Language, Gender, and Cultural Tropes

ELIZABETH A. FAY

Eminent Rhetoric

David Jayne Hill

Eminent Rhetoric:

Eminent Rhetoric Elizabeth A. Fay, 1994-06-20 Examines the unacknowledged political uses of language in modern culture that cause power imbalances among speakers and listeners especially women

Encyclopedia of Rhetoric and Composition Theresa Enos, 2013-10-08 First Published in 1996 Routledge is an imprint of Taylor Francis an informal company

Sourcebook on Rhetoric, *The History and Theory of Rhetoric* James A. Herrick, 2020-12-29 By tracing the traditional progression of rhetoric from the Greek Sophists to contemporary theorists this textbook gives students a conceptual framework for evaluating and practicing persuasive writing and speaking in a wide range of settings and in both written and visual media The book's expansive historical purview illustrates how persuasive public discourse performs essential social functions and shapes our daily worlds drawing on the ideas of some of history's greatest thinkers and theorists The seventh edition includes greater attention to non Western rhetorics feminist rhetorics the rhetoric of science and European and American critical theory Known for its clear writing style and contemporary examples throughout *The History and Theory of Rhetoric* emphasizes the relevance of rhetoric to today's students This revised edition serves as a core textbook for rhetoric courses in both English and communication programs covering both the historical tradition of rhetoric and contemporary rhetoric studies This edition includes an instructor's manual and practice quizzes for students at www.routledge.com/cw/herrick

Sourcebook on Rhetoric James Jasinski, 2001-07-19 This book is designed to introduce readers to the language of contemporary rhetorical studies The book format is an alphabetized glossary with appropriate cross listings of key terms and concepts in contemporary rhetorical studies An introductory chapter outlines the definitional ambiguities of the central concept of rhetoric itself The primary emphasis is on the contemporary tradition of rhetorical studies as it has emerged in the discipline of speech communication Each entry in the glossary ranges in length from a few paragraphs to a short essay of a few pages Where appropriate examples are provided to further illustrate the term or concept Each entry will be accompanied by a list of references and additional readings to direct the reader to other materials of possible interest

The History and Theory of Rhetoric Luke Winslow, James A. Herrick, 2025-08-19 By tracing the traditional progression of rhetoric from the Greek Sophists to contemporary theorists this updated eighth edition gives students a conceptual framework for evaluating and practicing persuasive writing and speaking in a wide range of settings including written visual and digital media Through an expansive historical purview the book illustrates how persuasive public discourse performs essential social functions and shapes our societies drawing on the ideas of many of history's greatest thinkers and theorists This new edition includes an integrated exploration of non Western rhetorics an updated account of contemporary rhetoric and an enhanced analysis of rhetorical theory in a digital age Known for its clear writing style and contemporary examples throughout *The History and Theory of Rhetoric* emphasizes the relevance of rhetoric to today's students This revised edition serves as a core textbook for rhetoric courses in both English and communication programs

covering both the historical tradition of rhetoric and contemporary rhetoric studies A suite of online resources including a detailed instructor s manual PowerPoint slides and videos from Dr Winslow can be found on the Instructor and Student Resources website at www.routledgelearning.com/historyofrhetoric **Rhetorics and Hermeneutics** James D.

Hester,David Hester,2004-01-01 This collection of essays provides original studies of various New Testament texts read through the eyes of rhetorical criticism as well as a tribute to the continuing influence of Wilhelm Wuellner and his work

Reason and Rhetoric in the Philosophy of Hobbes Quentin Skinner,1996-02-22 An outstanding new interpretation of Hobbes one of the most difficult and challenging of political philosophers *Forms of Love and Appreciation* Ismael Tabunara Fortunado,2022-04-29 Come to think of it what is love How do we show it What are the types What are the forms Love is an abstract and it can also be physical It comes in degrees The author gathered facts opinions analyses researches quotes passages and stories and gave an overview It comes to show that it has forms It is defined in a clear way You may not realize it but you are in love It may be based on your character It may be because it is hard to ignore it we are so lovable From worship or love of God to romantic love I hope that this answers your questions in the best way Explore love with me

