Shattered Tormented Brain on disconnect A car accident leaves Erin Rocheford a seventeen year old hockey player fractured disfigured near death Not only has her future career in the NHL been erased but when she s finally released from the hospital she can barely walk her thoughts stumble into each other and people grimace when they see the scars crisscrossing her face Erin s parents decide that a vacation in Florida on an island of palm trees and pirate lore is just what she needs to recover But in her post traumatic state Erin is vulnerable to attack to a ghostly invasion and to a further fragmenting of her troubled grey matter Soon after arriving on the island a tale of an odd English pirate and his feisty captive a story of defiance and decapitation weaves itself into her mind threatening her very soul Erin will need to call upon every reserve in her hockey toned body to keep from falling apart altogether to fight back and to protect her star player the one boy who can see beyond the scars

Mosaic Deborah Jackson s fourth young adult novel involves young lovers pirates murder ghosts and hockey in short something for everyone The Ottawa based writer has structured a suspenseful action filled novel which will appeal to an older teen audience Jackson considered Mosaic an experiment in structuring a novel to match its theme Her experiment is definitely a success Ruth Latta Apartment 613
