Economic Rationalism In Canberra A Nation Building State Changes Its Mind:

Economic Rationalism in Canberra Michael Pusey,1991 Michael Pusey discusses the way that Australian policies have transformed since the 1970 s **APAIS 1992: Australian public affairs information service** , [Alternatives to Social Security](#) James Midgley,Michael W. Sherraden,1997-04-22 Few days pass without front page newspaper articles about the disarray in the American social security system and the oncoming crisis of exploding costs and imbalance between workers and retirees New proposals to address these issues constantly surface from presidential candidates Congress and interest groups Yet few recognize that in the second half of the twentieth century there has been a global expansion of social security systems and there may be lessons to be learned from other societies This collection of essays is designed to examine the diverse approaches developed in Australia Britain Chile Hong Kong Kenya and Singapore By analyzing different approaches and different degrees of success those debating public policy may find alternatives that can be adapted to meet American social needs Midgley and Sherraden have drawn together experts on the systems developed in Australia Britain Chile Hong Kong Kenya and Singapore they explore the different approaches and the different degrees of success these societies have confronted An international perspective can enhance understanding of the problems and offer a sound basis for evaluating policy proposals that may reform the social security system Scholars researchers policymakers and the reading public will find this a stimulating collection As Senator John Breaux notes This book is essential reading for anyone serious about addressing the inevitable problems that will face the U S Social Security system **The Howard Government** Gwynneth Singleton,2000 Contributors examine in detail a range of issues including the controversy over the role of the High Court economic management waterfront reform and industrial relations the Centrelink initiative privatization and contracting out

Hybrid Public Policy Innovations Mark Fabian,Robert Breunig,2018-03-12 Political discourse in much of the world remains mired in simplistic ideological dichotomies of market fundamentalism for efficiency versus substantial socialism for equity Contemporary public policy design is far more sophisticated It blends market government and community tools to simultaneously achieve both equity and efficiency Unlike in the twentieth century this design is increasingly grounded in a deep evidence base derived by way of rigorous empirical techniques A new paradigm is emerging hybrid policies This volume provides a thorough introduction to this technical side of public policy analysis and development It demonstrates that it is possible to go beyond ideology and find there some powerful answers to our most pressing problems An international team of experts many of whom have experience with the design or implementation of hybrid policies helps cover the behavioural institutional and regulatory theories that inform the choice of policy objectives and lead the initial conception of solutions They explain the reasons why we need evidence based public policy and the state of the art empirical techniques involved in its development And they analyse a range of in depth case studies from industrial relations to health care to illustrate how hybrids can intermingle the strengths of governments markets and the community to combat the weaknesses of each and

arrive at bipartisan outcomes Hybrid Public Policy Innovations is geared to scholars and practitioners of public policy administration and management who desire to understand the analytical reasons why policies are designed the way they are and the purpose of evidence gathering frameworks attached to policies at implementation

Australian Public Policy Chris Miller, Lionel Orchard, 2016-02-17 At a time when neoliberal and conservative politics are again in the ascendancy and social democracy is waning Australian public policy re engages with the values and goals of progressive public policy in Australia and the difficulties faced in re affirming them It brings together leading authors to explore economic environmental social cultural political and indigenous issues It examines trends and current policy directions and outlines progressive alternatives that challenge and extend current thinking While focused on Australia the contributors offer valuable insights for people in other countries committed to social justice and those engaged in the ongoing contest between neo liberalism and social democracy This is essential reading for policy practitioners researchers and students as well those with an interest in the future of public policy

Walker,1994 This is the first Australian textbook in the important and growing field of environmental politics and policy Using the management of the Murray Darling Basin as a central case study The Political Economy of Environmental Policy shows how and why environmental problems generate political conflict It also brings relevant perspectives from political theory to bear on environmental issues emphasizing in particular their collective nature and the uses of social choice and game theory in understanding them It underlines the dilemmas faced by decision makers and discusses the strengths and weaknesses of modern decision theories when applied human impacts on the natural environment This is a textbook intended for students commencing the study of environmental policy or politics at first year university or higher *Welfare and the State: Welfare futures* Nicholas Deakin,Catherine Jones Finer,Bob Matthews,2004

