appearing to have changed little since early native people plied the waters in dugout canoes Imagine gliding along a clear watercourse beneath a leafy canopy of maple cypress and gum The current swirls eelgrass in undulating patterns as schools of silvery mullet shoot past Ahead a manatee's snout breaks the surface in a loud whoosh its gray body lumbering slowly along and showing little fear as you pass by A red shouldered hawk cries and soars over treetops while a black aninga stretches long wings to dry while perched on a cypress knee Whether you are viewing a river from the land or especially a kayak canoe or paddleboard let Florida's Rivers be your guide to celebrating the state's treasures
