

Florida A Place In The Sun

CL Gary

Florida A Place In The Sun:

Florida Al Burt, 1974 A visual portrait of Florida and its three major regions inspects the land people and lifestyles of the historic north lush southern vacation paradise and rapidly growing central region Florida Heinz Erhardt, 1974 *Florida*, 1955 *Land of Sunshine, State of Dreams* Gary R Mormino, 2008-09-01 Florida is a story of astonishing growth a state swelling from 500 000 residents at the outset of the 20th century to some 16 million at the end As recently as mid century on the eve of Pearl Harbor Florida was the smallest state in the South At the dawn of the millennium it is the fourth largest in the country a megastate that was among those introducing new words into the American vernacular space coast climate control growth management retirement community theme park edge cities shopping mall boomburbs beach renourishment Interstate and Internet Land of Sunshine State of Dreams attempts to understand the firestorm of change that erupted into modern Florida by examining the great social cultural and economic forces driving its transformation Gary Mormino ranges far and wide across the landscape and boundaries of a place that is at once America s southernmost state and the northernmost outpost of the Caribbean From the capital Tallahassee a day s walk from the Georgia border to Miami a city distant but tantalizingly close to Cuba and Haiti Mormino traces the themes of Florida s transformation the echoes of old Dixie and a vanishing Florida land booms and tourist empires revolutions in agriculture technology and demographics the seductions of the beach and the dynamics of a graying population and the enduring but changing meanings of a dreamstate Beneath the iconography of popular culture is revealed a complex and complicated social framework that reflects a dizzying passage from New Spain to Old South New South to Sunbelt **The Book Lover's Guide to Florida** Kevin M. McCarthy, 1992 Here is the book lover s literary tour of Florida an exhaustive survey of writers books and literary sites in every part of the state The state is divided into ten areas and each one is described from a literary point of view You will learn what authors lived in or wrote about a place which books describe the place what important movies were made there even the literary trivia which the true Florida book lover will want to know You can use the book as a travel guide to a new way to see the state as an armchair guide to a better understanding of our literary heritage or as a guide to what to read next time you head to a bookstore or library Publisher *The Congregationalist and Christian World*, 1915 **The Congregationalist**, 1915 **Florida's Miracle Strip** Tim Hollis, 2010-01-06 Since World War II tourists have flocked to Florida s northwest Gulf Coast and sun and fun spots at Panama City Beach Fort Walton Beach and Pensacola Beach Every year those visitors number in the millions For those who long to recall how the vacationland appeared thirty forty or even fifty years ago Tim Hollis has written Florida s Miracle Strip From Redneck Riviera to Emerald Coast In a style that informs and entertains Hollis describes the rise of early developments such as Long Beach Resort and major tourist attractions such as the Gulfarium and the Miracle Strip Amusement Park With heartfelt nostalgia and a dose of tongue in cheek he reminisces on the motels and tourist cottages the restaurants such as Captain Anderson s and Staff s the elaborate miniature golf

courses such as Goofy Golf and its many imitators He takes a special delight in recovering the memories of those quirky businesses that now exist only in faded photographs and aging postcards such wacky tourist traps as Castle Dracula Petticoat Junction Tombstone Territory and the Snake A Torium In the book Hollis examines how this area became known as the Miracle Strip and how the local chambers of commerce got so tired of that image that the name gradually fell into disuse The book is illustrated with a profusion of vintage photos and advertisements most of which have not been seen in print since their original appearances For the nostalgia lover the snowbird the tourist seeking yesteryear Florida s Miracle Strip From Redneck Riviera to Emerald Coast will be a welcome traveling companion **Time** Briton Hadden, Henry Robinson

Luce, 1929 **Narcomedia** Jason Ruiz, 2023-10-10 2024 Honorable Mention The Victor Villase or Best Latino Focused Nonfiction Book Award English Empowering Latino Futures International Latino Book Awards Exploring representations of Latinx people from Scarface to Narcos this book examines how pop culture has framed Latin America as the villain in America s long and ineffectual War on Drugs If there is an enemy in the War on Drugs it is people of color That is the lesson of forty years of cultural production in the United States Popular culture from Scarface and Miami Vice to Narcos and Better Call Saul has continually positioned Latinos as an alien people who threaten the US body politic with drugs Jason Ruiz explores the creation and endurance of this trope its effects on Latin Americans and Latinx people and its role in the cultural politics of the War on Drugs Even as the focus of drug anxiety has shifted over the years from cocaine to crack and from methamphetamines to opioids and even as significant strides have been made in representational politics in many areas of pop culture Latinx people remain an unshakeable fixture in stories narrating the production distribution and sale of narcotics Narcomedia argues that such representations of Latinx people regardless of the intentions of their creators are best understood as a cultural front in the War on Drugs Latinos and Latin Americans are not actually America s drug problem yet many Americans think otherwise and that is in no small part because popular culture has largely refused to imagine the drug trade any other way The Florida Municipal Record , 1929 **The Rotarian** , 1959-11 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine **Florida Municipal Record** , 1928 **Army, Navy, Air Force Journal & Register** , 1955 **A Florida State of Mind** James D. Wright, 2019-04-30 A witty history of the state that s always in the news for everything from alligator attacks to zany crimes There s an old clip of Bugs Bunny sawing the entire state of Florida off the continent and every single time a news story springs up about some shenanigans in Florida someone on the internet posts it in response Why are we so ready to wave goodbye to the Sunshine State In A Florida State of Mind An Unnatural History of Our Weirdest State James D Wright makes the case that there are plenty of reasons to be scandalized by the land and its sometimes kooky sometimes terrifying denizens but there s also plenty of room for hilarity Florida didn t just

