On Wisconsin Women Genevieve G. McBride, 1993 *On Wisconsin Women* traces the role women played in reform movements both in Wisconsin state politics and in its press. Women's news and opinions often appeared anonymously in abolitionist journals and other reform newspapers even before Wisconsin became a state in 1848. The first state newspaper published under a woman's name was boycotted and failed in 1853. But from the passage of the 14th amendment in 1866 to Wisconsin's ratification of the 19th amendment in 1919, women were never at a loss for words or a newspaper to print them. Women's news won a new respectability under feminine bylines and led to the historic victory for women's suffrage. McBride undertakes the task of considering feminist reform as a conceptual whole.

**A Christian in the Land of the Gods** Joanna Reed Shelton, 2016-01-05. In November 1877, three months after Emperor Meiji's conscript army of commoners defeated forces led by Japan's famous last samurai, the Reverend Tom Alexander and his new wife Emma arrived in Japan, a country where Christianity had been punishable by death until 1868. *A Christian in the Land of the Gods* offers an intimate view of hardships and challenges faced by nineteenth-century missionaries working to plant their faith in a country just emerging from two and a half centuries of self-imposed seclusion. The narrative takes place against the backdrop of wrenching change in Japan and Great Power jockeying for territory and influence in Asia as seen through the eyes of a Presbyterian missionary from East Tennessee. This true story of personal sacrifice, devotion to duty, and unwavering faith sheds new light on Protestant missionaries' work with Japan's leading democracy activists and the missionaries' role in helping transform Japan from a nation ruled by shoguns, hereditary lords, and samurai to a leading industrial powerhouse. It addresses universal themes of love, loss, and the enduring power of faith. The narrative also proves that one seemingly ordinary person can change lives more than he or she ever realizes.

**Rolf Boldrewood** De Serville, Paul, 1996-09-10. Rolf Boldrewood, T. A. Browne was one of the best-known novelists of nineteenth-century Australia. *Robbery Under Arms* brought him a national and an international audience. It became a household name and has remained in print since 1889. Boldrewood was the first novelist to create specifically Australian characters. He was one of the chief spokesmen for old pre-goldrush Australia, for pastoral Australia, and above all for conservative Australia. This biography attempts to uncover Boldrewood's ideas and to reveal the life of the man who was Boldrewood's alter ego, Thomas Alexander Browne, 1826-1915. Browne had three careers as a pioneer squatter, civil servant, and writer, and epitomised the pioneer colonist who experiences sudden reversals of fortune. Paul de Serville's research shows that he was not merely the sunny, hopeful, and genial man

portrayed in earlier studies but rather an impulsive extravagant at times thoughtless optimist whose Micawber like temperament enabled him to escape being crushed by his ill judged decisions Browne used his own life and experiences as raw material for his novels but his career was in many ways far grimmer than most of his fiction Report of Cases Argued and Determined in the Supreme Court of Alabama Alabama.
