Ecumenical Faith In Evangelical Perspective:

Ecumenical Faith in Evangelical Perspective Gabriel J. Fackre, 1993 What do ecumenical and evangelical have to do with each other In terms of actual dialogue these two polarized camps have had all too little contact with one another says Gabriel Fackre A self confessed evangelical ecumenical Fackre believes that the two constituencies have much to learn from one another so he here takes up topics and persons from the vantage point of evangelical ecumenical convergence His distinctions definitions connections and insights in this volume will engage evangelicals and ecumenicals alike Fackre concludes his discussion with a discerning examination of two representative figures looking at Carl Henry from an ecumenical perspective and at David Tracy from an evangelical perspective BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

The Scandal of the Evangelical Mind Mark A. Noll, 2022-03-15 Winner of the Christianity Today Book of the Year Award 1995 The scandal of the evangelical mind is that there is not much of an evangelical mind So begins this award winning intellectual history and critique of the evangelical movement by one of evangelicalism s most respected historians Unsparing in his indictment Mark Noll asks why the largest single group of religious Americans who enjoy increasing wealth status and political influence have contributed so little to rigorous intellectual scholarship While nourishing believers in the simple truths of the gospel why have so many evangelicals failed to sustain a serious intellectual life and abandoned the universities the arts and other realms of high culture Over twenty five years since its original publication *The Scandal of the Evangelical Mind* has turned out to be prescient and perennially relevant In a new preface Noll lays out his ongoing personal frustrations with this situation and in a new afterword he assesses the state of the scandal showing how white evangelicals embrace of Trumpism their deepening distrust of science and their frequent forays into conspiratorial thinking have coexisted with surprisingly robust scholarship from many with strong evangelical connections

The Christian Faith Carl E. Braaten, 2020-05-29 This single volume of dogmatics is an introduction to the Christian faith as such written from an intentionally ecumenical perspective Although this book is written by a Lutheran its aim is to draw from the deep wells of the Christian tradition its creeds and confessions common to all denominations Denominational dogmatics tends to define and defend the teachings of the Christian faith from the perspective of a particular church in distinction from others Ecumenical dogmatics is a relatively new attempt to focus on the beliefs and teachings fundamental to all communities that call themselves Christian Such a project aims to be more irenic than polemical intent on seeking and serving reconciliation and unity in Christ The trinitarian and christological confessions of the first five centuries are foundational for all Eastern Orthodox Roman Catholic and Protestant Reformation churches and despite all their subsequent differences and divisions are quintessential in their journey toward reconciliation and reunion These ancient creeds also suggest the appropriate outline for the organization of the contents of dogmatics even today following the works of the triune God creation redemption and sanctification

Christology in Context Gabriel

Fackre, 2006-07-05 *Christology In Context* the newest volume in Gabriel Fackre's long standing Christian Story relates the classical teaching about Christ to present day issues that preachers teachers and believers face religious pluralism evangelism the place of angels the problem of evil and more Drawing together reflections on Christology from throughout his life Fackre moves from specific responses to church ministry and parishioners questions through evangelical and ecumenical perspectives to concluding chapters on Christ's life death and resurrection His *Christology in Context* solidly locates the incarnation and the atonement within the overarching biblical narrative in a way that will assist those who tell the story of Christ whether from pulpit study or sidewalk Praise for previous volumes of *The Christian Story A Pastoral Systematics* *The Christian Story* should be a welcome relief to those who are weary of rationalistic theology The people who will welcome it are intuitive thinkers who up to now have not had a theology written for them Robert Webber Gabriel Fackre is a good theologian and an excellent storyteller at the same time His narrative interpretation of basic Christian doctrine is a fascinating adventure in Christian doctrine and Christian life Jürgen Moltmann A penetrating and illuminating study by a respected ecumenical theologian While pioneering and innovative this work nevertheless stands in unmistakable continuity with the basic insights of the Reformation and the apostolic tradition Donald Bloesch [Ecumenical Directions in the United States Today](#) Antonios Kireopoulos, Juliana Mecera, 2012 *Ecumenical Directions in the United States Today* gathers in one place the key presentations from the historic fiftieth anniversary conference of the Faith and Order Commission of the National Council of Churches USA which study the commission's past and present and offer a vision for ecumenism's future In addition to documenting an historic ecumenical event these essays Offer theological and methodological direction for current and future ecumenical work Provide thoughtful reflections by younger theologians At a time when evangelical involvement in the ecumenical movement is changing this book features four evangelical authors and essays about evangelical involvement in the ecumenical movement Additionally it collects essays ranging from Lutheran Methodist and United Church of Christ authors to Episcopal Orthodox and Catholic authors Under one title it presents an authentic picture of the diversity present in the ecumenical movement today Book jacket [Evangelical and African Pentecostal Unity](#) Hugh Osgood, 2024-04-18 As the millennium approached the number of independent African Pentecostal churches in Britain increased rapidly Having assimilated classical Pentecostalism and the charismatic movement and having begun to find ways of working with the Caribbean Pentecostal denominations it remained to be seen how UK evangelicalism would fare with African Pentecostals This book looks at the intricacies of the relationship at a time that provided ample opportunities to weigh the benefits and challenges of integration from every possible angle **Christ Jesus, the True Israel** Brent E. Parker, 2024-01-11 What is the relationship between the nation of Israel Jesus Christ and the church Pastors and theologians come to significantly different conclusions The reigning systems of evangelical theology covenant theology and dispensationalism answer this question by stressing the continuity of the Israel church relationship covenant theology or

