Economics of Development in Village India Margaret Rosary Haswell,1967 Annotation Originally published in 1967

Economics of Development in Village India M. R. Haswell,2013-10-15 This is Volume XVII of eighteen in the Sociology of Development series First published in 1967 this book focuses on the economics and of an Indian village allowing Indian agriculture to be seen in a new dimension This book will enable the reader to obtain a clearer and more extensive view of agriculture in Southern India *Tradition and Economy in Village India* K. Ishwaran,2013-08-21 First published in 1998 The efficacy of the modern village or community studies lies in their deriving better understandings of the structure and function of institutions They perform this office of social science by analysing the living workings of institutions in the experience of human beings struggling between traditional values and modern imperatives of change the book before us is a community study in that it lays bare before us a living village in an interesting and too little reported region of the great and complex land of India It is also most importantly the study of a local variant of a traditional economies institution called elsewhere the Jajmani system better the traditional economy of clientage and patronage uniting service castes in ritual and craft services to the landowners and cultivators of a corporate village an object of interest and seminal for social science since its discovery in the seminal historical studies of Sir Henry Maine **Economics of Development in Village India** Raymond Aron,1967

The New Strategy of Development in Village India Vivek Ranjan Bhattacharya,1983

Rural Towns and Socio-economic Development of Villages Dhirendra Prakash Saxena,1994 **Economics of Development in Village India, Etc. [With Maps.].** Margaret Rosary Haswell,1967 **Maharashtra, Development Report** ,2007 Report with reference to the state of Maharashtra India Economic Development and Planning in India Vishwambhar Nath,2010-01-01 The book is a collection of essays written by Dr Vishwambhar Nath who had retained his interest in Economic Development and Planning in India throughout his life He was associated with the Planning Commission since its inception in 1950 He worked for the Planning Commission for 14 years from 1950 66 with a break from 1960 63 and in research and writing until 2002 when he died suddenly The chapters contained in the volume discuss the essential ingredients in planning for development objectives ideology goals and resource endowments available and their utilization to maximize the rate of economic growth and development of social sectors It gives a survey of natural resources need for regional planning identification of the regions regional disparities in economic and social development etc It further details the experience of the country during 50 years of planning from 1950 2000 and goals and strategies for development up to 2020 Although several of his writings on Regional Development and Planning Planning for Urban Growth and Metropolitan Cities and Rural Development as well as Administration and Development Planning have been being brought out in volumes dealing with these areas this volume touches on these subjects and goes on to discuss regional distribution of industries and entrepreneurship growth poles in the economy issues of sustainable development and contribution of bureaucrats

entrepreneurs and managers in the planned development process as well as that of the public and private sectors Finally the author reminisces on the excitement that was aroused during the initial period of development planning as well as decline in the expectations from the planning process and its importance He conjectures that while the planning for economic development will continue in India the age of Five Year Plans is over Village Development in North-East India Komol Singha, 2009 Contributed articles presented in a seminar held during 14-15 Sept 2007 at St Joseph's College Jhakama **An Introduction to India's Economic Development Since the Nineteenth Century** Amlan Datta, 1989 **Econ Dev Village India** IIS 59 M. R. Haswell, 2013-10-15 This is Volume XVII of eighteen in the Sociology of Development series First published in 1967 this book focuses on the economics and of an Indian village allowing Indian agriculture to be seen in a new dimension This book will enable the reader to obtain a clearer and more extensive view of agriculture in Southern India

Role of Elites and Citizens in Rural Development of India Sharada Rath, S. C. Jena, 1993 The chief concern of this book is the role of elites and citizens as prime movers of rural development in India Elites encompass social elites political elites and government field officials in rural areas Foreign Affairs Research Special Papers Available, Near East, South Asia, and North Africa Foreign Affairs Research Documentation Center, 1976 *Near East, South Asia, and North Africa* Foreign Affairs Research Documentation Center, 1975 **Bibliographie Internationale D'anthropologie Sociale Et Culturelle** International Committee for Social Science Information and Documentation, 1986-11-20 First published in 1986 Routledge is an imprint of Taylor Francis an informa company Democracy and Economic Change in India George Rosen, 2023-11-15 Democracy and Economic Change in India explores the intricate relationship between political dynamics and economic development in the context of India Drawing from over a decade of economic work in India and Nepal including roles as an economic advisor to the Governments of Nepal and West Bengal the author delves into the challenges of creating an environment conducive to economic progress While economic plans may be straightforward to design their acceptance and implementation depend heavily on the political framework This study offers a unique perspective by merging insights from village level anthropological research and national level economic and political analysis to illuminate trends in India's development since 1947 The book critically examines the interplay between India's social structure and its evolving political and economic landscape addressing gaps in data and suggesting pathways for further research With an awareness of the global implications of these dynamics the study frames its findings in a broader context offering insights into US policy toward India and other developing nations A blend of field observations statistical analysis and macroeconomic perspectives provides a comprehensive understanding of India's journey and its relevance to broader discussions on development and democracy in underdeveloped countries This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship

accessible once again using print on demand technology This title was originally published in 1966 Economic Development in Palanpur over Five Decades Peter Lanjouw,Nicholas Stern,1998-11-19 This book provides an account of economic development in Palanpur a village in rural North India based on five detailed surveys of the village over the period 1957 to 1993 These five decades have seen economic well being rise in some important respects but stagnation and even decline in other areas The analysis presented here focuses on the reasons behind this uneven progress The authors tie in the background issues of the evolution of poverty and inequality and mobility over time with causal factors such as technological progress demographic and sectoral changes the operation of markets and the role of public action The richness and unique nature of the qualitative and quantitative data collected and presented by Lanjouw and Stern yields an analysis which illuminates questions of direct importance to researchers in a wide variety of disciplines *Asia ...
