Empowering Health Care Consumers Through Tax Reform Grace-Marie Arnett, 1999 Details a plan to link health care reform with tax reform to solve problems of access and affordability to quality care **Empowering Health Care**

**Consumers Through Tax Reform** Grace-Marie Arnett, 1999 Because of our tax system most Americans have the wrong kind of insurance and some Americans cannot afford any insurance This book shows how tax reform can lead to more appropriate and more affordable health insurance It is worth careful reading by our policy makers and by anyone concerned with health care in America Prof Martin Feldstein The Political Economy of Health Care Reforms Huizhong Zhou, 2001 Zhou presents a collection of papers that are based on lectures presented at the 36th Annual Public Lecture Seminar Series conducted by his Department of Economics at Western Michigan University The six chapters explore Medicare reform managed care and its effect on the health care system efforts to cover the uninsured the effect of health insurance on labor market and employment decisions and the role of tax policy in health care The contributions largely limit themselves to analysis of existing institutions and eschew broad proscriptions for the American health care system c Book News Inc

Improving Health Care: A Dose of Competition: A Report by the Federal Trade Commission and the Department of Justice , **Disentitlement?** Timothy Stoltzfus Jost, 2003-04-10 This book is about health care entitlements in the US and about the threat of disentitlement It describes the history and legal character of our Medicare and Medicaid programs and of the tax subsidies that have brought health insurance to most working Americans It examines the thread that our entitlements face from privatization individualism and devolution It considers the models that other countries have developed for health care entitlements and what we can learn from them The book concludes by proposing a redesigned entitlement based health care system for the future *Consumer-Driven Health Care* Regina E. Herzlinger, 2004-03-22 Professor Herzlinger documents how the consumer driven health care movement is being implemented and its impact on insurers providers new intermediaries and governments With additional contributions by health care's leading strategists innovators regulators and scholars *Consumer Driven HealthCare* presents a compelling vision of a health care system built to satisfy the people it serves This comprehensive resource includes the most important thinking on the topic and compelling case studies of consumer driven healthcare CDHC in action here and abroad including new consumer driven intermediaries for information and support types of insurance plans focused factories for delivering health care personalized drugs and devices and government roles

**Using Taxes to Reform Health Insurance** Henry Aaron, Leonard E. Burman, 2009-10-01 A Brookings Institution Press and Urban Institute publication Few people realize that one of the nation's largest health programs runs through the tax system Reformers of all stripes propose to modify current tax rules as part of larger programs to increase coverage and control costs Is the current system working Will tax based reforms achieve their goals Several of the nation's foremost experts on taxation and health policy address these questions in *Using Taxes to Reform Health Insurance* a joint product of

the Urban Brookings Tax Policy Center and the American Tax Policy Institute Led by respected economists Henry Aaron of the Brookings Institution and Leonard Burman of the Urban Institute contributors examine the role taxes currently play the likely effects of recently introduced health savings accounts the challenges of administering major subsidies for health insurance through the tax system and options for using the tax system to expand health insurance coverage No taxpayer or consumer of health care services can afford to ignore these issues

**Redefining Health Care** Michael E. Porter, Elizabeth Olmsted Teisberg, 2006-04-24 The U S health care system is in crisis At stake are the quality of care for millions of Americans and the financial well being of individuals and employers squeezed by skyrocketing premiums not to mention the stability of state and federal government budgets In Redefining Health Care internationally renowned strategy expert Michael Porter and innovation expert Elizabeth Teisberg reveal the underlying and largely overlooked causes of the problem and provide a powerful prescription for change The authors argue that competition currently takes place at the wrong level among health plans networks and hospitals rather than where it matters most in the diagnosis treatment and prevention of specific health conditions Participants in the system accumulate bargaining power and shift costs in a zero sum competition rather than creating value for patients Based on an exhaustive study of the U S health care system Redefining Health Care lays out a breakthrough framework for redefining the way competition in health care delivery takes place and unleashing stunning improvements in quality and efficiency With specific recommendations for hospitals doctors health plans employers and policy makers this book shows how to move health care toward positive sum competition that delivers lasting benefits for all

**Ethical Dimensions of Health Policy** Marion Danis, Carolyn M. Clancy, Larry R. Churchill, 2002 This book takes bioethics and health policy to a new level of integration Moving beyond principles and normative frameworks bioethicists writing in the volume consider the actual policy problems faced by health care systems while policy makers reflect on the moral values inherent in both the process and content of health policy Together they explore the goals and processes involved in developing health policy and examine the roles of various stakeholders as well as the thorny ethical issues that arise
