Fuller,2013 A study of the profound influence of surrealism on the writer s craft **The Cinema of Alexander Sokurov** Jeremi Szaniawski,2014-02-04 One of the last representatives of a brand of serious high art cinema Alexander

Sokurov has produced a massive oeuvre exploring issues such as history power memory kinship death the human soul and the responsibility of the artist Through contextualization and close readings of each of his feature fiction films broaching many of his documentaries in the process this volume unearths a vision of Sokurov s films as equally mournful and passionate intellectual and sensual and also identifies in them a powerful if discursively repressed queer sensitivity alongside a pattern of tensions and paradoxes This book thus offers new keys to understand the lasting and ever renewed appeal of the Russian director s Janus like and surprisingly dynamic cinema a deeply original and complex body of work in dialogue with the past the present and the future The Cambridge Companion to 'Emma' Peter Sabor,2015-08-27 This essay collection by leading scholars provides a comprehensive guide to Jane Austen s Emma one of the greatest English novels **The Thomas Hardy Year Book** ,1989 *The Making of Her* Bernadette Jiwa,2022-08-09 Chosen as one of New York Post s Best Books of 2022 People were forever telling her how lucky she was But what did people know Dublin 1966 When Joan Quinn a factory girl from the Cranmore Estate marries Martin Egan it looks like her dreams have come true But Joan lives in the shadow of a secret the couple s decision to give up their first daughter for adoption only months before Then one day in 1996 a letter arrives from their eldest daughter Emma needs her birth parents help it s a matter of life and death And the fragile facade of Joan s life finally begins to crack Spanning the nineties and the sixties with Dublin as its backdrop *The Making of Her* is the tender and page turning story of marriage motherhood a culture that would not allow a woman to find true happiness and her journey to finally claim it *California Bones* Greg van Eekhout,2014-06-10 When Daniel Blackland was six he ingested his first bone fragment a bit of kraken spine plucked out of the sand during a visit with his demanding brilliant and powerful magician father Sebastian When Daniel was twelve he watched Sebastian die at the hands of the Hierarch of Southern California devoured for the heightened magic layered deep within his bones Now years later Daniel is a petty thief with a forged identity Hiding amid the crowds in Los Angeles the capital of the Kingdom of Southern California Daniel is trying to go straight But his crime boss uncle has a heist he wants Daniel to perform break into the Hierarch s storehouse of magical artifacts and retrieve Sebastian s sword an object of untold power For this dangerous mission Daniel will need a team he can rely on so he brings in his closest friends from his years in the criminal world There s Moth who can take a bullet and heal in mere minutes Jo Alverado illusionist The multitalented Cassandra Daniel s ex And new to them all the enigmatic knowledgeable Emma with her British accent and her own grudge against the powers that be The stakes are high and the stage is set for a showdown that might just break the magic that protects a long corrupt regime Extravagant and yet moving Greg van Eekhout s *California Bones* is an epic adventure set in a city of canals and secrets and casual brutality different from the world we know yet familiar and true At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Austentatious** Holly Luetkenhaus,Zoe Weinstein,2019-06-03 The amount of fan generated content about Jane Austen and her novels has long surpassed the author s original canon Adaptations like *Clueless*

Pride and Prejudice and Zombies Jane Austen's Fight Club and The Lizzie Bennet Diaries have given Austen fans priceless opportunities to enjoy the classic texts anew and continue to bring new and younger fans into the fold Now through online culture the amount and type of fan created works has exponentially multiplied in recent years Fans write stories create art make videos and craft memes all in homage to one of the most celebrated authors of all time This book explores online fan spaces in search of Janeites all over the world to discover what fans are making how fans are sharing their work and why it matters that so many women and nonbinary individuals find a haven not only in Jane Austen but also in Jane Austen fandom In relatable chapters based on firsthand experience the authors explore how Austen fandom has and continues to build communities around women people of color and the LGBTQ community Whether Janeites are shrewdly picking up on the latent sexual tension between women in Emma or casting people of color in leading roles Luetkenhaus and Weinstein argue that Austen fans are particularly adept at marrying fantasy and feminism The Dandelion Clock Rebecca Bryn, 2023-05-16

Families torn apart by the Great War Can promises be kept When war is declared in August 1914 Bill is plucking up his courage to ask his sweetheart Florrie to marry him Bill and Florrie's dreams are dashed when Bill is sent to fight in Gallipoli Egypt and Palestine taking with him a horse Copper volunteered for service by the 7th Duke's young daughter Lady Alice Bill makes promises before he leaves to marry Florrie and to bring his beloved warhorse home safe to Lady Alice While Bill fights Turks and Germans in appalling conditions Florrie fights her own war with rationing poverty the loss of her menfolk and her father's drunken temper As WW1 proceeds fearful and with her resilience faltering her feelings of self worth plummet and she turns to her dandelion clocks for reassurance He lives He lives not He loves me He loves me not When Bill returns to England six months after the armistice in November 1918 both he and Florrie have been changed by their personal journeys Has their love survived their wartime romances spending five years apart and the tragedies they've endured Can Bill keep his promises to Florrie and Lady Alice An insight into the military history of the 1914-1918 war as fought by the Royal Buckinghamshire Hussars and the Queen's Own Worcestershire Yeomanry some of the PALS brigades At first thought not real soldiers by the regular army the Royal Bucks and the Worcester Yeomanry fought with great courage and suffered huge losses In fact the Worcesters sustained more losses than any brigade in any war and the PALS earned the respect of all those who fought with them Although Military Fiction it is a story inspired by real people and based on real events that doesn't forget the role of strong women in the Great War or their need for a wartime romance love where they could find it Bryn is without doubt one of the best writers of historical fiction writing in English today In The Dandelion Clock you will not just read about the horrors of war you will live them in all their stark reality Frank Parker author of Called to Account She truly captured what it was like to be a soldier but also what it was like for loved ones left at home It is a story of courage of duty of heartbreak and of promises made not to be broken no matter what the emotional cost This book had me in tears in parts the writing so compelling It deserves to be read I strongly recommend Dragon Coast Greg van Eekhout, 2015-09-15 Dragon

Coast the sequel to Greg Van Eekhout's California Bones and Pacific Fire in which Daniel Blackland must pull off the most improbable theft of all Daniel's adopted son Sam made from the magical essence of the tyrannical Hierarchy of Southern California whom Daniel overthrew and killed is lost consumed by the great Pacific fire-drake secretly assembled by Daniel's half brother Paul But Sam is still alive and aware in magical form trapped inside the dragon as it rampages around Los Angeles periodically torching a neighborhood or two Daniel has a plan to rescue Sam It will involve the rarest of substances axis mundi pieces of the bones of the great dragon at the center of the Earth Daniel will have to go to the kingdom of Northern California boldly posing as his half brother come to claim his place in the competition to be appointed Lord High Osteomancer of the Northern Kingdom Only when the Northern Hierarchy in her throne room at Golden Gate Park raises her scepter to confirm Daniel in his position will he have an opportunity to steal the axis mundi under the gaze of the Hierarchy herself And that's just the first obstacle At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
