Flowers In Salt The Beginnings Of Feminist Consciousness In Modern Japan

Mark McLelland, Vera Mackie

Flowers In Salt The Beginnings Of Feminist Consciousness In Modern Japan:

Flowers in Salt Sharon L. Sievers, 1983 This carefully researched and original monograph describes the lives and thoughts of a series of women who sought fairer economic social and political roles for women during Japan's first half century of modernization It is of interest not only to students of feminism but also to anyone who wishes to understand modern Japan

Choice **Flowers in Salt** Sharon L. Sievers, 2022 This is the first book to examine the changing roles of women in Japan during the four decades following the Meiji Restoration of 1868 a period of sweeping political social and economic change The book concentrates on those Japanese women who were outspoken critics of their society and the roles women were assigned in it but also assesses the contributions women made to Japan during a period of rapid modernization The struggle of Japanese women to gain political rights the creation of a women's reform movement the involvement of women in the early socialistic movement the protests of women textile workers who staged Japan's first strikes the evolution of the women's movement into a literary movement and a new view of Kanno Suga an anarchist who was hanged by the Japanese government in 1911 are presented against the background of determined state intervention in the lives of women The book concludes with a brief summary of the changing role of women in Japan since Meiji and compares their experience with that of European and American women

Flowers in Salt Sharon L. Sievers, 1983

Feminism in Modern Japan Vera Mackie, 2003-02-26 Feminism in Modern Japan is an original and path breaking book which traces the history of feminist thought and women's activism in Japan from the late nineteenth century to the present The author offers a fascinating account of those who struck out against convention in the dissemination of ideas which challenged accepted notions of thinking about women men and society generally Feminist activism took diverse forms as women questioned their roles as subjects of the Emperor or explored the limits of citizenship under the more liberal post war constitution The story is brought to life through translated extracts of the writings of Japanese feminists This cogent carefully documented analysis will be welcomed by students from a range of disciplines including those working on gender studies and feminist history where nothing comparable is currently available

Tokyo Life, New York Dreams Mitziko Sawada, 1996-01-01 Tokyo Life New York Dreams is a bicultural study focusing on Japanese immigrants in New York and the ideas they had about what they would find there It is one of the first works to consider Japanese immigration to the East Coast where immigrants were of a different class and social background from the laborers who came to the West Coast and Hawaii Beginning with a portrait of immigrants lives in New York City Mitziko Sawada returns to Tokyo to examine the pre immigration experience in depth using rich sources of popular Japanese literature to trace the origins of immigrant perceptions of the U S Along with discussions of economics and politics in Tokyo Sawada explores the prevalent images ideologies social myths and attitudes of late Meiji and Early Taisho Japan Her lively narrative draws on guide books magazines success literature and popular novels to illuminate the formation of ideas about work class gender relations and freedom in American society This study analyzes

the Japanese construction of a mythic America perceived as a homogeneous and exotic other Tokyo Life New York Dreams is a bicultural study focusing on Japanese immigrants in New York and the ideas they had about what they would find there It is one of the first works to consider Japanese immigration to the East Coast where immigrants were of a different class and social background from the laborers who came to the West Coast and Hawaii Beginning with a portrait of immigrants lives in New York City Mitziko Sawada returns to Tokyo to examine the pre immigration experience in depth using rich sources of popular Japanese literature to trace the origins of immigrant perceptions of the U S Along with discussions of economics and politics in Tokyo Sawada explores the prevalent images ideologies social myths and attitudes of late Meiji and Early Taisho Japan Her lively narrative draws on guide books magazines success literature and popular novels to illuminate the formation of ideas about work class gender relations and freedom in American society This study analyzes the Japanese construction of a mythic America perceived as a homogeneous and exotic other

Japanese Women: Emerging from Subservience, 1868-1945, 2021-10-01 For the first time many of the world s leading scholars in the field of Japanese women s history met in Edinburgh in 2003 and presented papers addressing the themes of Pioneering Women in Japan and General Issues in Japanese Women s History This volume containing most of the papers which have been specially edited and revised for publication together with an in depth contextual Introduction by Dr Hiroko Tomida and Dr Gordon Daniels is the outcome By definition therefore the volume contains some of the most recent findings in this field in Japan Australia the United States and the UK and introduces new approaches to studying Japanese women s history In addition it contains a special contribution on Ichikawa Fusae by Professor Barbara Molony