Margaret Fuller : An American Romantic Life Volume 1: The Private Years Chapel Hill Charles Capper Associate Professor of History University of North Carolina,1992-09-11 With this first volume of a two part biography of the Transcendentalist critic and feminist leader Margaret Fuller Capper has launched the premier modern biography of early America s best known intellectual woman Based on a thorough examination of all the first hand sources many of them never before used this volume is filled with original portraits of Fuller s numerous friends and colleagues and the influential movements that enveloped them Writing with a strong narrative sweep Capper focuses on the central problem of Fuller s life her identity as a female intellectual and presents the first biography of Fuller to do full justice to its engrossing subject This first volume chronicles Fuller s private years her gradual tangled but fascinating emergence out of the private life of family study Boston Cambridge socializing and anonymous magazine writing to the beginnings of her rebirth as antebellum America s female prophet critic Capper s biography is at once an evocative portrayal of an extraordinary woman and a comprehensive study of an avant garde American intellectual type at the beginning of its first creation *Between Pagan and Christian* Christopher P. Jones,2014-03-31 Who and what was pagan depended on the outlook of the observer as Christopher Jones shows in this fresh and penetrating analysis Treating paganism as a historical construct rather than a fixed entity Between Pagan and Christian uncovers the fluid ideas rituals and beliefs that Christians and pagans shared in Late Antiquity

Rhetoric and Galatians Philip H. Kern,1998-12-03 This monograph challenges the accepted notion that Galatians is either a sample of classical rhetoric or should be interpreted in light of Graeco Roman rhetorical handbooks It demonstrates that the handbooks of Aristotle Cicero et al discuss a form of oratory which was limited with respect to subject venue and style of communication and that Galatians falls outside such boundaries The inapplicability of ancient canons of rhetoric is reinforced

by a detailed comparison of Galatians with the handbooks a survey of patristic attitudes towards Paul's communicative technique and interaction with twentieth century discussions of the nature of New Testament Greek Dr Kern concludes that rhetorical handbooks were never a tool of literary criticism and that they cannot assist the search for a distinctly Pauline rhetoric Thus this study has implications not only for Galatians but also for other New Testament epistles

The Handbook of Organizational Rhetoric and Communication Oyvind Ihlen, Robert L. Heath, 2018-05-10 A one stop source for scholars and advanced students who want to get the latest and best overview and discussion of how organizations use rhetoric While the disciplinary study of rhetoric is alive and well there has been curiously little specific interest in the rhetoric of organizations This book seeks to remedy that omission It presents a research collection created by the insights of leading scholars on rhetoric and organizations while discussing state of the art insights from disciplines that have and will continue to use rhetoric Beginning with an introduction to the topic The Handbook of Organizational Rhetoric and Communication offers coverage of the foundations and macro contexts of rhetoric as well as its use in organizational communication public relations marketing management and organization theory It then looks at intellectual and moral foundations without which rhetoric could not have occurred discussing key concepts in rhetorical theory The book then goes on to analyze the processes of rhetoric and the challenges and strategies involved A section is also devoted to discussing rhetorical areas or genres namely contextual application of rhetoric and the challenges that arise such as strategic issues for management and corporate social responsibility The final part seeks to answer questions about the book's contribution to the understanding of organizational rhetoric It also examines what perspectives are lacking and what the future might hold for the study of organizational rhetoric Examines the advantages and perils of organizations that seek to project their voices in order to shape society to their benefits Contains chapters working in the tradition of rhetorical criticism that ask whether organizations rhetorical strategies have fulfilled their organizational and societal value Discusses the importance of obvious traditional nuanced and critically valued strategies such as rhetorical interaction in ways that benefit discourse Explores the potential risks paradoxes and requirements of engagement Reflects the views of a team of scholars from across the globe Features contributions from organization centered fields such as organizational communication public relations marketing management and organization theory The Handbook of Organizational Rhetoric and Communication will be an ideal resource for advanced undergraduate students graduate students and scholars studying organizational communications public relations management and rhetoric

The Science of Rhetoric David Jayne Hill, 1877

A Cyclopedia of Education Paul Monroe, 1913

Judah's Desire and the Making of the Abrahamic Israel Hong Guk-Pyoung, 2024-07-01 In this refreshing exploration of Judah's identity formation the emphasis is placed on the psychological underpinnings of Judah's sentiments towards Israel aiming to illuminate the significance of Judah's appropriation of Israel Richly contextual this book draws parallels observed in Asian contexts notably those of North and South Korea and China with its marginal Others

