The Russian Empire and Its Rivals

Dominic Lieven

Empire The Russian Empire And Its Rivals

Sally N Cummings

Empire The Russian Empire And Its Rivals:

Empire D. C. B. Lieven, 2002-01-01 Focusing on the Tsarist and Soviet empires of Russia Lieven reveals the nature and meaning of all empires throughout history He examines factors that mold the shape of the empires including geography and culture and compares the Russian empires with other imperial states from ancient China and Rome to the present day United States Illustrations

Empire D. C. B. Lieven, 2000

Sovereignty After Empire Sally N Cummings, 2012-09-11 This is a unique systematic comparison of empires and of their consequences for sovereignty in the Middle East and Central Asia It brings theory on empire and sovereignty to bear on empirical variation across the two regions

The Russian Empire 1450-1801 Nancy Shields Kollmann, 2017 Modern Russian identity and historical experience has been largely shaped by Russia's imperial past an empire that was founded in the early modern era and endures in large part today The Russian Empire 1450 1801 surveys how the areas that made up the empire were conquered and how they were governed It considers the Russian empire a Eurasian empire characterized by a politics of difference the rulers and their elites at the center defined the state's needs minimally with control over defense criminal law taxation and mobilization of resources and otherwise tolerated local religions languages cultures elites and institutions The center related to communities and religions vertically according each a modicum of rights and autonomies but didn't allow horizontal connections across nobilities townsmen or other groups potentially with common interests to coalesce Thus the Russian empire was multi ethnic and multi religious Nancy Kollmann gives detailed attention to the major ethnic and religious groups and surveys the government's strategies of governance centralized bureaucracy military reform and a changed judicial system The volume pays particular attention to the dissemination of a supranational ideology of political legitimacy in a variety of media written sources and primarily public ritual painting and particularly architecture Beginning with foundational features such as geography climate demography and geopolitical situation The Russian Empire 1450 1801 explores the empire's primarily agrarian economy serfdom towns and trade as well as the many religious groups primarily Orthodoxy Islam and Buddhism It tracks the emergence of an Imperial nobility and a national self consciousness that was by the end of the eighteenth century distinctly imperial embracing the diversity of the empire's many peoples and cultures

The Cambridge History of Russia: Volume 2, Imperial Russia, 1689-1917 Maureen Perrie, D. C. B. Lieven, Ronald Grigor Suny, 2006-08-17 A definitive new history of Russia from early Rus to the collapse of the Soviet Union

The Oxford World History of Empire Peter Fibiger Bang, Christopher Alan Bayly, Walter Scheidel, 2021 This is the first world history of empire reaching from the third millennium BCE to the present By combining synthetic surveys thematic comparative essays and numerous chapters on specific empires its two volumes provide unparalleled coverage of imperialism throughout history and across continents from Asia to Europe and from Africa to the Americas Only a few decades ago empire was believed to be a thing of the past now it is clear that it has been and remains one of the most enduring forms of political organization and power We cannot understand the dynamics

and resilience of empire without moving decisively beyond the study of individual cases or particular periods such as the relatively short age of European colonialism. The history of empire as these volumes amply demonstrate needs to be drawn on the much broader canvas of global history. Volume Two: The History of Empires tracks the protean history of political domination from the very beginnings of state formation in the Bronze Age up to the present. Case studies deal with the full range of the historical experience of empire from the realms of the Achaemenids and Asoka to the empires of Mali and Songhay and from ancient Rome and China to the Mughals, American settler colonialism and the Soviet Union. Forty-five chapters detailing the history of individual empires are tied together by a set of global synthesizing surveys that structure the world history of empire into eight chronological phases.

Empires of Eurasia Jeffrey Mankoff, 2022-04-19 How the collapse of empires helps explain the efforts of China, Iran, Russia, and Turkey to challenge the international order. This is a must-read to understand the backstory of conflicts from Crimea to Xinjiang. Fiona Hill, author of *There Is Nothing for You Here*, Eurasia's major powers—China, Iran, Russia, and Turkey—increasingly intervene across their borders while seeking to pull their smaller neighbors more firmly into their respective orbits. While analysts have focused on the role of leaders such as Vladimir Putin and Recep Tayyip Erdoğan in explaining this drive to dominate neighbors and pull away from the Western-dominated international system, they have paid less attention to the role of imperial legacies. Jeffrey Mankoff argues that what unites these contemporary Eurasian powers is their status as heirs to vast terrestrial empires whose collapse left all four states deeply entangled with the lands and peoples along their peripheries but outside their formal borders. Today they have all found new opportunities to project power within and beyond their borders in patterns shaped by their respective imperial pasts.

