Land and Calendar Philippe Guillaume, 2010-01-06 Thanks to very peculiar style and theology Pg was identified as far back as 1869 by Theodor N Ideke and remains one of the last pillars of Pentateuch research after the fall of the Wellhausen model Its existence is rarely doubted but its extent is debated Does it end already in Exodus Otto Pola Bauks or does it go as far as Deuteronomy Noth Frevel or even into Joshua Lohfink Knauf The end determines Pg's notion of the land and its conquest important subjects today for the formation of the Pentateuch was there first a Hexateuch The 364 day perpetual calendar offers a reliable criterion to identify Pg within the final text of the Hexateuch because the simple mathematics of the calendar are easier to control than hypothetical redactors Pg is divided into seven periods from creation to the entry of the sons of Israel in an empty land of Canaan The festival calendar of Leviticus 23 and the Jubilee of Lev 25 constitute the heart of Pg the practical outworking of principles presented in the narrative Bloodless atonement with no connection to any temple whatsoever peaceful entry into the empty Promised Land eternal sabbatical rhythm are Pg's major theological characteristics

Pinball Jackie Haines, 2022-02-24 During our lives God often uses people who reach out in love and help to us during a difficult situation as Jesus with skin on This assures us that our heavenly Father still is with us caring for us and holding us close In other situations the Lord can use pets and other animals to accomplish the same goals In this memoir a very special gift from God came into my life as a starving thirsty flea and ear mite infested stray kitten He grew into a handsome

affectionate big cat who became my Jesus wrapped in fur This kitty whom my husband had named Pinball was always there when I needed an extra touch of God s love and presence during the darkest moments of the most difficult and challenging decade of my life Pinball seemed to understand and share my feelings he seemed to feel my pain He grieved along with me and then often gave me reasons to chuckle and welcome the sunshine and joy once again I am absolutely convinced that God himself placed Pinball into my life at exactly this moment when I most needed to know for certain that God still loves me is always holding me close and can bring me triumphantly through life s deepest valleys as I hang on to His promises A warm soft purring cat was a most comforting and healing medicine to soothe my broken heart and assure me that God is indeed good all the time and I have grown stronger through all these experiences
