Robert L. Sansom

Economics Of Insurgency In The Mekong

R. B. Smith

Economics Of Insurgency In The Mekong:

The Economics of Insurgency in the Mekong Delta of Vietnam Robert L. Sansom, 1970 Much of the material for this book was obtained through interviews with farmers landlords moneylenders and laborers in the Delta The author discusses general economic conditions in the area agricultural productivity capital and labor land tenure fertilizer use and a subsistence innovation involving the use of an intermediate technology The analysis focuses not only on the theoretical issues of development economics such as disguised unemployment innovation and investment decisions but also upon their larger social and political implications Several chapters are devoted to a detailed examination of the Viet Cong and South Vietnamese government economies at war Particularly significant is the role that economic issues and policies played in the successful efforts by the Viet Cong from 1960 to 1964 to gain the support of the peasant Land reform rent reduction and even a minimum rural wage policy were employed The author provides the first documentary evidence that the Viet Cong were a major force for constructive economic and social change in the Delta On the other hand by 1967 massive U S economic assistance had gone some distance toward putting the Vietnamese government in a more favorable position with regard to economic benefits associated with dependence on its economy No doubt however long standing economic and social grievances are still a potent force for the Viet Cong and there is as yet no complete assurance that the revolutionary social and economic changes wrought by the Viet Cong would not be reversed if the Vietnamese government gained complete control in the countryside

The economics of insurgency in the Mekong Delta of Vietnam Robert L. Sansom, 1970

Foreign Agricultural Economic Report ,1973 People's Wars in China, Malaya, and Vietnam Marc

Oppen, 2019-11-08 People's Wars in China, Malaya, and Vietnam explains why some insurgencies collapse after a military defeat while under other circumstances insurgents are able to maintain influence rebuild strength and ultimately defeat the government The author argues that ultimate victory in civil wars rests on the size of the coalition of social groups established by each side during the conflict When insurgents establish broad social coalitions relative to the incumbent their movement will persist even when military defeats lead to loss of control of territory because they enjoy the support of the civilian population and civilians will not defect to the incumbent By contrast when insurgents establish narrow coalitions civilian compliance is solely a product of coercion Where insurgents implement such governing strategies battlefield defeats translate into political defeats and bring about a collapse of the insurgency because civilians defect to the incumbent The empirical chapters of the book consist of six case studies of the most consequential insurgencies of the 20th century including that led by the Chinese Communist Party from 1927 to 1949 the Malayan Emergency 1948-1960 and the Vietnam War 1960-1975 People's Wars breaks new ground in systematically analyzing and comparing these three canonical cases of insurgency The case studies of China and Malaya make use of Chinese language archival sources many of which have never before been used and provide an unprecedented level of detail into the workings of successful and unsuccessful insurgencies

The book adopts an interdisciplinary approach and will be of interest to both political scientists and historians **Foreign Economic Development Report**, 1971 *The Primary Sector in Economic Development (Routledge Revivals)* Mats Lundahl, 2015-05-08 It is a major problem for less developed countries to make their primary sectors sufficiently profitable in order to be able to build up their manufacturing and service sectors This edited collection first published in 1985 examines the nature of the primary sector and its role in economic development Chapters consider problems of stagnation and income distribution in such countries as Chile and Brazil trade in national primary products and exports in Africa and the Middle East and reform and policies of development in countries such as Peru An interesting volume with an international scope this title will be of value to economics students with a particular interest in the role of the primary sector in developing economies **Embers of War** Fredrik Logevall, 2012 A history of the four decades leading up to the Vietnam War offers insights into how the U S became involved identifying commonalities between the campaigns of French and American forces while discussing relevant political factors **Environment, Development and Change in Rural Asia-Pacific** John Connell, Eric Waddell, 2006-12-05 This volume examines the economic political social and environmental challenges facing rural communities in the Asia Pacific region as global issues intersect with local contexts Such challenges from climatic change and volcanic eruption to population growth and violent civil unrest have stimulated local resilience amongst communities and led to evolving regional institutions and environment management practices changing social relationships and producing new forms of stratification Bringing together case studies from across mainland Southeast Asia and the Island Pacific an expert team of international contributors reveal how communities at the periphery take charge of their lives champion the virtues of their own local systems of production and consumption and engage in the complexities of new structures of development that demand a response to the vacillations of global politics economy and society Inherent in this is the recognition that development as we have come to know it is far from over Each chapter emphasizes the growing recognition that ecological and environmental issues are key to any understanding and analysis of structures of sustainable development Providing diverse multidisciplinary theoretical and empirical perspectives Environment Development and Change in Rural Asia Pacific makes an important contribution to the revitalization of development studies and as such will be essential reading for scholars in the field as well as those with an interest in Asia Pacific studies economic geography and political economy **Seeds of Stability** Ethan B. Kapstein, 2017-05-18 An original analysis of American interventions in the developing world asking what can be done to reduce their economic and human cost Kapstein shows the conditions under which American policies are most likely to produce political stability and when they are most likely to fail *The A to Z of Vietnam* Bruce M. Lockhart, William J. Duiker, 2010-04-14 Vietnam became part of French Indochina in 1887 and did not regain its independence again until after the Vietnam War However despite a relatively peaceful two decades the country experienced little economic growth because of conservative leadership policies In an effort to change this stagnation

