Economic Foundations Of Political Power:

Economic Foundations of Political Power Randall Bartlett, 1973 *Economic Foundations of Political Power*, 1973
ECONOMIC FOUNDATIONS OF POLITICAL POWER. RANDALL BARTLETT. Randall Bartlett, 1973 *The Economic Foundations of Society* Achille Loria, 1899 **The Economy as a System of Power** Warren Samuels, 2017-09-29 This collection brings together important materials concerning the study of the economy as a system of power offering a sample of positions taken by contributors to the Journal of Economic Issues in response to the perceived problems of the social control of corporate power The Political Economic Foundation of Democratic Capitalism Alan Ertl, 2007-05 This book traces both authoritatively and analytically the development of the ideas relating to the modern conceptualized understanding of the notions of Democracy and Capitalism The Economics of Firm Size, Market Structure, and Social Performance John J. Siegfried, 1980 **The Chicago School of Political Economy** Nadia Mizner, Warren Samuels, 2021-12-16 The Chicago School of Economics is arguably the most successful and influential since World War II This volume provides an interpretation of the Chicago school through constructive critique of its doctrines It is an inquiry into the nature role and significance of the school and its doctrines within both the economics profession and the larger world of ideas and action This volume offers a deeper understanding of the school of its strengths and weaknesses and of the tasks of any body of thought that hopes to comprise an alternative Economic Perspectives Maurice B. Ballabon, 1979 *The Political Economy of Third World Intervention* David N. Gibbs, 1991-11 Interventionism the manipulation of the internal politics of one country by another has long been a feature of international relations The practice shows no signs of abating despite the recent collapse of Communism and the decline of the Cold War In *The Political Economy of Third World Intervention* David Gibbs explores the factors that motivate intervention especially the influence of business interests He challenges conventional views of international relations eschewing both the popular realist view that the state is influenced by diverse national interests and the dependency approach that stresses conflicts between industrialized countries and the Third World Instead Gibbs proposes a new theoretical model of business conflict which stresses divisions between different business interests and shows how such divisions can influence foreign policy and interventionism Moreover he focuses on the conflicts among the core countries highlighting friction among private interests within these countries Drawing on U S government documents including a wealth of newly declassified materials he applies his new model to a detailed case study of the Congo Crisis of the 1960s Gibbs demonstrates that the Crisis is more accurately characterized by competition among Western interests for access to the Congo's mineral wealth than by Cold War competition as has been previously argued Offering a fresh perspective for understanding the roots of any international conflict this remarkably accessible volume will be of special interest to students of international political economy comparative politics and business government relations This book is an extremely important contribution to the study of international relations theory Gibbs treatment of the Congo case

is superb He effectively takes the statistics to task and presents a compelling new way of analyzing external interventions in the Third World Michael G Schatzberg University of Wisconsin David Gibbs makes an original and important contribution to our understanding of the influence of business interests in the making of U S foreign policy His business conflict model provides a synthetic theoretical framework for the analysis of business government relations one which yields fresh insights overcomes inconsistencies in other approaches and opens new ground for important research Gibbs provides a sophisticated analysis of the conflicts within the U S business community and identifies the complex ways in which they interacted with agencies within the government to form U S foreign policy toward the Congo This is a well crafted analysis of a critical case of U S postwar intervention which should be of general interest to scholars and others concerned with the domestic bases of foreign policy Thomas J Biersteker Director School of International Relations University of Southern California

Political Capitalism Randall G. Holcombe, 2018-07-19 Explains why government policies favor elites over the masses building on well established theories from the social sciences

Personalized Politics In-wŏn Hwang, 2003 This book is an innovative analysis of regime maintenance and transformation in Malaysia It goes beyond familiar approaches centred on communal politics or the corporate workings of Malaysia Inc to stress the importance of power maintenance tracing a path from consociational bargaining to authoritarian UMNO dominance to Dr Mahathir's personal dominance The author has synthesized a diverse range of sources and in particular made insightful use of interviews with nearly all the key actors The analysis is up to date including the dramatic challenge to Dr Mahathir's dominance associated with his sacking of deputy Anwar Ibrahim following the Asian economic crisis
