Eminent Hungarians:

Eminent Hungarians Krisztián Nyáry, 2017-01-01 This book praises Hungarian heroes of earlier generations in the hope that it contributes to the raising of new cohorts of ordinary citizens who will perform extraordinary deeds of daily heroism of compassion and caring for others of standing up and speaking out against injustice and taking wise and effective action in support of humanity in all its forms The eleven heroes in this engaging book come from many backgrounds Some of them have acquired fame across the world like György Cziffra the pianist or László Papp three times Olympic champion in boxing and Ignác Semmelweis a 19th century pioneer in antiseptic procedures in medicine And there are a few who are little known even among their compatriots and have gained their deserved notoriety thanks to the highly popular Hungarian original of Nyáry's book The personalities include an oil explorer a writer a physician a translator a horse breeder a swimmer a colonel and a bishop One thing is common about all the eleven individuals they should serve as inspiring role models for everyone young and old men and women alike

Eminent Hungarians Ray Keenoy, 2004-01-15 Watch out there's a Hungarian about As this lighthearted look at the phenomenon of famous Hungarians shows this is a small nation that has always punched well above its weight playing a major role in innumerable fields including nuclear physics Teller and Szilárd modern music Bartók and Kurtág architecture Erno Goldfinger dance education Rudolf Laban globalization theory Imre Lakatos and retail cosmetics Estée Lauder As Hungary emerges from the rusty shadows of the Iron Curtain into the New Europe here's a chance to get acquainted with the new guys on the block Ray Keenoy focuses on the relevance of fifty great figures of science thought culture and action of today bringing out the enormous contribution of this small nation to the modern world for better the discovery of Vitamin C or worse the H bomb

The Greatest Jewish-American Lover in Hungarian History Michael Blumenthal, 2014-08-15 Etan Yogev had had no experience in bed and hardly any outside of it and it was not without a strong feeling of awkwardness and insecurity that he had first allowed Daphna Flinker to guide his somewhat ambivalent member into her own body and his lips against her lips She enjoyed it this teacherly role it had been a very long time since she had been able to practice the art of sexual instruction and there was something exciting and alluring about this all that innocence in a single place A humorous and heartrending portrait of expatriate life The Greatest Jewish American Lover in Hungarian History draws upon the hazards and confusions that occur when the Old World meets the New In venues as diverse as Israel Hungary Paris Cambridge and even Texas the stories portray life in an increasingly connected and globalized world Michael Blumenthal displays the erotic zest of Philip Roth and the grim humanism of Isaac Babel Michael Blumenthal formerly director of creative writing at Harvard graduated from the Cornell Law School with a JD degree in 1974 after studying philosophy and economics at the State University of New York at Binghamton His eighth book of poems No Hurry was published by Etruscan Press in 2012 He is currently a visiting professor of law at the West Virginia University College of Law

Hungarian Rhapsodies Richard Teleky, 2011-11-01 Like the renowned American writer Edmund Wilson who began to

learn Hungarian at the age of 65 Richard Teleky started his study of that difficult language as an adult Unlike Wilson he is a third generation Hungarian American with a strong desire to understand how his ethnic background has affected the course of his life Exploring my ethnicity he writes became a way of exploring the arbitrary nature of my own life It was not so much a search for roots as for a way of understanding rootlessness how I stacked up against another way of being He writes with clarity perception and humor about a subject of importance to many Americans reconciling their contemporary identity with a heritage from another country From an examination of photographer Andre Kertesz to a visit to a Hungarian American church in Cleveland from a consideration of stereotypical treatment of Hungarians in North American fiction and film to a description of the process of translating Hungarian poetry into English Teleky's interests are wide ranging he concludes with an account of his first visit to Hungary at the end of Soviet rule
