Neoliberalizing Spaces in the Philippines Arnisson Andre Ortega,2016-09-09 Amidst the recent global financial crisis and housing busts in various countries the Philippines booming housing industry has been heralded as Southeast Asia s hottest real estate hub and the saving grace of a supposedly resilient Philippine economy This growth has been fueled by demand from balikbayan returnee Overseas Filipinos and has facilitated the rise of gated suburban communities in Manila s sprawling peri urban fringe But as the Filipino dreams of successful balikbayans are built inside these new gated residential developments the lives of marginalized populations living in these spaces have been upended and thrown into turmoil as they face threats of expulsion Based on almost four years of research this book examines the tumultuous geographies of neoliberalization that link suburbanization transnational mobilities and accumulation by dispossession Through an accounting of real estate and new suburban landscapes it tells of a Filipino transnationalism that engenders a market based and privatized suburban political economy that reworks socio spatial relations and class dynamics In presenting the literal and discursive transformations of spaces in Manila s peri urban fringe the book details life inside new gated suburban communities and discusses the everyday geographies of privileged new property owners mainly comprised of balikbayan families and exposes the contradictions of gated suburban life from resistance to Home Owner Association rules to alienating feelings of loss It also reveals the darker side of the property boom by mapping the volatile spaces of the Philippines surplus populations comprised of the landless farmers informal settler residents and indigenous peoples To make way for gated

communities and other profitable developments in the peri urban region marginalized residents are systematically dispossessed and displaced while concomitantly offered relocation to isolated socialized housing projects the last frontier for real estate accumulation These compelling accounts illustrate how the territorial embeddedness of neoliberalization in the Philippines entails the consolidation of capital by political economic elites and privatization of residential space for an idealized transnational property clientele More than ever as the Philippines is being reshaped by diaspora and accumulation by dispossession the contemporary moment is a critical time to reflect on what it truly means to be a nation **Policing**

Patients Elizabeth Chiarello, 2024-09-17 A book that takes you inside the culture of surveillance that pits healthcare providers against their patients Doctors and pharmacists make critical decisions every day about whether to dispense opioids that alleviate pain but fuel addiction Faced with a drug crisis that has already claimed more than a million lives legislatures courts and policymakers have enlisted the help of technology in the hopes of curtailing prescriptions and preventing deaths This book reveals how this Trojan horse technology embeds the logics of surveillance in the practice of medicine forcing care providers to police their patients while undermining public trust and doing untold damage to those at risk Elizabeth Chiarello draws on hundreds of in depth interviews with physicians pharmacists and enforcement agents across the United States to take readers to the frontlines of the opioid crisis where medical providers must make difficult choices between treating and punishing the people in their care States now employ prescription drug monitoring programs capable of tracking all controlled substances within a state and across state lines Chiarello describes how the reliance on these databases blurs the line between medicine and criminal justice and pits pain sufferers against people with substance use disorders in a zero sum game Shedding critical light on this brave new world of healthcare Policing Patients urges medical providers to reaffirm their roles as healers and proposes invaluable policy solutions centered on treatment prevention and harm reduction

Unveiling the Darkness: Bribery, Fraud, and Political Deceit Pasquale De Marco, 2025-03-22 In the annals of American corporate scandals the Wedtech affair stands as a stark reminder of the devastating consequences of greed political influence and unchecked power This book takes readers on a gripping journey through the intricate web of bribery fraud and political deceit that brought down a corporate giant and tarnished the reputation of the Reagan administration At the heart of the Wedtech scandal was a company that rose from obscurity to become a symbol of American ingenuity and entrepreneurial success However behind the facade of prosperity lay a hidden world of corruption and malfeasance Company executives aided by powerful politicians engaged in a systematic scheme to defraud the government and enrich themselves Bribes were paid deals were rigged and the truth was systematically obscured The story of Wedtech is not merely a tale of corporate greed it is a cautionary narrative about the erosion of ethical values and the devastating impact of unchecked power The scandal exposed a web of political patronage influence peddling and backroom deals that reached the highest levels of government Politicians blinded by ambition and avarice turned a blind eye to the rampant corruption unfolding

before them As the scandal unraveled it triggered a public outcry and a congressional investigation that laid bare the shocking extent of the fraud and deception The fall of Wedtech executives and the resignation of prominent politicians sent shockwaves through the nation shattering the trust between the American people and their elected officials The Wedtech scandal serves as a stark reminder that corruption is not a relic of the past it is a persistent threat that can undermine the very foundations of our democracy It underscores the importance of ethical leadership strong corporate governance and the unwavering commitment to transparency and accountability This book is a meticulously researched and gripping account of one of the most notorious corporate scandals in American history It is a must read for anyone interested in the intersection of politics business and ethics Delving into the depths of human greed and political ambition this book offers a cautionary tale that resonates with contemporary concerns about the corrosive effects of corruption on society If you like this book write a review

