Flower Shadows Behind the Curtain Ssü-ch'iao-chü-shih,1959 Flower Shadows Behind the Curtain ,1959

Flower shadows behind the curtain Ko lien hua ying,1959 *Sex in China* Fang Fu Ruan,2013-11-22 China today is sexually and in many other ways a very repressive society yet ancient China was very different Some of the earliest surviving literature of China is devoted to discussions of sexual topics and the sexual implications of the Ym and Yang theories common in ancient China continue to influence Tantric and esoteric sexual practices today far distant from their Chinese origins In recent years a number of books have been written exploring the history of sexual practices and ideas in China but most have ended the discussion with ancient China and have not continued up to the present time Fang Fu Ruan first surveys the ancient assumptions and beliefs then carries the story to present day China with brief descriptions of homosexuality lesbianism transvestism transsexualism and prostitution and ends with a chapter on changing attitudes toward sex in China today Dr Ruan is well qualified to give such an overview Until he left China in the 1980s he was a leader in attempting to change the repressive attitudes of the government toward human sexuality He wrote a best selling book on sex in China and had written to and corresponded with a number of people in China who considered him as confidant and advisor about their sex problems A physician and medical historian Dr Ruan's doctoral dissertation was a study of the history of sex in China

ECHOES FROM THE FORGOTTEN. A TALE FROM TRANSYLVANIA Cristina Centea , In the vibrant yet haunting Merry Cemetery of S p n a where each tomb tells a story in rhyme one cross bears a chilling mystery a girl no one remembers and no one can forget Victor a young man of 21 is caught in the middle of several inexplicable events and becomes obsessed with the cross of a girl who had died almost a century before However her life seems somehow related to Victor's own past The further she digs into the past the more she questions her own memories and sanity Blending gothic horror psychological suspense and cultural mysticism this atmospheric thriller unravels the dark connection between identity memory and death Perfect for fans of *Gone Girl* *The Silent Patient* and *The Shadow of the Wind* this gripping debut will keep you questioning what's real and what's not Themes Eastern European folklore memory trauma unreliable narration rural horror *The Nation* ,1872 The School Arts Book ,1905 *The Bookseller* ,1917 **The New Statesman** ,1914 **Tongzhi** Edmond J Coleman,Wah-Shan Chou,2013-09-05 Tongzhi Politics of Same Sex Eroticism in Chinese Societies examines Chinese societies where the family kinship system rather than sexuality is taken as the basis of an individual's identity With Tongzhi you will come to understand the variations of same sex erotica in different Chinese societies Examining past and present treatment of the subject including instances of discrimination against homosexuals Tongzhi explores same sex eroticism in China Hong Kong and Taiwan and explains the variations of categories and experiences of tongzhi in these countries Just what is Tongzhi Tongzhi is the most popular contemporary Chinese word for lesbians bisexuals and gay people The word which has very positive historical references was a Chinese translation from the Soviet communist term comrade It was

appropriated by a Hong Kong gay activist in 1989 for the first Lesbian and Gay Film Festival in Hong Kong by its organizers who wanted to employ an indigenous representation of same sex eroticism. The term homosexual was inappropriate because of its use as a medical term denoting sickness and pathology. Within a few years tongzhi became a widely used term in Hong Kong and Taiwan and is often used interchangeably with the English term gay. But terms such as gay, lesbian, and queer are Anglo-Saxon in origin with specific histories that cannot capture the indigenous features of Chinese same sex relationships. Tongzhi implies and includes much more: S.M.s, transvestites, and other fetishists who are members of the Chinese sexual counterculture who may be quite heterosexual are also tongzhi. And the term has meaning beyond the sexual; it embodies a strong sentiment for integrating the sexual, legitimizing same sex love, the political, sharing the goals of fighting heterosexism, and the cultural reappropriating their Chinese identity. Tongzhi brings you fascinating insight into the history of same sex eroticism in China, coming out in Chinese society, how colonialism has affected sexual nonconformists in this region, racial and sexual dynamics in Colonial Hong Kong, the cultural politics of being a tomboy girl in modern Hong Kong, queering the mainstream with tongzhi identity politics, sexual cultural diversities and differences among contemporary Chinese societies, and much more. Tongzhi shows how culture influences identity and demonstrates how you can develop relevant strategies for successful activist movements. Discussing political movements for gay, lesbian, bisexual rights and the societal implications of same sex eroticism, this intelligent book provides you with a clear understanding of the attitudes toward and meanings of being tongzhi today.