Vietnamese authorities have committed to economic liberalization and enacted structural reforms needed to modernize the economy and to produce more competitive export driven industries The A to Z of Vietnam focuses on the recent changes and leadership of Vietnam while giving due attention to the earlier kingdoms the period of French Indochina the wars for liberation the Vietnam War and much more Hundreds of cross referenced A to Z dictionary entries are included on political economic social and cultural aspects as well as the major cities and geographic features This book also contains a chronology and introduction that traces Vietnam s history as well as a bibliography

Down and Out in Saigon Haydon Cherry,2019-05-28 A moving portrait of the lives of six poor city dwellers set in early twentieth century colonial Saigon Historian Haydon Cherry offers the first comprehensive social history of the urban poor of colonial French Saigon by following the lives of six individuals a prostitute a Chinese laborer a rickshaw puller an orphan an incurable invalid and a destitute Frenchman and how they navigated the ups and downs of the regional rice trade and the institutions of French colonial rule in the first half of the twentieth century Down and Out in Saigon is marked by three qualities that endow it with unusual value the originality of its subject matter as the first and only history of colonial Saigon s poor population the excellence of its research and Cherry s elegant prose Peter B Zinoman University of California Berkeley This is more than a corrective of revolutionary historiography it is a tour de force that brings marginal and forgotten lives into the story of modern Vietnamese history Charles Keith author of Catholic Vietnam A Church from Empire to Nation

The Environment and World History Edmund Burke III,Kenneth Pomeranz,2009-04-08 Since around 1500 C E humans have shaped the global environment in ways that were previously unimaginable Bringing together leading environmental historians and world historians this book offers an overview of global environmental history throughout this remarkable 500 year period In eleven essays the contributors examine the connections between environmental change and other major topics of early modern and modern world history population growth commercialization imperialism industrialization the fossil fuel revolution and more Rather than attributing environmental change largely to European science technology and capitalism the essays illuminate a series of culturally distinctive yet often parallel developments arising in many parts of the world leading to intensified exploitation of land and water The wide range of regional studies including some in Russia China the Middle East India Southeast Asia Latin America Southern Africa and Western Europe together with the book s broader thematic essays makes The Environment and World History ideal for courses that seek to incorporate the environment and environmental change more fully into a truly integrative understanding of world history CONTRIBUTORS Michael Adas William Beinart Edmund Burke III Mark Cioc Kenneth Pomeranz Mahesh Rangarajan John F Richards Lise Sedrez Douglas R Weiner

America, the Vietnam War, and the World Andreas W. Daum,Lloyd C. Gardner,Wilfried Mausbach,2003-07-14 Publisher s description This book presents new perspectives on the Vietnam War its global repercussions and the role of this war in modern history The volume reveals America s War as an international event that reverberated all over the world in

domestic settings of numerous nation states combatants and non combatants alike as well as in transnational relations and alliance systems The volume thereby covers a wide geographical range from Berkeley and Berlin to Cambodia and Canberra The essays address political military and diplomatic issues no less than cultural and intellectual consequences of Vietnam The authors also set the Vietnam War in comparison to other major conflicts in world history they cover over three centuries and develop general insights into the tragedies and trajectories of military conflicts as phenomena of modern societies in general For the first time America's War is thus depicted as a truly global event whose origins and characteristics deserve an interdisciplinary treatment National Unification and Economic Development in Vietnam Melanie Beresford,1989-12-01