Hiratsuka Raichō and Early Japanese Feminism Hiroko Tomida, 2003-12-01 This work on Hiratsuka Raich at last fully assesses her key role in the history of the Japanese women s movement It provides a full and contextual analysis of the life 1886 1971 and work of this leading Japanese feminist all in the light of the changes affecting women in Japan At the same time the author compares her working with similar historical shifts and movements in western countries notably Great Britain and the United States International comparisons at the level of personal biography and associated ideas are made to see the influence of Western feminists on Hiratsuka s feminism Hiratsuka is compared with other Japanese feminists whereby her pivotal role in the history of the Japanese women s movement becomes clear With extensive footnotes for further reference and research a number of appendices a detailed bilingual glossary and bibliography a true reference on an important subject

Gendering Modern Japanese History Barbara Molony, Kathleen Uno, 2020-05-11 In the past quarter century gender has emerged as a lively area of inquiry for historians and other scholars and gender analysis has suggested important revisions of the master narratives of national histories the dominant often celebratory tales of the successes of a nation and its leaders Although modern Japanese history has not yet been restructured by a foregrounding of gender historians of Japan have begun to embrace gender as an analytic category The sixteen chapters in this volume treat men as well as women theories of sexuality as well as gender prescriptions

and same sex as well as heterosexual relations in the period from 1868 to the present All of them take the position that history is gendered that is historians invariably perhaps unconsciously construct a gendered notion of past events people and ideas Together these essays construct a history informed by the idea that gender matters because it was part of the experience of people and because it often has been a central feature in the construction of modern ideologies discourses and institutions Separately each chapter examines how Japanese have en gendered their ideas institutions and society

The Development of the Japanese Nursing Profession Aya Takahashi, 2004 This book tells the story of Florence Nightingaleism in Japan showing how Japanese nursing developed from 1868 to the present

Women in Japanese Religions Barbara R Ambros, 2015-05-29 A comprehensive history of women in Japanese religious traditions Scholars have widely acknowledged the persistent ambivalence with which the Japanese religious traditions treat women Much existing scholarship depicts Japan s religious traditions as mere means of oppression But this view raises a question How have ambivalent and even misogynistic religious discourses on gender still come to inspire devotion and emulation among women In *Women in Japanese Religions* Barbara R Ambros examines the roles that women have played in the religions of Japan An important corrective to more common male centered narratives of Japanese religious history this text presents a synthetic long view of Japanese religions from a distinct angle that has typically been discounted in standard survey accounts of Japanese religions Drawing on a diverse collection of writings by and about women Ambros argues that ambivalent religious discourses in Japan have not simply subordinated women but also given them religious resources to pursue their own interests and agendas Comprising nine chapters organized chronologically the book begins with the archeological evidence of fertility cults and the early shamanic ruler Himiko in prehistoric Japan and ends with an examination of the influence of feminism and demographic changes on religious practices during the lost decades of the post 1990 era By viewing Japanese religious history through the eyes of women *Women in Japanese Religions* presents a new narrative that offers strikingly different vistas of Japan s pluralistic traditions than the received accounts that foreground male religious figures and male dominated institutions

Encyclopedia of Social History Peter N. Stearns, 1993-12-21 A reference surveying the major concerns findings and terms of social history The coverage includes major categories within social history family demographic transition multiculturalism industrialization nationalism major aspects of life for which social history has provided a crucial per

