Economic History Of The Ussr

Aleksandr Mikhailovich Podkolzin

Economic History Of The Ussr:

An Economic History of the U.S.S.R. Alec Nove, 1969 Study in historical perspective of developments in economic policy in the USSR covers economic structures and economic administration prior to and during the 1st world war the position during the 50 years of the communist regime political leadership of the country the collective economy industrialization political problems economic growth etc Bibliography pp 389 to 391 and statistical tables

An Economic History of the USSR, 1917-1991 Alec Nove, 1992 Traces the economic development of the Soviet Union from war communism through the five year plans and collectivization to the beginning of the Gorbachev reforms and the final disintegration

The Economic Transformation of the Soviet Union, 1913-1945 R. W. Davies, Mark Harrison, S. G. Wheatcroft, 1994 Leading scholars in the field analyse the Soviet economy sector by sector to make available in textbook form the results of the latest research on Soviet industrialisation

The Rise and Fall of the Soviet Economy Philip Hanson, 2014-09-11 Why did the Soviet economic system fall apart Did the economy simply overreach itself through military spending Was it the centrally planned character of Soviet socialism that was at fault Or did a potentially viable mechanism come apart in Gorbachev's clumsy hands Does its failure mean that true socialism is never economically viable The economic dimension is at the very heart of the Russian story in the twentieth century Economic issues were the cornerstone of Soviet ideology and the Soviet system and economic issues brought the whole system crashing down in 1989-91 This book is a record of what happened and it is also an analysis of the failure of Soviet economics as a concept

An Economic History of the USSR Alec Nove, 1992

The Rise and Fall of the Soviet Economy Philip Hanson, 2003 Combining skilful economic political and social analysis this text provides a fascinating insight into the decline of the Soviet Union

The Soviet Economy Alec Nove, 1968

A Short Economic History of the USSR Aleksandr Mikhailovich Podkolzin, 1968

AN ECONOMIC HISTORY OF THE U.S.S.R., 1969

The Economic Development of the USSR Roger Munting, 2023-06-14

The Economic Development of the USSR 1982 examines the economic advances the Soviet Union made as the first major economy to adopt full scale socialist planning It argues that the Soviet experience demonstrates that remarkable quantitative economic progress can be achieved but at a price which Western democracies would not tolerate Moreover while the planning and control mechanism of the USSR produced striking results in the case of agriculture it often failed to produce satisfactory results The book provides an impartial assessment of the merits and defects of the Soviet planning system which also served as a model for many other Communist countries

Soviet Economic Development from Lenin to Khrushchev Robert William Davies, 1998-03-28 This book provides a comprehensive survey of Soviet economic development from 1917 to 1965 in the context of the pre revolutionary economy In these years the Soviet Union negotiated the first stages of modern industrialisation and then after the defeat of Nazi Germany and its allies emerged as one of the two world superpowers This was also the first attempt to construct a planned socialist order These developments resulted in great

economic achievements at great human cost Using the results of recent Russian and Western research Professor Davies discusses the inherent faults and strengths of the system and pays particular attention to the major controversies Was the Russian Revolution doomed to failure from the outset Could the mixed economy of the 1920s have led to a democratic socialist economy What was the influence of Soviet economic development on the rest of the world

An Economic History of Twentieth-Century Europe Ivan T. Berend, 2016-09-22 This new edition of Ivan T Berend's leading overview of economic regimes and economic performance from the start of the twentieth century to the present is fully updated to incorporate recent events including the causes and impacts of the 2008 financial economic crisis Praised for its clear prose and uncluttered analytical style as well as its use of illustrative case studies this is an integrated comparative account of European economic development from the evolution of capitalism to the fascist and communist regimes and their collapse and Europe's current economic problems The book examines both successes and failures in responding to the challenges of this crisis ridden but highly successful age It introduces the main factors behind economic growth and the various economic regimes that were invented and trialled It also shows how the vast disparity which had existed between the European regions started gradually decreasing as a result of increased integration

Economic History of Warfare and State Formation Jari Eloranta, Eric Golson, Andrei Markevich, Nikolaus Wolf, 2016-09-19 This edited volume represents the latest research on intersections of war state formation and political economy i.e. how conflicts have affected short and long run development of economies and the formation or destruction of states and their political economies The contributors come from different fields of social and human sciences all featuring an interdisciplinary approach to the study of societal development The types of big issues analyzed in this volume include the formation of European and non European states in the early modern and modern period the emergence of various forms of states and eventually modern democracies with extensive welfare states the violent upheavals that influenced these processes the persistence of dictatorships and non democratic forms of government and the arrival of total war and its consequences especially in the context of twentieth century world wars One of the key themes is the dichotomy between democracies and dictatorships namely what were the origins of their emergence and evolution why did some revolutions succeed and other fail and why did democracies on the whole emerge victorious in the twentieth century age of total wars The contributions in this book are written with academic and non academic audiences in mind and both will find the broad themes discussed in this volume intuitive and useful

