**Catalogue** Montgomery Ward,1941 *The Void of Ethics* Patrizia McBride,2006 In a pluralistic society without absolute standards of judgment how can an individual live a moral life This is the question Robert Musil 1880 1942 an Austrian born engineer and mathematician turned writer asked in essays plays and fiction that grapple with the moral ambivalence of modern life Though unfinished his monumental novel of Vienna in the febrile days before World War I *The Man without Qualities* is identified by German scholars as the most important literary work of the twentieth century In a fresh examination of his essays notebooks and fiction Patrizia McBride reconstructs Musil s understanding of ethics as a realm of experience that eludes language and thought After situating Musil s work within its contemporary cultural philosophical horizon as well as the historical background of rising National Socialism McBride shows how the writer s notion of ethics as a void can be understood as a coherent and innovative response to the crises haunting Europe after World War I She explores how Musil rejected the outdated rationalistic morality of humanism while simultaneously critiquing the irrationalism of contemporary art movements including symbolism impressionism and expressionism Her work reveals Musil s remarkable relevance today particularly those aspects of his thought that made him unfashionable in his own time a commitment to fighting ethical fundamentalism and a literary imagination that validates the pluralistic character of modern life The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute,1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr The Warden of the Plains, and Other Stories of Life in the Canadian North-west John MacLean,2019-11-26 John MacLean s *The Warden of the Plains and Other Stories of Life in the Canadian North west* presents a vivid tapestry of life in the Canadian North West where rugged landscapes and untamed spirits collide Through a blend of rich descriptions and nuanced character development MacLean captures the essence of frontier life

illustrating the resilience and complexities of its inhabitants The book's literary style is marked by a naturalistic approach allowing the stark realities of the North West to shine through while interweaving themes of struggle community and the relentless pursuit of a better life These tales set against the backdrop of early 20th century Canada provide a historical context that sheds light on the socio political dynamics of the time John MacLean a prominent figure in Canadian literature and a keen observer of human experiences drew from his own life experiences and the landscapes he traversed His background in journalism and advocacy for social issues resonates throughout the collection as he seeks to elevate the voices of marginalized communities in the North West This personal connection to the land and its people imbues the narratives with authenticity allowing readers to immerse themselves in the distinctive culture of the region I highly recommend this book to readers who seek a profound understanding of life in Canada's North West along with those enthralled by compelling storytelling that mirrors the trials and triumphs of its colorful characters MacLean's work is not merely a collection of stories it is a richly detailed exploration of a pivotal era in Canadian history
