## Emily Sticky Notes:

*Emily the Strange Stick it Notes* Cosmic Debris Etc Inc, 2003-10-31      Emily's Best Birthday Party Ever! Mary J. Nestor, 2014-03-10 Emily's birthday has finally arrived and she's so excited. She's having a party with all her friends complete with a special magic castle cake and a sparkly welcome walkway to greet her friends. She's even having a famous children's TV show magician to entertain her friends. At least that's what was planned. But a morning rainstorm soon washes away the hopes of the best birthday party ever, leaving Emily to fear it is going to be the worst. Emily's mom helps her through the disappointment by sharing all the fun things she did at her birthday parties when she was a little girl. Through resourcefulness, a few found objects, and a little creative thinking from their Imagination Inspiration hats, Emily's mom helps Emily see that even though things don't work out the way you planned, you can have a lot of fun and excitement by trying new things and experiences. Skeptical at first, Emily is drawn into the excitement and fun of some old-fashioned children's games and a homemade birthday cake. Her dad, her little brother, and even their dog Barky get swept into the growing excitement, and her friends agree that her party was the best birthday party ever. *Emily's Best Birthday Party Ever* is a delightful story about children and parents who love and support each other through life's ups and downs. It deals with the fact that things don't always work out as planned, but with a little resourcefulness, creative thinking, and trust, there is a solution to any problem. It's a story about parents letting children go through the painful process of disappointment and helping them work through it to find creative solutions. It shows how sharing family traditions like the mom's birthday party games are important to preserving culture and the simple pleasures of years gone by. It's a story of how a family supports each other by working together. The book includes instructions for all of Emily's party games, the Imagination Inspiration hats, and her special three-layer birthday cake, so you can have a party just like hers and share in the fun. The games are fun for kids of all ages. Even grown-ups can have fun playing the games they enjoyed as children. As for Auntie Anna, you'll have to supply your own fun-loving relative or family friend who can add a special type of excitement to any party.      **Unwrapping Her Italian Doc** Carol Marinelli, 2014-11-01 The ultimate Christmas present. Louise Carter is a midwife on a mission to have the best Christmas ever. It's been a difficult year, but stealing a kiss under the mistletoe from gorgeous Italian obstetrician Anton Rossi will make sure it ends on a high. Anton is all about control, but around Louise, he feels totally powerless. All he wants to do is kiss her smart mouth senseless with chemistry. This hot who needs mistletoe anyway? And he certainly won't be stopping with just one kiss.      **The Strength Switch** Lea Waters, 2017-07-11 Unlock your children's potential by helping them build their strengths. This game-changing book shows us the extraordinary results of focusing on our children's strengths rather than always trying to correct their weaknesses. Most parents struggle with this shift because they suffer from a negativity bias thanks to evolutionary development giving them strengths blindness. By showing us how to throw the strengths switch, Lea Waters demonstrates how we can not only help our children build resilience, optimism, and achievement, but we can also help

