Flourishing In The Land The 100 Year Journey Of Christian Reformed Missions In North America:

The Riddle of Grace Scott Hoezee,1996 The author reminds us of what it means to be saved by grace but in this work he is more concerned to explore what it means to live graciously as a result of that salvation With this emphasis he breaks new ground in the literature of grace *American Book Publishing Record* ,1996 *Whitaker's Books in Print* ,1998

Forthcoming Books Rose Arny,1996-06 **Flourishing in the Land** Scott Hoezee,Christopher H. Meehan,1996 Produced in celebration of the Christian Reformed Church s 1996 centennial of Native America mission this volume recounts the Christian Reformed Church s early efforts to reach the Navajo in America s Southwest its program of Jewish evangelism its Back to God Hour radio ministry its outreach to the inner city and chaplaincy ministries and its present day efforts to develop new churches amid an increasingly diverse society of ethnic minorities and baby boomers **The Preacher** ,1843

Michigan Christian Advocate ,1904 **Remember Creation** Scott Hoezee,1998 Why is it that many Christians find a theological scientific debate about creation s ancient origins far more engaging than a speech about how to live responsibly in the creation today Are we more fascinated by academic debates that focus our gaze on what happened long ago than by the hands on discussions that focus our gaze on the world of wonders outside our windows right now In *Remember Creation* Scott Hoezee challenges readers to make today s world more central to the Christian faith by enjoying and preserving God s cosmos as a part of daily discipleship Solidly grounded in a wealth of Scripture passages this book reveals God s ecology of praise which all Christians should want to explore and preserve Throughout the book Hoezee also offers suggestions to help congregations families and all Christians to take more delight in God s world while working to keep alive the wonders that bring God joy Scott Hoezee adds a refreshing new twist to the discussion on the environment Shouldn t we start by simply enjoying creation and honoring it for what it is With illustrations both biblical and personal Hoezee makes a compelling case Philip Yancey *Christian Budget and News of the Day* ,1895 *The Christian Union* ,1877 *Religious Remembrancer* ,1917
