But when the girlfriend bails and the business goes bust Dave decides that it is high time to head for God's country. The Lodge is located on Spirit Lake in Michigan's Upper Peninsula. The Yoop Dave wastes no time throwing some fishing gear and liquor in the trunk of his car and putting Brew town in his rearview mirror. Along the way he meets Lisa the ex biker chick Fuzzy the drunk and Playmate Ashley all with their own reasons for hiding out from the civilized world. He will also cross paths with Crash Maddox an outlaw biker with a gang of ruthless cutthroats backing him up and a score to settle with Lisa. When an unexpected forest fire bears down on Spirit Lake everyone there finds themselves in a fight for their lives. Some will live and some will die but in the end even those who survive will never be the same.

**Parallel Time** Brent Staples, 2017-09-27 From Pulitzer Prize winner Brent Staples an evocative memoir that poses universal questions. Where does the family end and the self begin? What do we owe our families and what do we owe our dreams for ourselves? What part of the past is a gift and what part a shackle? For Brent Staples there is the added dimension of race moving from a black world into one largely defined by whites. The oldest son among nine children Brent grew up in a small industrial town near Philadelphia. First a scholarship to a local college and then one for graduate study at the University of Chicago pulled him out of the close family circle. While he was away the industries that supported the town failed and drug dealing rushed in to fill the economic void. News of arrests and premature deaths among Brent's childhood friends underscored the precariousness of his perch in a world of mostly white achievers. A younger brother became a cocaine dealer and was murdered by one of his clients. His death propelled Brent into a reconsideration of his childhood and coming of age that offers vivid portraits of family and place of values that supported and pressures that tore apart of the appeal and pain of entering a predominantly white world and of the strengths and vulnerabilities of the black world he grew away from.