This study explains the economic upheavals experienced by Vietnam since the end of the War in terms of historical developments especially the legacy of separation of North and South from 1954 to the 1975 Communist victory and traces aspects of the divided economies which have been of significance The Dynamics Of Defeat Eric M Bergerud,2018-03-26

Some of the most active debate about the Vietnam War today is prompted by those who believe that the United States could have won the war either through an improved military strategy or through more Communist Indochina R. B. Smith,2013-04-24 This book examines the history of communist Indochina from the foundation of the Indochinese Communist Party in 1929-30 to the end of the 1970s It explores the impact of the Japanese invasion of Indochina in 1940 and the subsequent relationship between the Japanese occupiers and the Vichy French colonial regime It considers why following the Japanese surrender the cause of Vietnamese independence was championed by the Communist led Viet Minh movement headed by Ho Chi Minh culminating in the August Revolution and the Viet Minh seizure of power and analyses the record of the Viet Minh Provisional Government of 1945-46 It goes on to consider key episodes of the Vietnam War which followed partition in 1954 including the Tet Offensive of 1967-68 a crucial turning point in the course of the conflict and the Cambodia Crisis of 1969-70 Throughout it considers events within Indochina in the context of wider regional and international developments focusing in particular on the role played by the Chinese including their support to the Viet Minh in their struggle against the French from 1947 and the issue of Cambodia which eventually precipitated the Sino-Vietnamese War of 1979 The book also explores the main trends in social economic and institutional development which characterised this period including village and clan networks economic and monetary developments the contrasting systems of North and South after partition and the consequences of choosing a Soviet economic alignment in preference to links with Japan and capitalist Asia Written by the late Ralph Smith a highly respected historian of Asia this book is essential reading for anyone seeking to understand the history of Indochina **Survey of Multiple Cropping in Less Developed Nations** Dana G.

Dalrymple,1971 *Advice and Support: The Early Years, 1941-1960 (Paperback)* ,1983 The book traces the origins of the Army's long and frequently unhappy involvement in Indochina from World War II to the end of the Eisenhower administration This work describes the activities of the U.S. Army in Vietnam during World War II military advice and assistance to the

French government during the immediate postwar years and the advisory program that developed after Geneva Agreements of 1954 The scope ranges from high level policy decisions to low echelon advisory operations in the field presented against a background of relevant military and political developments Useful not only as a study of military assistance but as a view of the Army as an agent in national policy this volume is a fitting introduction to the overall study of the conflict in Vietnam

The Encyclopedia of the Vietnam War Bloomsbury Publishing, 2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today s world Now in its second edition The Encyclopedia of the Vietnam War A Political Social and Military History adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial events in U S history Written to provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO

Agrarian Revolution Jeffrey M. Paige, 1978-04 A theory of rural class conflict World patterns Peru Hacienda and plantation Angola The migratory labor estate Vietnam Sharecropping

Economics Of Insurgency In The Mekong Introduction

In the digital age, access to information has become easier than ever before. The ability to download Economics Of Insurgency In The Mekong has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Economics Of Insurgency In The Mekong has opened up a world of possibilities. Downloading Economics Of Insurgency In The Mekong provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Economics Of Insurgency In The Mekong has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Economics Of Insurgency In The Mekong. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Economics Of Insurgency In The Mekong. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Economics Of Insurgency In The Mekong, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Economics Of Insurgency In The Mekong has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Economics Of Insurgency In The Mekong Books

What is a Economics Of Insurgency In The Mekong PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Economics Of Insurgency In The Mekong PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Economics Of Insurgency In The Mekong PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Economics Of Insurgency In The Mekong PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Economics Of Insurgency In The Mekong PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a

PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