emphasizing discontinuity dispensationalism In more recent times progressive covenantalism has emerged as a via media between these two theological approaches by providing a different proposal for unpacking the biblical covenants and by highlighting that to rightly understand the people of God in biblical theology the person of Jesus Christ must be the focal point In Christ Jesus the True Israel Brent E Parker presents the case for the importance of typology in this debate arguing that national Israel is a type not unlike other Old Testament types e g the sacrificial system the temple etc that reaches its antitypical fulfillment in Jesus Christ Moreover the Israel church relationship is also typological but only through Christ Parker demonstrates that the progressive covenantal approach is a viable system of theology that seeks to preserve what the whole Bible says regarding the people of God from Israel to Christ and from Christ to the church God as Loving Grace Barry L. Callen, 2018-06-27 This work impressively documented avoids fruitless speculation and gets down to the basics of the Christian faith In a clear writing style the author powerfully articulates the unique activity of Father Son and Holy Spirit and shows how the work of each complements the other Dr Kenneth Kinghorn Dean of the School of Theology Asbury Theological Seminary Focus is all important This book biblical throughout proceeds from the perspective of God's loving grace and maintains this perspective as the whole revelation of God is unfolded in its light The Trinity is rightly honored as this theology interacts helpfully with many other theological views and clarifies anew much that traditionally has been valued This is fresh material that serves the church fruitfully and also speaks meaningfully to contemporary culture exactly what good theology should do Rev Dr James Earl Massey Dean Emeritus Anderson University School of Theology **Recovering Classic Evangelicalism** Gregory Alan Thornbury, 2013-03-31 Once upon a time evangelicalism was a countercultural upstart movement Positioned in between mainline denominational liberalism and reactionary fundamentalism evangelicals saw themselves as evangelists to all of culture Billy Graham was reaching the masses with his Crusades Francis Schaeffer was reaching artists and university students at L Abri Larry Norman was recording Jesus music on secular record labels and touring with Janis Joplin and the Doors and Carl F H Henry was reaching the intellectuals through Christianity Today It was the dawn of classic evangelicalism Surveying the current evangelical landscape however one gets the feeling that we're backpedaling quickly We are more theologically diffuse culturally gun shy and fragmented than ever before What has happened And how do we find our way back Using the life and work of Carl F H Henry as a key to evangelicalism's past and a cipher for its future this book provides crucial insights for a renewed vision of the church's place in modern society and charts a refreshing course toward unity under the banner of classic evangelicalism **The Christian Story** Gabriel Fackre, 1996 An original work in systematic theology The Christian Story rises from and strives to be a resource to the life and witness of the church and its leadership In addition to covering the standard teachings of Christianity the doctrines of God creation the fall covenant Christ salvation church and consummation Volume 1 presents Fackre's introduction to systematic theology This revised third edition develops in more detail the doctrine of the Trinity takes up the issues of

religious pluralism and Jewish Christian dialogue and offers a perspective on angelology New appendices discuss inclusive language and describe the surge of writing in the field of systematic theology **The Doctrine of Revelation** Gabriel J. Fackre, 1997 This book ventures a new interpretation of revelation The author discusses the major themes in the narrative of revelation engaging critically with four of the century's giants in theology Karl Barth Paul Tillich Karl Rahner and Carl Henry These represent the four major phases in the narrative of revelation and Fackre addresses these alternative views in twentieth century theology through in depth inquiry and critical analysis The Doctrine of Revelation challenges reductionist views and strives for an ecumenical understanding that appropriates the insights from a variety of schools of thought

The Holy Spirit and the Church Thomas Hughson, 2019-10-28 Advancing strong scholarly discussion on the Holy Spirit and the church in the context of the ecumenical movement six theologians in five different churches offer new theological and pastoral insights into the work of the Holy Spirit in the churches of Christianity in ecumenism and in witness With The Church Towards a Common Vision World Council of Churches document serving as a common point of reference a pastoral perspective is distinctive throughout Relating theology to non theological knowledge of the contemporary cultural context as well as application to pastoral practice this book draws from and is applicable to clergy formation preaching lay discipleship church world relations social mission congregational life grass roots ecumenical cooperation and witness to Christ and the gospel by racial minorities **Donald G. Bloesch** Paul Maher, 2007 Donald G Bloesch is among the most important American theologians of the 20th and early 21st centuries He calls himself a catholic evangelical and indeed his appeal is as wide as those terms imply His work has appeared in Catholic religious periodicals as well as many varieties of Protestant publications both mainstream and lesser known As a prolific author Bloesch's writing is scattered across a large number of journals many of which are difficult to access and reviews of his work appear in an even larger range of forums Donald G Bloesch A Research Bibliography collocates as many relevant resources on Bloesch's writing as possible The book provides a chronological listing and description of each work written by Bloesch as well as reviews of Bloesch's writing Each entry gives the title publication details and notes about the relationship of the item described to other publications Several indexes are also included giving a checklist of books by Bloesch a checklist of books to which Bloesch has contributed and a list of book reviews that Bloesch has written about other authors Finally there is an alphabetical index of titles names and periodicals cited in the bibliography making this the most comprehensive resource available on Bloesch Revitalizing Theological Epistemology Steven B Sherman, 2010-03-25 In Revitalizing Theological Epistemology Steven B Sherman addresses questions about what evangelical theology ought to be doing in light of the changing cultural situation He wonders if the Christian faith should continue to be presented and defended mainly according to Enlightenment principles when growing criticism of modern thought is affecting virtually every discipline and if evangelicalism and its intellectual leaders ought to wait it out or whether they should re vision their theology This book is about contemporary evangelical approaches to the knowledge of