become weird it's built that way Uncharted swampland doesn't easily give way to sprawling suburbia It took violent colonization land scams to trick non Floridians into buying undeveloped property and the development of railroads to benefit one man's hotel empire Even the most natural parts of Florida are unnatural Florida citrus Not from here but from China Gators Oh they're from Florida all right but that doesn't make having 1 per every 20 humans normal Animals in the form of roadkill Only Florida allows you to keep anything you kill on the road and anything you find Yet everyone loves Florida tourists come in droves and people relocate to Florida constantly only 36% of residents were born there Crammed with unforgettable stories and facts Florida will show readers exactly why Forgotten Tales of Florida Bob

Patterson, 2009-09-01 With such a rich and significant history it's only natural that some of the best stories from the Sunshine State have been forgotten over time Thankfully master storyteller and St Augustine resident Bob Patterson offers this collection of the strangest most fascinating stories and legends in Florida's history from coast to coast swamp to swamp Enjoy the saga of William Ellis a North Florida nature whisperer who escaped from his nursing home with the help of his varmint friends step into the murk and mystery of the vanishing tribes of the Everglades and could there really be gator hungry sharks lurking in the St Johns River These stories and so many more await when you explore the Forgotten Tales of Florida

Florida Fruit and Produce News, 1928 *Paradise Planned* Robert A.M. Stern, David Fishman, Jacob Tilove, 2013-12-03 *Paradise Planned* is the definitive history of the development of the garden suburb a phenomenon that originated in England in the late eighteenth century was quickly adopted in the United States and northern Europe and gradually proliferated throughout the world These bucolic settings offered an ideal lifestyle typically outside the city but accessible by streetcar train and automobile Today the principles of the garden city movement are once again in play as retrofitting the suburbs has become a central issue in planning Strategies are emerging that reflect the goals of garden suburbs in creating metropolitan communities that embrace both the intensity of the city and the tranquility of nature *Paradise Planned* is the comprehensive encyclopedic record of this movement a vital contribution to architectural and planning history and an essential recourse for guiding the repair of the American townscape *Ted Williams* Leigh Montville, 2005-03-15

The Kid The Splendid Splinter Teddy Ballgame One of the greatest figures of his generation and arguably the greatest baseball hitter of all time But what made Ted Williams a legend and a lightning rod for controversy in life and in death Still a gangly teenager when he stepped into a Boston Red Sox uniform in 1939 Williams's boisterous personality and penchant for towering home runs earned him adoring admirers and venomous critics In 1941 the entire country followed Williams's stunning 406 season a record that has not been touched in over six decades Then at the pinnacle of his prime Williams left Boston to train and serve as a fighter pilot in World War II missing three full years of baseball making his achievements all the more remarkable Ted Williams's personal life was equally colorful His attraction to women and their attraction to him was a constant He was married and divorced three times and he fathered two daughters and a son He was one of corporate America's first modern spokesmen

and he remained nearly into his eighties a fiercely devoted fisherman With his son John Henry Williams he devoted his final years to the sports memorabilia business even as illness overtook him And in death controversy and public outcry followed Williams and the disagreements between his children over the decision to have his body preserved for future resuscitation in a cryonics facility a fate many argue Williams never wanted With unmatched verve and passion and drawing upon hundreds of interviews acclaimed best selling author Leigh Montville brings to life Ted Williams s superb triumphs lonely tragedies and intensely colorful personality in a biography that is fitting of an American hero and legend **Florida's Snowbirds**

Godefroy Desrosiers-Lauzon,2011 Cover CONTENTS PREFACE INTRODUCTION Why Florida Matters CHAPTER ONE Florida Dreaming CHAPTER TWO The Dream Next Door Going to Florida CHAPTER THREE Roosting in Eden CHAPTER FOUR From Eden to Babel CHAPTER FIVE From Babel to the Clubhouse Snowbirds in Search of Community CHAPTER SIX A Canadian Snowbird Case Study CHAPTER SEVEN Coming Home What Florida Means to the North CONCLUSION NOTES BIBLIOGRAPHY INDEX A B C D E F G H K M N P Q R S T V W