A short economic history of the USSR. (Translated from the Russian by David Fidlon.). a. m Podkolzin, David Fidlon, 1968

The Cambridge Economic History of Modern Europe: Volume 2, 1870 to the Present Stephen Broadberry, Kevin H. O'Rourke, 2010-06-24 Unlike most existing textbooks on the economic history of modern Europe which offer a country by country approach The Cambridge Economic History of Modern Europe rethinks Europe's economic history since 1700 as unified and pan European with the material organized by topic rather than by country This second volume tracks Europe's

economic history through three major phases since 1870 The first phase was an age of globalization and of European economic and political dominance that lasted until the First World War The second from 1914 to 1945 was one of war deglobalization and depression and the third was one of growing integration not only within Europe but also between Europe and the global economy Leading authors offer comprehensive and accessible introductions to these patterns of globalization and deglobalization as well as to key themes in modern economic history such as economic growth business cycles sectoral developments and population and living standards A Short Economic History of the U.S.S.R, 1968 USSR English translation of a russian language monograph entitled *kratkii ocherk ekonomicheskoi istorii sssr* on historical aspects and development of the Russian economy covers economic development and economic growth during the period from feudal times to 1967 evolution of the economic structure socialist economic policy the communist pattern of economic planning economic administration etc Some basic statistical tables **A Concise Economic History of the World** Rondo E. Cameron, 1993 This classic book offers a broad sweep of economic history from prehistoric times to the present and explores the disparity of wealth among nations Now in its fourth edition A Concise Economic History of the World includes expanded coverage of recent developments in the European Union transition economies and East Asia *Economics And Politics In The USSR* Hans-Hermann Hohmann, 2019-03-05 Soviet scholars have apparently stayed clear of meaningful analysis of such touchy subjects as interdependence and conflict in the relationship between economics and politics Very little has been published on this issue no surprise in a system that controls centrally both politics and the economy with an emphasis on rapid economic development The absence of meaningful Soviet research led the Federal Institute for East European and International Studies in Cologne to sponsor an international interdisciplinary conference on the subject Contributions to the resulting book cover three main areas The first includes the impact of traditional Russian political culture on contemporary Soviet economic thinking and behavior the rank of economic aims in the priority system of Soviet politics and the function of economic institutions in the implementation of political aims The second concerns the role of political lobbies in the economy and repercussions of economic change for Soviet politics Foreign economic relations and the USSR's foreign policy make up the third area The concluding discussion reviews the state of international research and identifies areas for future study

Soviet Economic Thought and Political Power in the USSR Aron Katsenelinboigen, 2013-10-22 Soviet Economic Thought and Political Power in the USSR examines the evolution of economic theory in the Soviet Union from uniformity under Josef Stalin to diversity in the post Stalin period The reasons for uniformity and diversity in Soviet economics are analyzed along with the structure of this diversity the paradoxes in its development and the conditions under which it will continue The connection between leaders of Soviet economics and the Communist Party rulers is also discussed Emphasis is placed on one of the principal trends in Soviet economics in the post Stalin period mathematical economics This book is comprised of six chapters and begins with a discussion on the development of the economic mathematical trend in the USSR

The social environment in the Soviet Union is examined in macro terms along with the role of various mutations among the economists and the institutionalization of such mutations especially in the framework of the existing research institutes and universities The book also considers the attitudes of various factions of economists such as reactionaries conservatives and modernizers toward the question of the limitation of the leaders power and toward some areas of economics such as problems of mathematical modeling and institutional economics and toward the Marxist ideology The final chapter highlights the confusing struggle among the various trends in Soviet economics and the ways in which this struggle is supported by the country s political leaders This monograph will be of interest to economists political scientists politicians and economic policymakers

The European Economy 1914-2000 Derek Aldcroft, 2002-01-10 As in earlier editions of this work Professor Aldcroft presents a succinct and lucid account of the development and problems of the European economy throughout the twentieth century The text divides into several clearly defined sub periods the aftermath of the First World War and reconstruction in the 1920s the depression and recovery of the 1930s the impact of the Second World War and the new division of Europe the postwar boom of the 1950s and 1960s the growth slowdown of the 1970s and the pervasive problems of inflation and unemployment This new edition incorporates extensive revisions including wide range coverage of the impact of economics union and the demise of the centrally planned economies revised bibliographies and topics for discussion The European Economy 1914 2000 provides an invaluable guide to the major economic changes in both Western and Eastern Europe during the twentieth century

Economic History Of The Ussr Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Economic History Of The Ussr PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Economic History Of The Ussr PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries,

ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Economic History Of The Ussr free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Economic History Of The Ussr Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Economic History Of The Ussr is one of the best book in our library for free trial. We provide copy of Economic History Of The Ussr in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Economic History Of The Ussr. Where to download Economic History Of The Ussr online for free? Are you looking for Economic History Of The Ussr PDF? This is definitely going to save you time and cash in something you should think about.