God considering and suggesting ways Christian philosophers and theologians envision and make use of theological knowledge in the postmodern context *Evangelical Truth* John Stott, 2012-07-14 John Stott's masterly distillation of sixty years reflection on Christian discipleship ranges over the history of the church and its formative teachings as well as the world wide church today He expounds the trinitarian character of the evangelical faith the gracious initiative of God the Father in revealing himself to us of Jesus Christ in redeeming us through the cross and of the indwelling Holy Spirit in transforming us This is why the three fold emphasis of evangelical faith is upon the Word of God the once for all nature of the work of Christ and the active continuing work of the Spirit This edition of *Evangelical Truth* contains *The Cape Town Commitment* a document produced by The Lausanne Movement faithfully reflecting the proceedings of The Third Lausanne Congress on World Evangelization *The Gospel and the Land of Promise* Tim Bulkeley, Tim Meadowcroft, Peter Walker, 2011-05-13 Today the land of promise is a spark in the tinder dry atmosphere of Middle Eastern affairs Events there continue to wield influence among peoples and in places well beyond the region itself This raises for Christians the acute theological problem of how to relate to the land of promise today and in light of the land of the Bible Our hope is that this volume of essays will contribute to a more informed and theologically coherent response to the Land of Promise It is offered here in the name of peace for all peoples in that place and among those who continue to look to her as a place of promise

Carl Henry—Theologian for All Seasons G. Wright Doyle, 2010-04-01 Carl F H Henry has been called the Dean of evangelical theologians and the premier theological representative of the evangelical movement in the last half of the twentieth century When his magnum opus *God Revelation and Authority* first appeared it was hailed as the most important work of evangelical theology in modern times *Carl Henry Theologian for All Seasons* not only introduces contemporary readers to Carl Henry the man but also demonstrates that his theology possesses striking relevance for our own situation We are introduced to his place in the complex mosaic of twentieth century theology his simple but sophisticated doctrine of revelation and his value for current discussions of a wide variety of issues Henry's reflections on hermeneutics philosophy and faith the nature of revelation and of God the social implications of Christianity and many other vital topics turn out to be as pertinent now as when they were written Not everyone agrees with Carl Henry's approach of course so this book features an extensive dialogue between Henry and his critics making the case that his thought has been incorrectly described as outmoded and that he offers clear guidance for twenty first century thinkers To make the wealth of material on the many topics in *God Revelation and Authority* more accessible the book includes a theological index a macro index and detailed outline of the entire six volumes *The Pentecostal Mission in Palestine* Eric Nelson Newberg, 2012-06-13 The Pentecostal mission in Palestine is a virtually unknown episode in the history of Pentecostalism Its story begins in 1906 at the Azusa Street Revival from which missionaries were sent to Palestine In its first thirty years the Pentecostal mission in Palestine gained a foothold in Jerusalem and expanded its reach into Jordan Syria and Iran It was severely tested and lost traction

during the tumultuous period of the Arab Revolts World War II and the Partition Crisis With the catastrophic war of 1948 the Pentecostal missionaries fled as their Arab clients were swept away in the Palestinian Diaspora After 1948 a valiant attempt was made to revive the mission but only with relative success Although the Pentecostal missionaries failed in their objective of converting Jews and Muslims they were eyewitnesses of the formative events of the Arab Israeli conflict Newberg argues that the Pentecostal missionaries functioned as brokers of Pentecostal Zionism He offers a postcolonial assessment of the Pentecostal missionaries crediting them for advocating philosemitism yet bringing them up short for disregarding the civil rights of Palestinian Arabs espousing Islamophobia and contributing to the forces working against peace in the Holy Land

A Charismatic Model of the Church David Y.T. Lee,2018-06-11 Edward Irving 1792 1834 has been known as a controversial pastor theologian in nineteenth century Britain particularly given his belief that Christ took on sinful flesh in His incarnation This book focuses on Irving s teaching of the church as the body of Christ in the power of the Holy Spirit and the eschatological community in holiness It explores Irving s emphasis upon the exalted humanity of Christ after His resurrection in relation to the church Such a Christ centred and Spirit empowered concept of the church has relevance to the twenty first century church in China as the Chinese church leaders attempt to reconstruct a contemporary theology of the church