Visions of Empire Krishan Kumar, 2019-08-06 In this extraordinary volume, Krishan Kumar provides us with a brilliant tour of some of history's most important empires, demonstrating the critical importance of imperial ideas and ideologies for understanding their modalities of rule and the conflicts that beset them. In doing so, he interrogates the contested terrain between nationalism and empire and the legacies that empires leave behind. Mark R. Beissinger, Princeton University. This is an excellent book with original insights into the history of empires and the discourses and rhetoric of their rulers and defenders. Kumar's writing is lively and free of jargon, and his research is prodigious. He manages to bring clarity and perspective to a complex subject. Ronald Grigor Suny, author of *They Can Live in the Desert but Nowhere Else: A History of the Armenian Genocide*. A masterly piece of work. Anthony Pagden, author of *The Burdens of Empire, 1539 to the Present*.

Tatar Empire Danielle Ross, 2020-02-04 An in-depth study of the relationship between the Russian government and its first Muslim subjects who served in the vanguard of the empire's colonialism. In the 1700s, Kazan Tatar Muslim scholars of Kazan and scholarly networks stood at the forefront of Russia's expansion into the South Urals, western Siberia, and the Kazakh steppe. It was there that the Tatars worked with Russian agents, established settlements, and spread their own religious and intellectual culture that helped shape their identity in the nineteenth and early twentieth centuries. Kazan

Tatars profited economically from Russia's commercial and military expansion to Muslim lands and began to present themselves as leaders capable of bringing Islamic modernity to the rest of Russia's Muslim population. Danielle Ross bridges the history of Russia's imperial project with the history of Russia's Muslims by exploring the Kazan Tatars as participants in the construction of the Russian empire. Ross focuses on Muslim clerical and commercial networks to reconstruct the ongoing interaction among Russian imperial policy, nonstate actors, and intellectual developments within Kazan's Muslim community and also considers the evolving relationship with Central Asia, the Kazakh steppe, and western China. Tatar Empire offers a more Muslim-centered narrative of Russian empire building, making clear the links between cultural reformism and Kazan Tatar participation in the Russian eastward expansion. This is a rich study that makes important contributions to the historiography of the Russian Empire, sharpening our picture of an empire in which lines between colonizer and colonized were far from clear. *The Middle Ground Journal*

The Postcolonial and the Global Revathi Krishnaswamy, John Charles Hawley, This interdisciplinary work brings the humanities and social sciences into dialogue by examining issues such as globalized capital, discourses of antiterrorism, and identity politics. Essayists from the fields of postcolonial studies and globalization theory address the ethical and pragmatic ramifications of opposing interpretations of these issues and for the first time seek common ground. Shattering Empires Michael A. Reynolds, 2011-01-27 The break up of the Ottoman empire and the disintegration of the Russian empire were watershed events in modern history. The unravelling of these empires was both cause and consequence of World War I and resulted in the deaths of millions. It irrevocably changed the landscape of the Middle East and Eurasia and reverberates to this day in conflicts throughout the Caucasus and Middle East. *Shattering Empires* draws on extensive research in the Ottoman and Russian archives to tell the story of the rivalry and collapse of two great empires. Overturning accounts that portray their clash as one of conflicting nationalisms, this pioneering study argues that geopolitical competition and the emergence of a new global interstate order provide the key to understanding the course of history in the Ottoman-Russian borderlands in the twentieth century. It will appeal to those interested in Middle Eastern, Russian, and Eurasian history, international relations, ethnic conflict, and World War I.

