**Ecstasy** Sarah Pain, 2011-01-01 INTRODUCTION After being with J Vi ki couldn't but he thought but he felt it was with her. Jonathan would make in the early stages of arousal the way she would turn her in with a mere look. The way that both knew the other so intimately that it was almost impossible not to give her the utmost pleasure. I'm fighting to be the person that gives the most to be the least selfish. Although there is in itself a selfishness in wanting to make her love scream your name in ecstasy. The memories made Vi ki did not to whomever he was with. Her bed with made her aloof to any new experiences. She couldn't remember being with someone when not. Especially if there was a danger that these new memories would replace her. These experiences end until old feelings happily remind her that she met him in EXCERPT Our hands were everywhere. Then they tried to reunite ourselves with the other so that we would be in unison. When I felt her nails run down my back I knew I would be in the light. Our nipples were hard because my large breasts did not have a nipple. It was almost too much to with. I felt her hand on my chest. She pulled me down, pulling me tightly against her. I moved lightly and adjusted it in between her thighs. I found myself finding herself. Our love soaked us in a way that was played with in the way that we moved in union. Our juices mingling, our love mingling against her. Other making us gasp and run. I remember running briefly if the need of her in on my back would draw out our cries or if they were listening to us but it was a feeling that I thought easily diminished. He brought joy, bringing down into the light to fill below me. As our time in the bed and with her against her with more fervor than ever before. I heard Jonathan say Oh Vi ki I love you. No spoilers but you will love this lesbian story. It is so dirty you will have to clean your Kindle afterward. GENRE LGBT Lesbian WARNING This Book contains mature language and content intended for 18 readers only

**Tender Ecstasy** Janelle Taylor,2011-10-24 At the mercy of a cruel kinsman a young woman is saved body and soul by her powerful Sioux captor in this romance by the New York Times bestselling author Each novel that Janelle Taylor writes is filled with heart pounding passion and romantic adventure Yet it is the compelling saga of the beautiful Alisha and her lover Gray Eagle and their descendants which continues to enthrall her readers the most In a wagon train deep in Sioux territory rose Rebecca Kenny the most ravishing woman Bright Arrow had ever seen Her soft perfect curves were an intoxicating blend of innocence and seduction that drove him mad with desire Though wisdom demanded that he slay the enticing creature along with all the other invaders fate commanded that he save Rebecca capture her torment her and soar with her to the dizzying heights of blazing ecstasy *The Veils of the Seven Skies* - *Where Order Meets Ecstasy* Chris Tsirkas,2025-04-09 The Veils of the Seven Skies was born from a personal need to reconstruct the experience of Tragedy not as narrative but as passage In a time where theatre often becomes commentary or spectacle I longed to return to its ritual core a place where sound word and silence become thresholds The work seeks to revive the Sacred in performance not through religion but through the metaphysical weight of form repetition and gesture It is a response to the fragmentation of modern selfhood an offering of self transformation written for a stage that dares to stand still I envision this piece not simply as a play but as a vessel something ancient souls might recognize even if they no longer name it I wrote it so that it might one day be sung by voices who remember how to breathe between the Worlds The play is a philosophical and theatrical experiment that aims to bridge ancient worlds creating a poetic dialogue between the cultural heights of classical Greece and imperial China Its dramatic verse play merges the structure and philosophical depth of Attic Tragedy with the refined aesthetics and performative precision of traditional Chinese Theatre and Opera Set upon a semi operatic vessel reminiscent of 18th century Italian opera this work creates a unique synthesis of two seemingly distant but profoundly resonant artistic worlds The baroque grandeur of the language and spectacle serves the cosmic scope of this East West symbolical encounter The narrative follows Dionysus the Greek god of wine and ecstatic transformation as he

journeys to the Celestial Court of ancient China There his encounter with Princess Lian daughter of the Jade Emperor catalyzes a cosmic dialogue between Eastern discipline and Western spontaneity When the Emperor subjects Dionysus to Five Elemental Trials both cultures must confront their limitations and discover the complementary nature of their seemingly opposed philosophies Through Fire Water Wood Metal and Earth the characters navigate a series of challenges which test not only their physical and spiritual capacities but also their cultural assumptions about order chaos freedom and control The play integrates authentic elements from both traditions the Chorus Choral Odes and dramatic structure of Attic Tragedy alongside the water sleeve techniques shu xi and stylized gestures of Kunqu structural elements of Yuan Zaju and Ming Chuanqi and the codified role types of Peking Opera J ngj Through musicalized verse and detailed choreographic directions this work illuminates universal themes which bind human expression across cultures The play s formal structure honors both traditions while creating something entirely new a theatrical language that speaks to our shared humanity The Veils of the Seven Skies explores timeless questions which have occupied both Eastern and Western philosophical traditions such as How do we balance freedom with form How can tradition embrace change without losing its essence and What happens when seemingly opposite forces discover their shared humanity These questions unfold through characters who embody philosophical principles while remaining emotionally compelling their personal journeys reflecting the larger cultural synthesis at the heart of this work This theatrical experiment demonstrates how Dionysian ecstasy and Eastern harmony can converse in a shared theatrical language transcending time and geography in order to explore the essential balance between chaos and order freedom and form tradition and transformation It stands as both a literary text and a potential performance piece which celebrates the richness of global theatrical traditions a tale of transformation where Seven Veils dissolve revealing the unity beneath our cultural differences The extensive glossary and notes provide context for readers unfamiliar with either tradition making this work accessible to diverse audiences while honoring the depth and complexity of its source material
