restaurants for the new middle class started to develop Some of these women worked as prostitutes teahouse waitresses singers and bonded household laborers At the time the concept of women s emancipation was high on the nationalist and modernizing agenda of progressive intellectuals missionaries and political activists The metaphor of freeing an enslaved or bound woman s body was ubiquitous in local discussions and social campaigns in both cities as a way of empowering women to free their bodies and to seek marriage and work opportunities Nevertheless the highly visible presence of sexualized lower class women in the urban space raised disturbing questions in the two modernizing cities about morality and the criteria for urban citizenship Examining various efforts by the Guangzhou and Hong Kong political participants to regulate women s occupations and public behaviors Bound to Emancipate shows how the increased visibility of lower class women and their casual interactions with men in urban South China triggered new concerns about identity consumption governance and mobility in the 1920s and 1930s Shedding new light on the significance of South China in modern Chinese history Chin also contributes to our understanding of gender and women s history in China [International Art Market](#) ,1980 **The Hong Kong Filmography, 1977-1997** John Charles,2015-06-14 Thanks to the successes of directors and actors like John Woo Jackie Chan and Chow Yun Fat the cinema of Hong Kong is wildly popular worldwide and there is much more to this diverse film culture than most Western audiences realize Beyond martial arts and comedy Hong Kong films are a celebration of the grand diversity and pageantry of moviemaking covering action comedy horror eroticism mythology historical drama modern romances and experimental films Information on 1 100 films produced in British Hong Kong from 1977 to 1997 is included here *The American Kennel Gazette* ,1935 **Artbibliographies Modern** ,2004 **News from Xinhua News Agency, China** ,1982 *A dictionary of the English language.