The Nature of Empire Andrea

Duffy,2025-09-15 *The Nature of Empire* exposes the central role of modern imperialism in the development of contemporary environmentalism and environmental science It builds this case through an investigation of five major modern empires Britain France Russia the Ottoman Empire and Japan This book offers readers a global environmental history of modern imperialism that actively engages Western based and non Western based empires As this study shows imperialism ultimately transformed human perceptions of nature and the environment in significant lasting and conflicting ways It both inspired modern conservationist practices and fueled opposition to environmental policies in colonial contexts It also spurred the development of climate science which helped reveal the environmental toll of imperial exploitation and drive efforts to fight it The environmental and political legacies of empire remain evident today through unmitigated anthropogenic climate change and the increasing incidence of extreme weather which tends to disproportionately impact marginalized peoples This book stands as a useful and accessible resource for students scholars and all those seeking to better understand environmental history imperial legacies and the roots of contemporary climate challenges [Encyclopedia of the Age of Imperialism, 1800-1914](#)

Carl C. Hodge,2007-11-30 In 1800 Europeans governed about one third of the world s land surface by the start of World War I in 1914 Europeans had imposed some form of political or economic ascendancy on over 80 percent of the globe The basic structure of global and European politics in the twentieth century was fashioned in the previous century out of the clash of competing imperial interests and the effects both beneficial and harmful of the imperial powers on the societies they dominated This encyclopedia offers current detailed information on the major world powers and their global empires as well as on the people events ideas and movements both European and non European that shaped the Age of Imperialism *The Dust Of Empire*

Karl E. Meyer,2008-08-05 When Charles de Gaulle learned that France s former colonies in Africa had chosen independence the great general shrugged dismissively They are the dust of empire But as Americans have learned particles of dust from remote and seemingly medieval countries can at great human and material cost jam the gears of a superpower In *The Dust of Empire* Karl E Meyer examines the present and past of the Asian heartland in a book that blends scholarship with reportage providing fascinating detail about regions and peoples now of urgent concern to America the five Central Asian republics the Caspian and the Caucasus Afghanistan Iran Pakistan and long dominant Russia He provides the context for America s war on terrorism for Washington s search for friends and allies in an Islamic world rife with extremism and for the new politics of pipelines and human rights in an area richer in the former than the latter He offers a rich and complicated tapestry of a region where empires have so often come to grief a cautionary tale [The ^AOxford World History of Empire](#)

Peter Fibiger Bang,C. A. Bayly,Walter Scheidel,2020-12-02 Volume Two tracks the protean history of political domination from the very beginnings of state formation in the Bronze Age up to the present **Arguing about Empire**

Martin Thomas,Richard Toye,2017-03-09 *Arguing about Empire* analyses the most divisive arguments about empire between Europe s two leading colonial powers from the age of high imperialism to the post war era of decolonization

Focusing on the domestic contexts underlying imperial rhetoric Arguing about Empire adopts a case study approach treating key imperial debates as historical episodes to be investigated in depth The episodes in question have been selected both for their chronological range their variety and above all their vitriol Some were straightforward disputes others involved cooperation in tense circumstances These include the Tunisian and Egyptian crises of 1881 2 which saw France and Britain establish new North African protectorates ostensibly in co operation but actually in competition the Fashoda Crisis of 1898 when Britain and France came to the brink of war in the aftermath of the British re conquest of Sudan the Moroccan crises of 1905 and 1911 early tests of the Entente Cordiale when Britain lent support to France in the face of German threats the 1922 Chanak crisis when that imperial Entente broke down in the face of a threatened attack on Franco British forces by Kemalist Turkey World War Two which can be seen in part as an undeclared colonial war between the former allies complicated by the division of the French Empire between De Gaulle s Free French forces and those who remained loyal to the Vichy Regime and finally the 1956 Suez intervention when far from defusing another imperial crisis Britain colluded with France and Israel to invade Egypt the culmination of the imperial interference that began some eighty years earlier

Empire of Nations

Francine Hirsch, 2014-10-03 When the Bolsheviks seized power in 1917 they set themselves the task of building socialism in the vast landscape of the former Russian Empire a territory populated by hundreds of different peoples belonging to a multitude of linguistic religious and ethnic groups Before 1917 the Bolsheviks had called for the national self determination of all peoples and had condemned all forms of colonization as exploitative After attaining power however they began to express concern that it would not be possible for Soviet Russia to survive without the cotton of Turkestan and the oil of the Caucasus In an effort to reconcile their anti imperialist position with their desire to hold on to as much territory as possible the Bolsheviks integrated the national idea into the administrative territorial structure of the new Soviet state In *Empire of Nations* Francine Hirsch examines the ways in which former imperial ethnographers and local elites provided the Bolsheviks with ethnographic knowledge that shaped the very formation of the new Soviet Union The ethnographers who drew inspiration from the Western European colonial context produced all union censuses assisted government commissions charged with delimiting the USSR s internal borders led expeditions to study the human being as a productive force and created ethnographic exhibits about the Peoples of the USSR In the 1930s they would lead the Soviet campaign against Nazi race theories Hirsch illuminates the pervasive tension between the colonial economic and ethnographic definitions of Soviet territory this tension informed Soviet social economic and administrative structures A major contribution to the history of Russia and the Soviet Union *Empire of Nations* also offers new insights into the connection between ethnography and empire

