Economic History of Canada Trevor J. O. Dick, 1978      *Canadian History: Confederation to the present* Martin Brook Taylor, Doug Oram, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover      *A Bibliography of Historical Economics to 1980* Deirdre N. McCloskey, George K. Hersh, Jr, 1990 Historians and economists will find here what their fields have in common the movement since the 1950s known variously as cliometrics economic history or historical economics A leading figure in the movement Donald McCloskey has compiled with the help of George Hersh and a panel of distinguished advisors a highly comprehensive bibliography of historical economics covering the period up until 1980 The book will be useful to all economic historians as well as quantitative historians applied economists historical demographers business historians national income accountants and social historians      Canadian Reference Sources Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers      **Guide to Basic Reference Materials for Canadian Libraries** Patricia Fleming, University of Toronto.
