Always Something New to Discover Cynthia Wilson, German born pianist Menahem Pressler 1923 was forced to flee Nazi terror to Israel He quickly attained international fame in 1946 by winning the Debussy Competition in San Francisco and performing his debut with Eugene Ormandy and The Philadelphia Orchestra Ultimately emigrating to the United States Pressler teaches at the Jacobs School of Music of Indiana University where he holds an endowed chair as Distinguished Professor As founding member of the Beaux Arts Trio he alone survived the ensemble's changes in membership during its unprecedented 53 year history Setting the standard for piano trio performance the Beaux Arts Trio elevated the ensemble type to a par with the string quartet in over seven thousand performances hundreds of award winning recordings and extensive broadcasts

Perspectives on the Performance of French Piano Music Lesley A. Wright, 2016-04-22 Perspectives on the Performance of French Piano Music offers a range of approaches central to the performance of French piano music of the nineteenth and twentieth centuries The contributors include scholars and active performers who see performance not as an independent activity but as a practice enriched by a wealth of historical and analytical approaches To underline the usefulness of contextual understanding for performance each author highlights the choices performers must confront with examples drawn from particular repertoires and composers Topics explored include

editorial practice the use of early recordings emergent disciplines such as analysis and performance and traditions passed down from teacher to student Themes that emerge demonstrate the importance of editions as a form of communication the challenges of notation the significance of detail and of deeper continuity the importance of performing and teaching traditions and the influence of cross disciplinary frameworks A link to a set of performed examples on the frenchpianomusic.com website allows readers to hear and compare performances and interpretations of the music discussed The volume will appeal to musicologists and analysts interested in performance performers students and piano teachers *On Music* Benjamin Britten, 2003 Benjamin Britten was a most reluctant public speaker Yet his contributions were without doubt a major factor in the transformation during his lifetime of the structure of the art music industry This book by bringing together all his published articles unpublished speeches drafts and transcriptions of numerous radio interviews explores the paradox of a reluctant yet influential cultural commentator artist and humanist Whether talking about his own music about the role of the artist in society about music criticism or wading into a debate on Soviet ideology at the height of the cold war Britten always gave a performance which reinforced the notion of a private man who nonetheless saw the importance of public disclosure *The Harvard Biographical Dictionary of Music* Don Michael Randel, 1996 Biographical dictionary emphasizes classical and art music also gives ample attention to the classics as well as Jazz Blues rock and pop and hymns and showtunes across the ages *Stravinsky* Eric Walter White, 1984 In the second edition of the definitive account of Igor Stravinsky's life and work arranged in two separate sections Eric Walter White revised the whole book completing the biographical section by taking it up to Stravinsky's death in 1971 To the list of works the author added some early pieces that have recently come to light as well as the late compositions including the Requiem Canticles and The Owl and the Pussycat Four more of Stravinsky's own writings appear in the Appendices and there are several important additions to the bibliography **En blanc et noir** Claude Debussy, 1978