Central to the thesis is that Judah's perceived inferiority to Israel played a crucial role in its quest to appropriate Israel's legacy and identity. Adopting a functionalist lens, Judah's rewriting of Israel's ancestral past is examined. The Abraham and Jacob traditions are understood as competing identity narratives serving as critical discursive tools to construct their pasts. The study scrutinizes how the southern Abraham tradition fundamentally reoriented the Jacob tradition. North Israel's standalone ancestral myth, set against the broader canvas of continued efforts to redefine and embody Israel within the history of Judeo-Christian religions, this exploration underscores how Judah's pivotal appropriation of Israel has established a paradigm for all future endeavors of becoming Israel.

The Invention of Judaism John J. Collins, 2017-02-21. Judaism is often understood as the way of life defined by the Torah of Moses, but it was not always so. This book identifies key moments in the rise of the Torah, beginning with the formation of Deuteronomy, advancing through the reform of Ezra, the impact of the suppression of the Torah by Antiochus Epiphanes, and the consequent Maccabean revolt, and the rise of Jewish sectarianism. It also discusses variant forms of Judaism, some of which are not Torah-centered, and others which construe the Torah through the lenses of Hellenistic culture or through higher apocalyptic revelation. It concludes with the critique of the Torah in the writings of Paul. Provided by publisher.

New Nation-States and National Minorities Julien Danero Iglesias, Nenad Stojanović, Sharon Weinblum, 2013-03-01. The twentieth century saw the emergence of new states shaped on the classic nation-state model. How has this model been moulded and implemented? What have been the implications for minorities in these new nation-states? And how have minorities responded to nationalising processes? Following a discussion by Rogers Brubaker of his concept of nationalising states, contributions to this volume examine the dynamic relations between national minorities and nation-states established in the course of the last century, including Ukraine, Moldova, Turkey, Malaysia, and Israel. This book's original theoretical framework and comparative approach offer a new understanding of the complex interactions between the formulation of a state identity and the aspirations of those who do not fit in the proclaimed core nation. In light of recent developments in notably Ukraine and Israel, this book is essential reading for all those interested in the rights and protection of national minorities and more broadly in the debates over the definition of the polity in a tense environment.

The Art of Rhetoric Aristotle, 2018-04-13. For all men are persuaded by considerations of where their interest lies. Aristotle's *Art of Rhetoric* is the earliest systematic treatment of the subject, and it remains among the most incisive works on rhetoric that we possess. In it, we are asked: What is a good speech? What do popular audiences find persuasive? How does one compose a persuasive speech? Aristotle considers these questions in the context of the ancient Greek democratic city-state, in which large audiences of ordinary citizens listened to speeches pro and con before casting the votes that made the laws, decided the policies, and settled the cases in court. Persuasion by means of the spoken word was the vehicle for conducting politics and administering the law. After stating the basic principles of persuasive speech, Aristotle places rhetoric in relation to allied fields such as politics, ethics, psychology, and logic, and he demonstrates how to construct a persuasive

case for any kind of plea on any subject of communal concern Aristotle views persuasion flexibly examining how speakers should devise arguments evoke emotions and demonstrate their own credibility The treatise provides ample evidence of Aristotle s unique and brilliant manner of thinking and has had a profound influence on later attempts to understand what makes speech persuasive The new translation of the text is accompanied by an introduction discussing the political philosophical and rhetorical background to Aristotle s treatise as well as the composition and transmission of the original text and an account of Aristotle s life

White Horizon Jen Hill, 2009-01-08 Bridging historical and literary studies White Horizon explores the importance of the Arctic to British understandings of masculine identity the nation and the rapidly expanding British Empire in the nineteenth century Well before Coleridge s *Ancient Mariner* and Mary Shelley s *Frankenstein* polar space had come to represent the limit of both empire and human experience Using a variety of texts from explorers accounts to boys adventure fiction as well as provocative and fresh readings of the works of Mary Shelley Charlotte Bront Charles Dickens and Wilkie Collins Jen Hill illustrates the function of Arctic space in the nineteenth century British social imagination arguing that the desolate north was imagined as a pure space a conveniently blank page on which to write narratives of Arctic exploration that both furthered and critiqued British imperialism

The Enigmatic Realm of **Eminent Rhetoric**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary.