Japanese Fashion Toby Slade, 2009-12-15 This book examines the entire sweep of Japanese clothing history from the sophisticated fashion systems of late Edo period kimonos to the present day providing possible theories of how Japan made this fashion journey and linking current theories of fashion to the Japanese example The book is unique in that it provides the first full history of the last two hundred years of Japanese clothing It is also the first book to include Asian fashion as part of global fashion as well as fashion theory It adds a hitherto absent continuity to the understanding of historical and current fashion in Japan and is pioneering in offering possible theories to account for that

entire history By providing an analysis of how that entire history changes our understanding of the way fashion works this book will be an essential text for all students of fashion and design *Sustainability, Diversity, and Equality: Key Challenges for Japan* Kimiko Tanaka, Helaine Selin, 2023-07-28 This book enables readers to understand contemporary Japanese society and culture Since it is written by experts it allows readers to start with any chapters they are interested in It also provides a unique way to introduce Japanese society and culture to those who have never visited or studied Japanese society by reading articles from various authors on topics such as gender family economy natural disasters and politics and laws It provides scholars academics graduate students and the general educated audience all the information required to understand contemporary Japanese society and culture fully and see the diverse perspectives available *Japan 1868-1945* Takao Matsumura, John Benson, 2014-09-25 The history of Imperial Japan from the Meiji Restoration through to defeat and occupation at the end of the Second World War is central to any understanding of the way in which modern Japan has developed and will continue to develop in the future This wide ranging accessible and up to date interpretation of Japanese history between 1868 and 1945 provides both a narrative and analysis Describing the major changes that took place in Japanese political economic and social life during this period it challenges widely held views about the uniqueness of Japanese history and the homogeneity of Japanese society **Japanese Women and Sport** Robin Kietlinski, 2011-12-01 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com In *Japanese Women and Sport* Robin Kietlinski sets out to problematize the hegemonic image of the delicate Japanese woman highlighting an overlooked area in the history of modern Japan Previous studies of gender in the Japanese context do not explore the history of female participation in sport and recent academic studies of women and sport tend to focus on Western countries Kietlinski locates the discussion of Japanese women in sport within a larger East Asian context and considers the socio economic position and history of modern Japan Reaching from the early 20th century to the present day Kietlinski traces the progression of Japanese women's participation in sport from the first female school for physical education and the foundations of competitive sport through to their growing presence in the Olympics and international sport **Routledge Handbook of Sexuality Studies in East Asia** Mark McLelland, Vera Mackie, 2014-09-15 This collection brings together cutting edge work by established and emerging scholars focusing on key societies in the East Asian region China Taiwan Hong Kong Japan North and South Korea Mongolia and Vietnam This scope enables the collection to reflect on the nature of the transformations in constructions of sexuality in highly developed developing and emerging societies and economies Both Japan and China have established traditions of sexuality studies reflecting longstanding indigenous understandings of sex as well as more recent developments which interface with Euro American medical and psychological understandings Authors reflect upon the complex colonial and economic interactions and cultural flows which have affected the East Asian region over the last two centuries They trace local flows of ideas instead of defaulting to Euro

American paradigms for sexuality studies Through looking at regional and global exchanges of ideas about sexuality this volume adds considerably to our understanding of the East Asian region and contributes to wider discussions of social transformation modernisation and globalisation It will be essential reading in undergraduate and graduate programs in sexuality studies gender studies women s studies and masculinity studies as well as in anthropology sociology history cultural studies area studies and health sciences

Women's Rights Lynn Walter, 2000-10-30 Are women fighting over the same issues and for the same rights all around the world What are the gains that have been made for women in different cultures over the past 200 years Students will find answers to these and similar questions in this unique resource of fifteen case studies exploring the problems surrounding the fight for women s rights in different countries ranging from Argentina to Zimbabwe The history the public perceptions contemporary problems the future of women s rights and the roles of activists concerning these rights are examined The detailed explorations provide readers with the opportunity to discover the different cultural attitudes toward women In order to facilitate comparisons each chapter follows a similar outcome The countries were chosen to represent every region of the world and to provide as broad a picture as possible of the issues presented by women s struggles for equality Each case study asks how national cultural class racial and religious differences have influenced women s rights These different views of ways in which women have sought their rights around the world will help students to understand the fight for women s rights in a broad sense as a social issue that affects all of humanity