inoculate them against today's pandemic of depression and anxiety. As a strengths-based scientist for more than twenty years, ten of them spent focusing on strengths-based parenting. Waters has seen how this approach enhances self-esteem and energy in both children and teenagers. Yet more on the plus side, parents find it a particularly exciting and rewarding way to raise children. With many suggestions for specific ways to interact with your kids, Waters demonstrates how to discover strengths and talents in our children, how to use positive emotions as a resource, how to build strong brains, and even how to deal with problem behaviors and talk about difficult situations and emotions. As revolutionary yet simple as *Mindset* and *Grit*, *The Strength Switch* will show parents how a small shift can yield enormous results.      Midterms and Moonlight Adrian Colle, 2025-08-22 Emily thought college would be about textbooks, dorm drama, and trying to survive Biology 103. She never expected Ryan, the quiet guy in the back row, who suddenly makes every lecture feel different. What starts with coffee-fueled study sessions and sarcastic jokes quickly turns into late-night talks, riverside adventures, and sparks neither of them can ignore. Every moment feels like it could be the start of something bigger, but finals are looming, summer break is coming, and love doesn't come with a syllabus. Is what they're building just a passing crush or the beginning of something real? Perfect for readers who love slow-burn, sweet but irresistible romance. College love stories that feel real and heartwarming. First loves full of butterflies, laughter, and chemistry. Coming-of-age romance with humor, adventure, and heart. Fans of Stephanie Perkins, Colleen Hoover's sweet moments, or Elle Kennedy's college settings will love this tender, funny, and emotional story of two students finding love in unexpected places. My first Romance book, please enjoy and leave a review.      Bully Me to Sleep Tyrone Neal, 2019-11-01 *Bully Me to Sleep* by Tyrone Neal      *Crushing It* Erin Becker, 2025-05-06 From debut author Erin Becker comes an action-packed but tender novel about first romance, queer identity, and learning how to be brave when it matters the most. On the soccer field, Magic Mel is in her element. She's ready to lead her team to victory at the city championship in her new role as captain. Off the field, however, is a totally different story. Mel can't get a handle on her class presentation, her friend group has completely dissolved, and her ex-friend/current teammate Tory is being the worst. The only place she feels like herself is in her text conversations where she shares her secret poetry with BTtoYouPlease. Tory McNally, on the other hand, is keeping everything together. Thank you very much. So what if her mom is more preoccupied with her craft projects and new husband than her, or that she's down to one IRL friend because of annoying, overly peppy Magic Mel? She's perfectly fine, and even when she maybe isn't, she's got NotEmilyD to text with. As the championships loom closer, everything around Mel and Tory starts to get more and more complicated. The dynamics on the field, the rift between their friend group, and as they connect anonymously online, maybe even their feelings for each other.      **The Chalk Artist** Allegra Goodman, 2017-06-13 A tender affair and the redemptive power of art are at the core of this compelling novel from National Book Award finalist Allegra Goodman, a romantic realist who dazzles with wit and compassion. *The Wall Street Journal*. Collin James is young, creative, and unhappy. A college dropout, he waits tables and spends his free time beautifying the streets of

Cambridge Massachusetts with his medium of choice chalk Collin's art captivates passersby with its vibrant colors and intricate lines until the moment he wipes it all away Nothing in Collin's life is meant to last Then he meets Nina The daughter of a tech mogul who is revolutionizing virtual reality Nina Lazare is trying to give back as a high school teacher but her students won't listen to her When Collin enters her world he inspires her to think bigger Nina wants to return the favor even if it means losing him Against this poignant backdrop Allegra Goodman paints a tableau of students neighbors and colleagues Diana a teenage girl trying to make herself invisible her twin brother Aidan who's addicted to the games produced by Nina's father and Daphne a viral marketing trickster who unites them all for better or worse Wise warm and enchanting The Chalk Artist is both a finely rendered portrait of modern love and a celebration of all the realms we inhabit real and imagined visual and virtual seemingly independent yet hopelessly tangled Praise for The Chalk Artist The virtual world Goodman conjures is as feverishly vivid as it is mysterious and alluring Not since I pushed my way through C S Lewis's fusty mothballed wardrobe and stepped out into the frozen pine scented forests of Narnia can I remember being so effectively transported into a viscerally sometimes terrifyingly plausible alternate universe This is a novel full of wit and spark Irresistible and arresting The New York Times Book Review Enjoyably sharp dialogue and convincing portraits of multiple mindsets and terrains One can't help but marvel at how Goodman has captured the atmosphere of this virtual fantasy land so effectively in words NPR Mesmerizing depictions of virtual reality landscapes of Neverwhen and Underworld make the games dangerous power over one of Nina's students very real People Goodman's latest combines fantastical flourishes an imagined video game called Underworld and realistic Cambridge details in a narrative about art and ambition The Boston Globe Allegra Goodman creates suspense where you might least expect to find it The Atlantic
