Hank Lim

Emerging North-south Divide East Asia:

The Emerging North-south Divide in East Asia Hank Lim, 2004 This book is a comprehensive analysis of major elements of change in East Asia which will have an impact on the political outlook and regional cooperation in economics and security By taking a close look at these substantive issues and elements the book will help readers to relate to the issues concerning the ASEAN economic community such as the ASEAN China free trade area FTA as well as the FTA between ASEAN and Japan It also examines other bilateral efforts currently undertaken by many East Asian countries The book stresses the need not only for domestic restructuring but also for closer cooperation which will lead to greater sustainable and dynamic growth for regions of East Asia

Asia Alone Simon S. C. Tay, 2010-12-01 An insightful examination of the changing relationship between Asia and the United States In this lucidly written and thought provoking book author Simon Tay highlights the accelerating trends that point to Asia increasingly forging its own path independent of the United States He also describes the fundamental changes and new policy directions needed to maintain and strengthen the bonds between Asia and the United States that have been beneficial to both since the end of the Second World War On the eve of the global financial crisis of 2008 the economies of the United States and its Asian partners were deeply interdependent But the different approaches taken to the crisis by Asian and Western leaders point to a new separation that may have negative consequences for the economies and businesses of both regions To avoid a dangerous divide that may make us all the poorer Tay reveals what leaders policy makers companies and citizens can do to find a balance that enriches us all Written by a leading public intellectual CNN's Fareed Zakaria describes as one of the most intelligent and reliable guides to the region Touches on major issues in foreign policy and economics that will impact Asian nations and the United States over the near future Explains the changing nature of economic relations in the global economy For foreign policy followers politicians and businesspeople *Asia Alone* charts a path forward together
