Employees And The Law The Australasian Experiments

O. Vanachter, M. Vranken

Employees And The Law The Australasian Experiments:

Death of Labour Law? Martin Vranken, 2009-02-15 Death of Labour Law questions the on going relevance of labour law in Australia and other Western industrialised societies in the twenty first century The tension between economic flexibility for business and social stability for workers is set against the backdrop of the Rudd government s Forward with Fairness reform agenda and similar proposals for change in the European Union Martin Vranken retraces the birth and subsequent growth of labour law and argues that it is essentially a mechanism for employee protection not labour market regulation Death of Labour Law offers a fresh perspective on the current debate about labour law and the role of the state in Australian industrial and workplace relations

Breach of Confidence Megan Richardson, Michael Bryan, Martin Vranken, Katy Barnett, 2012-01-01 The authors of this important book have done a great service to our understanding of this fascinating area of law Their shrewd and scholarly study traces the development and myriad reinventions of this protean doctrine from its eighteenth century origins through to its most recent manifestation as a private facts tort in English law enriching legal analysis with consideration of the philosophical social and economic contexts Common law privacy scholars in particular will find that this book directly illuminates contemporary debates Gavin Phillipson University of Durham UK The authors breathe new life into this complex recondite branch of the law An illuminating and penetrating study of an ancient remedy whose importance endures and even increases Raymond Wacks University of Hong Kong This concise yet detailed book explores the historical foundations and modern developments of the ancient doctrine of breach of confidence The authors show that despite its humble beginnings stilted development and air of quaintness the doctrine has modern relevance and influence its sense of trust and confidence still resonating with the information society of today Topical chapters include Inventing an equitable doctrine Privacy and publicity in early Victorian Britain Searching for balance in the employment relationship as well as many others Breach of Confidence will make insightful reading for all those interested in issues of privacy and information and will appeal strongly to practicing lawyers and judges as well as academic researchers and postgraduate law students

Federalism and Labour Law O. Vanachter, M. Vranken, 2004 The purpose of this publication is to explore the impact of a federal state structure on labour law in selected legal systems that cut across the traditional divide of civil law and common law Contributions included in this book range from Australia to Belgium Canada the United States of America and the European Union All have been selected because they offer unique perspectives on federalism and labour law Some of the issues addressed in this book are very basic ones in that they concern the core division of responsibilities between the different levels of decision making both generally and more specifically in matters of labour and employment regulation Particularly interesting in this regard is the question as to whether there has been any evolution over time as for what is considered to be the most appropriate level for regulating labour matters To avoid a purely descriptive survey the contributors to the book were urged to critically reflect upon the desirability of the state of affairs in their respective legal

systems The net result makes for a fascinating collection of essays **The Yale Law Journal** ,1923 *Employees and the Law* M. Vranken,2001-01-01 Answers to the Labour Question Gary Mucciaroni,2024-01-31 Since the mid nineteenth century public officials reformers journalists and other elites have referred to the labour question The labour question was rooted in the system of wage labour that spread throughout much of Europe and its colonies and produced contending classes as industrialization unfolded Answers to the Labour Question explores how the liberal state responded to workers demands that employers recognize trade unions as their legitimate representatives in their struggle for compensation and control over the workplace Gary Mucciaroni examines five Anglophone nations Australia Canada Great Britain New Zealand and the United States whose differences are often overlooked in the literature on political economy which lumps them together as liberal market led economies Despite their many shared characteristics and common historical origins these nations responses to the labour question diverged dramatically Mucciaroni identifies the factors that explain why these nations developed such different industrial relations regimes and how the paths each nation took to the adoption of its regime reflected a different logic of institutional change Drawing on newspaper accounts parliamentary debates and personal memoirs among other sources Answers to the Labour Question aims to understand the variety of state responses to industrial unrest and institutional change beyond the domain of industrial relations *Annals of the American Academy of Political and Social Science* ,1910 **INTRODUCTION TO ECONOMICS** HENRY ROGERS SEAGER,1905 *Report from the Select Committee on Home Work* Great Britain. Parliament. House of Commons. Select Committee on Home Work,1908 Sessional Papers Great Britain. Parliament. House of Commons,1908 **Forthcoming Books** Rose Army,2001-08 **Journals and Printed Papers of the Federal Council of Australasia** ,1888 Includes the Council s votes and proceedings proclamations bills acts etc Progressive New World Marilyn Lake,2019-01-07 In a bold argument Marilyn Lake shows that race and reform were mutually supportive as Progressivism became the political logic of settler colonialism at the turn of the 20th century She points to exchanges between American and Australasian reformers who shared racial sensibilities along with a commitment to forging an ideal social order **Research Handbook of Comparative Employment Relations** Michael Barry,Adrian Wilkinson,2011-01-01 Besides a well written introduction by the two editors the book presents seventeen other chapters some by well known writers on the subject or related social sciences This is a substantial resource book for scholars and students of comparative ER especially for those who look towards the evolution of ER in the new economic world that is in formation and in a comparative perspective the book contains intellectually stimulating analyses of employee relations realities across the globe Scholars belonging to different disciplinary perspectives from which ER has been studied in the past will also find in it a good reference material of comparative analyses The publishers too deserve accolades for their professionalism and first rate copy editing and production Debi S Saini Vision the Journal of Business Perspectives The book is a comprehensive volume of studies on employment relations in a wide variety of

settings an enriching compendium Silvia Florea Management of Sustainable Development The Research Handbook of Comparative Employment Relations is an essential resource for those seeking to understand contemporary developments in the world of work and the way in which employment relations systems are evolving around the world Special consideration is given to the impact of globalisation and the role of multinational corporations including their consequences for the fate of workers rights under existing national systems of employment relations ER regulation This Handbook is unique in taking an explicitly comparative approach by discussing ER developments through a series of paired country comparisons These chapters include a wide selection of countries from all regions looking beyond those that are frequently discussed The expert contributors also examine comparative issues from a range of perspectives including industrial and employment relations political economy comparative politics and cross cultural studies These impressive features make this important reference tool the most comprehensive of its kind Academics and students in final year undergraduate and postgraduate courses interested in employment relations will find this compendium enriching and insightful

The Australasian Insurance & Banking Record ,1926 The Australasian Manufacturer ,1921 A Subject Index to Current Literature Australian Public Affairs Information Service, **Parliamentary Papers** Great Britain. Parliament. House of Commons,1908 Australian national bibliography ,1961 **Report of The...meeting of the Australasian Association for the Advancement of Science** ANZAAS (Association),1905

Unveiling the Magic of Words: A Report on "**Employees And The Law The Australasian Experiments**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Employees And The Law The Australasian Experiments**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve to the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.