The Historians' History of the World: The Netherlands (concluded), The Germanic empires Henry Smith Williams,1904 **Infinity of the Bloodline** K D McManis, Ancient beings once walked among us yet we could never see them till one day a mere twelve year old girl was born on another planet in another time long before you or I were even thinking of a life on Earth Kloth ee the soon to be legend one day found herself on another planet in another solar system and at another time Faced with a life she never knew existed d she had to learn how to serve and by ways we as humans only read in books and watch movies with dragons fairies elves and even time travel Her journeys are only just beginning *Why is God Calling all Jews Back to Their homeland?* James W. Tygrett,2023-12-19 This book takes a fresh new look at the call of God to Abraham and Moses revealing two good examples of how to follow God in total commitment Also it reviews God s dealing with the Jews in the past and unlocks His plan for their future Get answers to the following questions Did God call each Jew to a Covenant when they came out of Egypt What can an individual learn from God s call to Gideon or Samuel What brought God s Judgment on the Northern Kingdom of Israel How does one interpret the 70 weeks of sevens in Daniel 9 26 27 How does the prophecies of Daniel line up the future events for Israel How does God protect Israel when their worse trial come upon their nation Do the Jews in Israel accept their Messiah during the 70th week of Daniel chapter 9 Following the book of Daniel you will discover why the Messiah is calling the Jewish people back to Israel and when he will set up His earthly Kingdom centered in Jerusalem AngloArabia David Wearing,2018-11-26 UK ties with Saudi Arabia and the other Gulf monarchies are under the spotlight as never before Huge controversy surrounds Britain s alliances with these deeply repressive regimes and the UK s key supporting role in the disastrous Saudi led intervention in Yemen has lent added urgency to the debate What lies behind the British government s decision to place politics before principles in the Gulf Why have Anglo Arabian relations grown even closer in recent years despite ongoing egregious human rights violations In this ground breaking analysis David Wearing argues that the Gulf Arab monarchies constitute the UK s most important and lucrative alliances in the global south They are central both to the British government s ambitions to retain its status in the

world system and to its post Brexit economic strategy Exploring the complex and intertwined structures of UK Gulf relations in trade and investment arms sales and military cooperation and energy Wearing shines a light on the shocking lengths to which the British state has gone in order to support these regimes As these issues continue to make the headlines this book lifts the lid on AngloArabia and what s at stake for both sides **Empire's Twin** Ian Tyrrell,Jay Sexton,2015-02-17 Empire s Twin broadens our conception of anti imperialist actors ideas and actions it charts this story across the range of American history from the Revolution to our own era and it opens up the transnational and global dimensions of American anti imperialism **Empire's New Clothes** Paul Street,2015-12-03 As Obama nears the middle of his first term as president Paul Street assesses his performance against the expectations of his supporters While mainstream journalists have noted discrepancies between Obama s original vision and reality Paul Street uniquely measures Obama s record against the expectations of the truly progressive agenda many of his supporters expected him to follow Taken together the list of Obama s weakened policies is startling his business friendly measures with the economy the lack of support for the growing mass of unemployed and poor the dilution of his health reform agenda the passage of a record setting Pentagon budget and escalation of US military violence in Afghanistan Pakistan Yemen and Somalia Street s account reveals these and many other indications of how deeply beholden Obama is to existing dominant domestic and global hierarchies and doctrines **The Empire's Lion** Nathan Tudor,2022-01-21 This book wowed me Michael McClellan bestselling author of The Sand Sea She left a slave She returns a conqueror As an Adept Reiva blasts fire from her hands and leaps over walls But when her first solo mission leaves her half dead amidst a heap of massacred allies she gets just one chance at redemption The Empire orders her to crush the one kingdom she thought she would never see again Talynis the land of her birth the land she left in chains Standing in her way is the Wolf a vicious assassin hellbent on killing Adepts and a single cut from his cursed blade will destroy Reiva s magic forever Even if she can survive victory may come at a price too high to pay
