

WHAT IS A FLOWER FAIRY?

Have you ever seen—or thought you saw—a fairy? Perhaps you caught sight of a tiny wing glittering in the sunlight? Maybe you heard the sound of tinkling laughter coming from the garden? If so, you may have been lucky enough to glimpse a magical Flower Fairy.

Flower Fairies are lovely little creatures, about 5 to 7 inches tall, who live among flowers, plants, and trees. They have sweet faces, soft hair, and beautiful fluttering wings. Some fairies are girls, others are boys.

Each Flower Fairy lives and sleeps in his or her own special plant. They wear outfits made from its leaves and flowers, so it is easy for them to hide. Fairies are shy little creatures and will disappear very quickly if they are scared.
