Emptiness Of Our Hands The A Lent Lived On The Streets:

the emptiness of our hands phyllis cole-dai; james murray, 2004-09-15 During Lent and Holy Week 1999 Phyllis Cole Dai and James Murray lived voluntarily on the streets of Columbus Ohio the nation's fifteenth largest city They didn't go out on the streets to satisfy idle curiosity or to experience a strange new world They didn't go out to find answers to questions solutions to problems They didn't go out to save anyone or to hand out donations of food and blankets They went out with one primary aim to be as present as possible to everyone they met to love their neighbor as themselves Doing so they were reminded just how difficult the practice of compassion can be especially because of personal judgments assumptions fears and desires all habits of mind that harden one's regard for and behavior toward other people The Emptiness of Our Hands A Lent Lived on the Streets is a meditative narrative accompanied by nearly thirty black and white photographs most of them shot by James using crude pinhole cameras that he constructed from trash This book will thrust you out the door of your comfortable life straight into the unknown What can happen to a person without a home Indeed what might happen to you

Found in Emptiness Rhonda L. Kendall, 2017-06-28 Have you ever suffered beyond comprehension Has it ever seemed like you lost more than you could bear And in the midst of this suffering and loss have you ever asked yourself Where is God If He loves me then why me In Found in Emptiness author and evangelist Rhonda L Kendall shows how despite all the hopelessness and despair in our lives God is there to find us and rescue us from the abyss of emptiness Sharing her own story of emptiness Rhonda helps others to understand that it is natural to feel and that healing takes time She urges us to remember that God's grace can give us the strength to face the hurt and be encouraged in God's plan There isn't a feeling you have felt or a thought you have had that God was not aware of before it came to be and He still loves you And not only can God find us in the void of emptiness but we can find Him there too

The Emptiness of Our Hands James Murray, 2018 Who would you be without a home In 1999 Phyllis Cole Dai and James Murray lived by choice on the streets of Columbus Ohio the fifteenth largest city in the United States They went to the streets with a single intention to be as present as possible to everyone they met offering them sustained and nonjudgmental attention Such attention is the heart of compassion This book chronicles their streets experiences It will thrust you out the door of your comfortable life straight into the unknown It will force you to confront what might happen to you and who you might become if suddenly you had no home The meditative narrative is accompanied by pinhole photographs shot by James using cameras he constructed from trash This is the third edition of the book lightly edited Though recounting events that occurred in 1999 The Emptiness of Our Hands

remains as relevant today as ever An eye opening and life changing read Read this book on its own or in the company of Practicing Presence Insights from the Streets which Phyllis wrote on the tenth anniversary of her time on the streets Take your reading slow perhaps one chapter per day so you can absorb and reflect If you happen to be Christian you might consider using this book and Practicing Presence as companion resources during Lent and Holy Week which served as a backdrop for Phyllis and James s experience But you don t need to be a Christian to take this stumbling journey into practicing mindfulness on the streets Just allow these forty seven days to be for you what they were for Phyllis and James a deep embrace of core values that human beings around the world have held in common for millennia 308 pp including front and back matter

Treason's Shore Sherwood Smith,2009-08-04 Acclaimed Inda series within Sherwood Smith s epic fantasy Sartorias deles universe Military fantasy woven with courtly politics vast worldbuilding and diverse characters After ten years of exile on the sea Inda returned home to protect his country from attack by an ancient enemy But he found his home utterly changed His old classmate Evred a formerly powerless younger prince was now king and made Inda his Royal Shield Arm the leader of defense for the entire kingdom His country s enemy the Venn are planning the largest naval attack in history and the first line of defense is in a critically strategic strait to the north Control of this strait has been contested for generations often with violent conflicts and Inda will need strong allies to overcome the Venn Even with these allies Inda is severely disadvantaged and outnumbered Can Inda military genius but only one man find a way to defeat the powerful navy of the Venn and bring peace to his battered homeland at last
