Selucky,1974 **The Making of Economic Reform in Eastern Europe** Mario I. Bléjer,Fabrizio Coricelli,1995 This text features interviews with three of the key human actors behind the reforms in Eastern Europe Leszek Balcerowicz Polish Deputy Prime Minister and Minister of Finance 1990-91 Peter Akos Bod President of the National Bank of Hungary and formerly Minister of Industry and Vaclav Klaus Prime Minister of the Czech Republic and Czechoslovakian Minister of Finance The conversations include discussion about their personal and intellectual formation their views of the development and design of the reform package their initial expectations the process of implementing the reforms and the prospects for the future Economics and Politics of Economic Reforms in Eastern Europe ,1969 **Economic Adjustment and Reform in Eastern Europe and the Soviet Union** Franklyn D. Holzman,1988 Economic reform structural adjustment macroeconomic stabilization and participation in the world economy are interconnected aspects of the same issue the long term economic viability of centrally planned economies in the rapidly changing economic environment of the modern world Any economic strategy that focuses on only one or two of these aspects at the expense of the others is likely to fail yet even strategies that build on all of these bases may well fail unless political leaders can muster exceptional skill garner international support and enjoy some good luck The contributions to this volume reflect the recent research on this issue by various specialists on the economies of the Soviet Union and Eastern Europe Each author emphasizes macroeconomic stabilization structural adjustment participation in the larger world economy or economic reform A Precarious Balance: Democracy and economic reforms in Eastern Europe Joan M. Nelson,1994 **Economic Reforms in Eastern Europe and Prospects for the 1980s** Sam Stuart,2014-05-09 Economic Reforms in Eastern Europe and Prospects for the 1980s focuses on the institution of economic reforms and prospects in Eastern Europe including manpower availability scarce and expensive energy and raw materials deficiency of technological innovation and inflexibilities in management The selection first offers information on the economic reforms in Bulgaria Romanian economic reforms and the economic reforms in Czechoslovakia Discussions focus on the key problem and its resolution evaluation of the Bulgarian model Romanian economic development and principles contained in the directives The text then examines the reform of the system of economic management in Poland economic reforms and consumers in Eastern Europe and the prospects for the 1980s of the economic reforms in Bulgaria and Romania The publication takes a look at the economic prospects for the 1980s of Czechoslovakia and the German Democratic Republic Topics include factors impeding economic growth overemployment increases in consumer good prices welfare of consumers and decreasing economic growth The book further elaborates on the economic prospects for the 1980s of Hungary and Poland and the effects of energy development on East European economic prospects The selection is a vital reference for economists and readers interested in the prospects for the 1980s of the economic reforms in Eastern Europe A Precarious Balance Joan Marie Nelson,1994 **Reform and Transformation in Eastern Europe** János Mátyás Kovács,Marton Tardos,1992-06-04 First published in 1992 Routledge is an imprint of Taylor Francis an informa

company **Reforms in Eastern Europe and the Former Soviet Union in Light of the East Asian Experiences** Jeffrey Sachs, 1996 During the past five years there has been an important debate over the differing styles of market reforms in the formerly planned economies in East Asia versus Eastern Europe and the former Soviet Union EEFSU This paper puts forward three related propositions First the rapid growth of East Asia compared with economic contraction in EEFSU reflects differences in economic structure and initial conditions rather than differences in economic policymaking Second East Asian gradualism could not and did not work in EEFSU Third EEFSU continues to face serious problems with an overextended welfare state inherited from the socialist period *Remaking Eastern Europe — On the Political Economy of Transition* J.M. Van Brabant, 2012-12-06 This compact volume is meant as a modest contribution to the ongoing debate on how to transform in particular the radically reforming Eastern European economies into more productive sociopolitical organizations Although my main focus here is on the economics of reform and east west assistance I have tried to embed the multiple technical aspects of restructuring such a resource allocation into the context of remaking Eastern Europe That the volume coincides with the seminal transformations of the communist countries of Eastern Europe is of course not fortuitous But I shall have much less to say about the political transitions from communism to parliamentary democracy except the ways in which the latter may bolster or hinder the hoped for economic mutations In taking stock of where I stand on the issue of radical reform of planned economics in general and the CMEA in particular both still moving targets I have benefited greatly from participation in formal and informal conferences on economic reform The product has also profited from many informal discussions and exchanges of views among friends and colleagues including those entrusted with and purely interested in efforts on the overall topic of the study launched from within the broad context of the United Nations my at times reluctant employer Economic Reform and Political Change in Eastern Europe Judy Batt, 1988-06-21 Economic reform the introduction of elements of the market into a planned economy has been the central political problem for socialist states for at least three decades This book seeks to elucidate the nature of the problem through a reconsideration of the general theoretical issues and through a comparative analysis of the practice of economic reform in two countries Czechoslovakia and Hungary Economic Transition in Eastern Europe and Russia: Realities of Reform , An evaluation of the efficacy of different forms of liberalization since the fall of communism in Eastern Europe in the form of 13 essays on economic and political reforms Following an extensive introductory essay Economic Reform Appropriate Steps and Actual Policies the remaining essays are organized in three parts fundamental components of economic reform specific problems in reform and comparisons and evaluations Annotation copyright by Book News Inc Portland OR