History and Geopolitics Andrzej Nowak, 2008

Russia and Courtly Europe Jan Hennings, 2016-10-27 In this book on early modern diplomacy Jan Hennings explores the relationship between European powers and Russia beyond the conventional East West divide from the Peace of Westphalia to the reign of Peter the Great He examines how at a moment of

new departure in both Europe and Russia the norms shaping diplomatic practice emerged from the complex relations and direct encounters within the world of princely courts rather than from incompatible political cultures He makes clear the connections between dynastic representation politics and foreign relations and shows that Russia despite its perceived isolation and cultural distinctiveness participated in the developments and transformations that were taking place more broadly in diplomacy The central themes of this study are the interlocking manifestations of social hierarchy monarchical honour and sovereign status in both text and ritual Related issues of diplomatic customs institutional structures personnel negotiation practice international law and the question of cultural transfer also figure prominently *When Empire Meets Nationalism* Didier Chaudet, Florent Parmentier, 2016-02-11 This innovative study presents an in depth political and sociological analysis of the internal power politics and imperial forms developed by the Russian neo eurasianists and the neo conservatives in the United States It traces the growth of nationalism and the concept of Empire in relation to the ideologies and foreign policy of both Russia and the USA Beginning with a genealogy of the two movements the authors present the intricacy of imperial rhetoric and nationalist ideologies in modern states compared with the distinctive definition of Empire as a politico historical form The extent to which these ideas have shaped the foreign policy of Russia and the USA is then related to events in Central Asia Afghanistan Iran Iraq Saudi Arabia and Turkey The analysis of each case provides a better understanding of the imperial character of these foreign policies in relation to their nationalist foundations The combination of political theory and geopolitics makes this cutting edge research a must read to all interested in the evolving discourse surrounding Empire

Empire The Russian Empire And Its Rivals Introduction

Empire The Russian Empire And Its Rivals Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Empire The Russian Empire And Its Rivals Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Empire The Russian Empire And Its Rivals : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Empire The Russian Empire And Its Rivals : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Empire The Russian Empire And Its Rivals Offers a diverse range of free eBooks across various genres. Empire The Russian Empire And Its Rivals Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Empire The Russian Empire And Its Rivals Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Empire The Russian Empire And Its Rivals, especially related to Empire The Russian Empire And Its Rivals, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Empire The Russian Empire And Its Rivals, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Empire The Russian Empire And Its Rivals books or magazines might include. Look for these in online stores or libraries. Remember that while Empire The Russian Empire And Its Rivals, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Empire The Russian Empire And Its Rivals eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Empire The Russian Empire And Its Rivals full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Empire The Russian Empire And Its Rivals eBooks, including some popular titles.

FAQs About Empire The Russian Empire And Its Rivals Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Empire The Russian Empire And Its Rivals is one of the best book in our library for free trial. We provide copy of Empire The Russian Empire And Its Rivals in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Empire The Russian Empire And Its Rivals. Where to download Empire The Russian Empire And Its Rivals online for free? Are you looking for Empire The Russian Empire And Its Rivals PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Empire The Russian Empire And Its Rivals. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Empire The Russian Empire And Its Rivals are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Empire The Russian Empire And Its Rivals. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Empire The Russian Empire And Its Rivals To get started finding Empire The Russian Empire And Its Rivals, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites

catered to different categories or niches related with Empire The Russian Empire And Its Rivals So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Empire The Russian Empire And Its Rivals. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Empire The Russian Empire And Its Rivals, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Empire The Russian Empire And Its Rivals is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Empire The Russian Empire And Its Rivals is universally compatible with any devices to read.
