## **Emergency Sex And Other Desperate Measures:**

*Emergency Sex (and Other Desperate Measures)* by Kenneth Cain, Heidi Postlewait and Andrew Thomson Llewellyn Johns, 2006      **Emergency Sex (and Other Desperate Measures)** Kenneth Cain, Heidi Postlewait, Andrew Thomson, 2004

It's early 1990s and three young people working for the UN and Red Cross in Cambodia become friends in the heady atmosphere of the country's first democratic elections. All of them have been attracted to peace keeping in countries both dangerous and alluring for different reasons. Heidi is in need of a challenge and a pay cheque. Ken is full of idealism and Andrew strives to create a better world through his work as a doctor. As the Cold War ends and the New World Order dawns, the three become friends for life. But their journey through a violent decade from Rwanda and Bosnia to Somalia and Haiti challenges their lives and personalities, leaving them utterly changed, both broken and enriched. In this powerful, devastatingly honest memoir, Andrew, Heidi and Ken mingle their distinct voices to paint a searing portrait of life amidst war and genocide, whilst giving eye witness accounts of the thousands of lives that have been destroyed in countries such as Rwanda by the inactivity and greed of the West. Back cover      **Emergency Sex and Other Desperate Measures** Kenneth Cain, Heidi Postlewait, Andrew Thomson, 2004-06-09

This is a true story about three friends trying to bring a bit of decency to some of the most savage and indecent spots on our planet. Back cover      *Emergency Sex (And Other Desperate Measures)* Andrew Thomson, Heidi Postlewait, Kenneth Cain, 2011-05-31

What it's really like on the frontline of humanitarian aid. It's the early 1990s and three young people are looking to change their lives and perhaps also the world. Attracted to the ambitious global peacekeeping work of the UN, Andrew, Ken and Heidi's paths cross in Cambodia from where their fates are to become inextricably bound. Over the coming years, their stories interweave through countries such as Rwanda, Bosnia, Somalia and Haiti, war-torn lawless places where the intervention of the UN is needed like nowhere else. Driven by idealism, the three struggle to do the best they can, caught up in an increasingly tangled web of bureaucracy and ineffectual leadership. As disillusionment sets in, they attempt to keep hold of their humanity through black humour, revelry and emergency sex. Brutal and moving in equal measure, *Emergency Sex And Other Desperate Measures* explores pressing global issues while never losing a sense of the personal. Deeply critical of the West's indifference to developing countries and the UN's repeated failure to intervene decisively, the book provoked massive controversy on its initial publication. Kofi Annan called for the book to be banned and debate was sparked about the future direction of the UN. Brilliantly written and mordantly funny, it is a book that continues to make waves.      *The International Struggle Over Iraq* David M. Malone, 2007

Iraq has dominated headlines in recent years, but its controversial role in international affairs goes back much further. Drawing on unparalleled access to UN insiders, this book is key to understanding one of the most persistent crises in international affairs and the various roles the world's central peace-making forum has played in it. **Representing Genocide** Rebecca Jinks,2016-06-02 This book explores the diverse ways in which Holocaust representations have influenced and structured how other genocides are understood and represented in the West Rebecca Jinks focuses in particular on the canonical 20th century cases of genocide Armenia Cambodia Bosnia and Rwanda Using literature film photography and memorialisation she demonstrates that we can only understand the Holocaust s status as a benchmark for other genocides if we look at the deeper structural resonances which subtly shape many representations of genocide Representing Genocide pursues five thematic areas in turn how genocides are recognised as such by western publics the representation of the origins and perpetrators of genocide how western witnesses represent genocide representations of the aftermath of genocide and western responses to genocide Throughout the book distinguishes between mainstream and other more nuanced and engaged representations of genocide It shows how these mainstream representations the majority largely replicate the representational framework of the Holocaust including the way in which mainstream Holocaust representations resist recognising the rationality instrumentality and normality of genocide preferring instead to present it as an aberrant exceptional event in human society By contrast the more engaged representations often but not always originating from those who experienced genocide tend to revolve around precisely genocide s ordinariness and the structures and situations common to human society which contribute to and become involved in the violence **The**

**Sex, Love and Money in Cambodia** Heidi Hoefinger, 2013-07-04 Dealing with the complex and discomforting grey area where sex love and money collide this book highlights the general materiality of everyday sex that takes place in all relationships In doing so it draws attention to and destigmatizes the transactional elements within many normative partnerships be they transnational inter ethnic or otherwise Focusing on Cambodia and on a subculture of young women employed in the tourist bar scene referred to as professional girlfriends the book shows that the resulting transnational relationships between Cambodian women and their foreign partners are complex and multi layered It argues that the sex for cash prostitution framework is no longer an appropriate model of analysis Instead a new vocabulary of professional girlfriends and transactional sex is used with which the nuanced complexities of these transnational partnerships are analysed Interdisciplinary in nature the book inspires new understandings of gender power sex love desire political economy and materiality within everyday relationships around the globe It is a useful contribution for students and scholars of Anthropology Sociology Southeast Asian Studies Gender and Sexuality Studies and Cultural Studies

The United Nations in the Twenty-first Century Marcus F. Franda, 2006 The United Nations is confronting a severe crisis at the beginning of the twenty first century Its capabilities have been called into question amid a rash of recent scandals and charges of leadership mismanagement bureaucratic ineptitude and corrupt activities Current world opinion seems to express elevated concern about the organization s ability to deal with the complexity of international relations in the new millennium Despite six decades of survival its membership still appears unable to maintain a consistent focus or set of practices to pursue common goals The United Nations in the Twenty First Century analyzes the significance of the many forces and events affecting the UN s efforts at reform It provides a detailed examination of these processes for all of the major UN organs and agencies including chapters on the Secretaries

General the Secretariat the General Assembly the Security Council and ECOSOC The chapters on the Secretaries General are the only detailed discussion that compares contrasts and evaluates the tenures of the seven people who have headed the UN The book s concluding chapters focus on Kofi Annan s reform agenda as it relates to previous UN reform experiences and assess the future impact of recent UN related scandals and charges of mismanagement
