The Routledge Companion to the Contemporary Musical Jessica Sternfeld, Elizabeth L. Wollman, 2019-08-16 The Routledge Companion to the Contemporary Musical is dedicated to the musical s evolving relationship to American culture in the late twentieth and early twenty first centuries In the past decade

and a half international scholars from an ever widening number of disciplines and specializations have been actively contributing to the interdisciplinary field of musical theater studies. Musicals have served not only to mirror the sociopolitical economic and cultural tenor of the times but have helped shape and influence it in America and across the globe, a genre that may seem at first glance light hearted and escapist serves also as a bold commentary on society. Forty four essays examine the contemporary musical as an ever shifting product of an ever changing culture. This volume sheds new light on the American musical as a thriving contemporary performing arts genre, one that could have died out in the post Tin Pan Alley era but instead has managed to remain culturally viable and influential in part by newly embracing a series of complex contradictions. At present the American musical is a live localized old fashioned genre that has simultaneously developed into an increasingly globalized tech savvy intensely mediated mass entertainment form. Similarly as it has become increasingly international in its scope and appeal the stage musical has also become more firmly rooted to Broadway, the idea if not the place and thus branded as a quintessentially American entertainment.

Flower Drum Song David Henry Hwang, 2003. A funny and clever radical revision of the 1958 Broadway hit. Time magazine: An artistic success revealing a revitalized score and a dramatic complexion that's far richer than the original. Variety: One of the Year's 10 Best. Los Angeles Times: One of Rodgers and Hammerstein's most compelling love stories is re-made enchantingly in a new adaptation by the renowned Asian American playwright David Henry Hwang. This new version was a runaway hit last year in Los Angeles and now is playing on Broadway. Set in San Francisco's Chinatown in the late fifties, this is a funny and moving story which explores what it means to be an American and touches the history of every person whose forebearers once arrived as a stranger to these shores. The book also includes an essay by cultural critic Karen Wada on the history of *Flower Drum Song* and its relationship to the Asian American community. David Henry Hwang was awarded the 1988 Tony Drama Desk Outer Critics and John Gassner Awards for his Broadway debut *M. Butterfly* which was also a finalist for the Pulitzer Prize. His most recent play *Golden Child* received a Tony nomination and a 1997 OBIE Award.