Japan Milton W. Meyer, 2012-08-09 The emergence of Japan as a political and economic global power has been one of the most remarkable success stories of modern history Though small in geographic area the archipelago is the tenth most populous country with 128 million inhabitants crowded into an area the size of Montana Its natural resources are almost nonexistent yet today it ranks only second after the much larger United States as the most affluent and economically productive nation in the world Its rich cultural heritage and high tech society are equally vibrant For all readers wanting to better understand this dynamic country this popular and accessible introduction offers an authoritative yet concise overview of two thousand years of Japanese history Now fully updated to the present this edition also includes an array of photographs and illustrations The first half of the book explores the pre Meiji era up to 1868 The second half traces domestic changes and relevant foreign issues in the modernizing era launched by the Meiji Restoration Highlighting key historical events Milton W Meyer also includes cultural artistic and religious milestones Summaries and datelines at the end of each chapter as well as a glossary offer additional essential reference points With its clear explanations of Japanese traditions religion history economics politics and relations with the West this book provides an invaluable guide for understanding contemporary Japan

Gendered Power Mamiko Suzuki, 2019-02-05 Gendered Power sheds light on the sources of power for three prominent women of the Meiji period Meiji Empress Haruko public speaker poet and diarist Nakajima Shoen and educator and prolific author Shimoda Utako By focusing on the role Chinese classics kanbun played in the language employed by elite women the

chapters focus on how Empress Haruko Shoen and Shimoda Utako contributed new expectations for how women should participate in a modernizing Japan. By being in the public eye, all three women countered criticism of and commentary on their writings and activities which they parried by navigating gender constraints. The success or failure as women ascribed to these three figures sheds light on the contradictions inhabited by them during a transformative period for Japanese women. By proposing and interrogating the possibility of Meiji women's power, the book examines contradictions that were symptomatic of their struggles within the vast social, cultural, and political transformations that took place during the period. The book demonstrates that an examination of that conflict within feminist history is crucial in order to understand what radical resistance meant in the face of women-centered authority.

Toxic Archipelago Brett L. Walker, 2011-07-01

Every person on the planet is entangled in a web of ecological relationships that link farms and factories with human consumers. Our lives depend on these relationships and are imperiled by them as well. Nowhere is this truer than on the Japanese archipelago. During the nineteenth century, Japan saw the rise of *Homo sapiens industrialis*, a new breed of human transformed by an engineered, industrialized, and poisonous environment. Toxins moved freely from mines, factory sites, and rice paddies into human bodies. *Toxic Archipelago* explores how toxic pollution works its way into porous human bodies and brings unimaginable pain to some of them. Brett Walker examines startling case studies of industrial toxins that know no boundaries: deaths from insecticide contaminations, poisonings from copper, zinc, and lead mining, congenital deformities from methylmercury, factory effluents, and lung diseases from sulfur dioxide and asbestos. This powerful probing book demonstrates how the Japanese archipelago has become industrialized over the last two hundred years and how people and the environment have suffered as a consequence.

Flowers In Salt The Beginnings Of Feminist Consciousness In Modern Japan Introduction

In the digital age, access to information has become easier than ever before. The ability to download Flowers In Salt The Beginnings Of Feminist Consciousness In Modern Japan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Flowers In Salt The Beginnings Of Feminist Consciousness In Modern Japan has opened up a world of possibilities. Downloading Flowers In Salt The Beginnings Of Feminist Consciousness In Modern Japan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Flowers In Salt The Beginnings Of Feminist Consciousness In Modern Japan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Flowers In Salt The Beginnings Of Feminist Consciousness In Modern Japan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Flowers In Salt The Beginnings Of Feminist Consciousness In Modern Japan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Flowers In Salt The Beginnings Of Feminist Consciousness In Modern Japan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Flowers In Salt The Beginnings Of Feminist Consciousness In Modern Japan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility

it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Flowers In Salt The Beginnings Of Feminist Consciousness In Modern Japan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Flowers In Salt The Beginnings Of Feminist Consciousness In Modern Japan is one of the best book in our library for free trial. We provide copy of Flowers In Salt The Beginnings Of Feminist Consciousness In Modern Japan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Flowers In Salt The Beginnings Of Feminist Consciousness In Modern Japan. Where to download Flowers In Salt The Beginnings Of Feminist Consciousness In Modern Japan online for free? Are you looking for Flowers In Salt The Beginnings Of Feminist Consciousness In Modern Japan PDF? This is definitely going to save you time and cash in something you should think about.
