down *The Diplomacy of Involvement* David M. Pletcher, 2001 Annotation Like its predecessor this important new work is focused on the connection between trade and investment on the one hand and U S foreign policy on the other David Pletcher describes the trade of the United States with the Far East the islands of the Pacific and the northwest coast of North America from 1784 the year of the first American trading expedition to China to 1844 the year of the first trade treaty with China followed immediately by the U S acquisition of Oregon and California He then traces the growth of trade and investment in Alaska Hawaii and the South Pacific from 1844 to 1890 and proceeds to do the same for China Japan and Korea In the ensuing chapters Pletcher covers the 1890s including the annexation of Hawaii the Sino Japanese War the acquisition of the Philippines and the Open Door policy in China He concludes that the American expansion across the Pacific and into the Far East was not a deliberate consistent drive for economic hegemony but a halting experimental improvised movement carried out against determined opposition and indifference and dotted with setbacks and failures Providing his own judgments about the wisdom and effectiveness of America s new endeavors Pletcher summarizes the problems and handicaps involved demonstrating that errors of the twentieth century were at least partly the result of poor preparation in the 1880s and 1890s Touching on every place where Americans undertook significant economic activity *The Diplomacy of Involvement* will be an important aid for seasoned scholars as well as an excellent introduction for the novice **The Ohio Journal of Commerce**, 1911 Reports of Cases Argued and Decided in the Supreme Court of the State of Texas Texas.