Remaking New Zealand and Australian Economic Policy Shaun Goldfinch,2000 During the 1980s and early 1990s both Australia and New Zealand extensively deregulated their economies moving to become amongst the most liberal economies in the OECD Shaun Goldfinch interviewed more than 180 leading policy makers in Australia and New Zealand including former prime ministers ministers of finance treasurers public servants and other policy elites and examined primary government sources to demonstrate the reasons and processes involved in this remarkable period of economic reform This major comparative study sheds new light on economic policy making and change including the role of economic ideas and the importance of institutions and policy communities It contrasts the crash through approach that characterised reform in New Zealand with the bargained consensus that underpinned changes in Australia Finally it asks the critical question Has the New Zealand approach to policy change delivered better policy outcomes **After Neoliberalism** John Quiggin,2024-07-30 Since the early 1980s Australian economic policy has been dominated by the ideology of neoliberalism also known as economic rationalism including policies of privatisation financial deregulation and micro economic reform Throughout this period John Quiggin has presented critical assessments of neoliberal policies and the claims about productivity growth made in support of those policies The credibility of neoliberalism was fatally wounded by the Global

Financial Crisis and its aftermath Nevertheless market ideology has lumbered on in zombie form for want of a clear alternative It is only recently that we have begun to reverse the failed policies of privatisation and deregulation and to consider radical alternatives such as a shift to a four day week This book provides a historical perspective in the form of a series of articles written from the mid 1980s to the present day It concludes with some suggestions for the way forward after neoliberalism John Quiggin is the intellectual equivalent of a dazzling fireworks display I walk away from every encounter with a bright new insight and this book is no exception Agree or disagree Professor Quiggin is a veritable trove of fresh insights Spanning nearly four decades this volume brings together some of Professor Quiggin s most provocative contributions driven by a deep commitment to equity It will pique your curiosity and encourage you to work towards a better world Andrew Leigh Parliamentarian and author of *The Shortest History of Economics Australia in AUKUS* Erik Paul, 2024-05-13 This book focuses on the making and implication of AUKUS for Australians in their relations with their own state and governance the Asia Pacific region and the rest of the world AUKUS is an incipient military state and a highly dangerous development moving rapidly to integrate society the state and the economy in the US imperial project of warfare and global domination It constitutes the crucible of a Leviathan state militarising climate change The study in this book is framed in a geopolitical analytical paradigm of revolutionary and counterrevolutionary movement and power energising together the existential threat of climate change to humans and capitalism questioning the viability of the nation state system highlighting the predicament confronting Australians as a nation The book s analysis is presented in four chapters broadly indicated in the contents page The book s architecture is framed in the political philosophy and intellectual legacy of Eric Hobsbawm Rosa Luxemburg and George Orwell and their contribution to the understanding of the contradictions of the nation state and imperialism capitalism and socialism in the emancipation of humanity from war **Policy in Action** John Wanna, John Butcher, Benoit Freyens, 2010 A valuable guide to the debates and choices to be made in the delivery of public services The authors have achieved a rare combination of a thorough and thoughtful review of the literature and strongly expressed views Essential reading for both students and practitioners trying to make sense of the service delivery state Norman Flynn Director Centre for Financial and Management Studies University of London **An Introduction to Australian Public Policy** Sarah Maddison, Richard Denniss, 2013-05-31 The public policy arena is a complex framework of actors politics and instruments An Introduction to Australian Public Policy Second Edition examines the broad range of models influences and players that shape the development of public policy in Australia and equips students with a working knowledge of both the theoretical underpinnings and real world challenges of the field Fully revised and updated the new edition addresses the diverse approaches to policy formulation required by different practitioners and institutions Accessible and engaging this edition includes a new chapter on policy evaluation practical exercises on how to write policy briefs and media releases and eleven new concise case studies from Australia s top public policy practitioners The book is accompanied

by a companion website which contains chapter summaries and a glossary Widely regarded as the best introduction to Australian public policy available the book is an essential resource for undergraduate students of politics and policy workers

Schooling Reform In Hard Times Bob Lingard, John Knight, Paige Porter, 2003-09-02 Based on research carried out under Labour governments throughout the 1990s in Western Australia the authors consider the social political and economic conditions under which policy is formulated understood and enacted They look at how the state structure affects the content and nature of policy statements and provide an outline of the history of policy developments and point to future possibilities and probabilities Outcomes within funding ceilings accountability frameworks and national guidelines are but some of the changes referred to The emergence of competency based standards in education and training in schools workplaces and the professions is evident throughout Australia at state level but the concern is whether issues of education should be played out within the state and outside civil society The authors argue for the mediation in implementation of policy rather than a lambasting of policy formulation and implementation This text is intended for heads of education departments PGCE BEd MEd students and researchers interested in education policy and planning Education policymakers and educational historians
