Ecology Recreation And Tourism:

Ecology, Recreation and Tourism John M. Edington, M. Ann Edington, 1986-08-21 Ecology Recreation and Tourism presents a comprehensive analysis of the effects of recreational and tourist activities on the environment *Recreation Ecology* M. Liddle, 1997-10-31 This text brings together disparate bodies of ecological knowledge pertinent to countryside areas used for recreation It summarizes our understanding of recreation as an ecological factor and outlines the problems needing further research for the benefit of students and others concerned with countryside conservation Information is drawn from several countries and the text highlights common features as a means for providing a theoretical base for practical advice which the planner or manager can use as a guide when faced with problems for which there is no direct information

Tourism, Recreation, and Sustainability Stephen F. McCool, R. Neil Moisey, 2008 Sustainable development is the single most important consideration for those working in the tourism industry Presenting a discussion by leading contributors on the impacts of tourism on local culture and the environment this new edition moves forward the debates in sustainable tourism covering new locations concepts and perspectives and new case studies providing a global outlook for a universal issue From publisher's description

Outdoor Recreation David Huddart, Tim Stott, 2019-10-25 This textbook presents a comprehensive overview of the environmental impacts of various types of outdoor recreation and how these can be best managed As a field of study recreational ecology is both multidisciplinary and interdisciplinary and the authors seek to develop a deeper understanding of both the role and function of the factors that influence visitor numbers and their impact An accessible and comprehensive textbook it features numerous types of outdoor recreational activities including hill walking rock climbing mountain marathons skiing scuba diving and more Drawn from several global case studies the authors estimate the current and future numbers involved in outdoor recreation and how best these numbers can be managed Effective visitor impact management actions arise from collaboration between recreation ecologists social scientists experienced recreation managers recreation stakeholders and the recreationalists themselves as such this book will be multi disciplinary in scope This practical and engaging textbook will be invaluable to students and scholars of outdoor recreation and adventure tourism as well as practitioners and managers working in the field

Wildland Recreation William E. Hammitt, David N. Cole, Christopher A. Monz, 2015-02-03 WILDLAND RECREATION THE AUTHORITATIVE GUIDE TO UNDERSTANDING AND MANAGING THE ECOLOGICAL IMPACTS OF RECREATIONAL ACTIVITIES IN WILDLANDS This third edition provides an updated and thorough examination of the ecological impacts of recreational use on wildlands and the best management practices to employ in places where recreation and preservation of natural conditions are important and often conflicting objectives Covering the latest research this edition provides detailed information about the environmental changes that result from recreational use It describes spatial patterns of impact and trends over time and then explores the factors that determine the magnitude of impact including the amount of use the type and behavior of use and

the environmental durability Numerous examples drawn from parks and recreation areas around the world give readers an insight into why certain areas are more heavily damaged than others and demonstrate the techniques available to mitigate damage The book incorporates both the first hand experience of the authors and an exhaustive review of the world s literature on the subject Boxes provide quick access to important material and further resources are referenced in an extensive bibliography Essential reading for all park and protected area management professionals this book is also a useful textbook for upper division undergraduate and graduate students on recreation ecology and recreation management courses

The Routledge Handbook of Tourism and Sustainability C. Michael Hall, Stefan Gossling, Daniel Scott, 2015-02-11 Routledge Handbook of Tourism and Sustainability from C Michael Hall Stefan G ssling Daniel Scott is one of the winners of the ITB BookAwards 2016 in the category Specialist tourism literature Sustainability remains one of the major issues in tourism today Concerns over climate and environmental change the fallout from the global economic and financial crisis and the seeming failure to meeting UN Millennium development goals have only reinforced the need for more sustainable approaches to tourism however they be defined Given the centrality of sustainability in tourism curricula policies research and practice it is therefore appropriate to prepare a state of the art handbook on the relationship between tourism and sustainability This timely Handbook of Tourism and Sustainability is developed from specifically commissioned original contributions from recognised authors in the field providing a systematic guide to the current state of knowledge on this area It is interdisciplinary in coverage and international in scope through its authorship and content The volume commences with an assessment of tourism s global

environmental e.g. climate emissions energy use biodiversity water use land use and socio economic effects e.g. economic impacts employment and livelihoods culture This then provides the context for sections outlining the main theoretical frameworks and constructs that inform tourism and sustainability management tools and approaches and the approaches used in different tourism and travel industry sectors The book concludes by examining emerging and future concerns in tourism and sustainability such as peak oil post carbon tourism green economy and transition tourism This is essential reading for students researchers and academics interested in the possibilities of sustainable forms of tourism and tourism's contribution to sustainable development Its assessment of tourism's global impact along with its overviews of sectoral and management approaches will provide a benchmark by which the sustainability of tourism will be measured for years to come

Tourism: Tourism, development and sustainability Stephen Williams, 2004 This collection of key articles from the most influential journals and books in the field examines what social scientists mean by the term tourism and what it means to be a tourist Carefully selected and introduced by the editor this material charts the sociological changes that have occurred in tourism and the change from the upper class grand tours of the late nineteenth century to the mass tourism of the present day The collection also assesses the economic impacts of tourism on local economies environmental considerations and whether the growth of tourism is sustainable in a post September 11th world Tourism Critical Concepts in the Social Sciences is an accessible and comprehensive resource designed for academics and scholars researching in tourism globalization and human geography

Tourism and Animal Ethics David A. Fennell, 2011-12-14 There is a long history of the involvement of animals for tourism purposes in circuses zoos fairs ecotourism and wildlife tourism using animals as the prime focus of their experience The wave of responsibility and sustainability that currently permeates the tourism field is catalyzing deeper moral questions about equity equality rights justice and values in regards to what constitutes acceptable tourism practice Tourism and Animal Ethics represents a required extension of the sustainability imperative and environmental theory by providing a critical account of the role that animals play in tourism This book explores the rich history of animal ethics research that lies outside the field of tourism for the purpose of providing greater theoretical empirical and conceptual guidance inside the field It examines historical and current practices of the use of animals in the tourism industry from both in situ to ex situ consumption and production perspectives identifying a range of ethical issues associated with such use This detailed examination of current animal ethics theories will be instrumental in determining the rightness or wrongness of these practices and hence allow tourism practitioners and theorists to think about these issues and practices in a different light minimizing the impact that the industry has on animals This text provides an interdisciplinary overview of the moral issues related to the use of animals in tourism and contains cutting edge research and boxed international case studies throughout It will appeal to students academics and researchers interested in Tourism Ethics Sustainable Tourism and Wildlife Tourism

Ecotourism Programme Planning David A. Fennell, 2002-01-01 Tourism is the world's largest industry In

the past decade it is the natural resource based sector that has experienced the greatest growth In particular adventure cultural and ecotourism ACE tourism for example skiing white water rafting whale watching festivals and fairs This book provides an in depth overview of the different operations of ACE tourism It draws on theory from recreation and leisure studies tourism marketing and environmental management to demonstrate the importance of effective program planning This is especially significant as industry competition becomes more intense in this growth sector Tourism in the Mountain South C. Brenden Martin,2007 C Brenden Martin examines tourism in the context of the transformation of transportation networks urban and rural community development and the changing role of government in regulating tourism Martin illustrates how tourism represents a double edged sword cutting both ways in its impact on the region It is a transformative force that has accelerated the modernization of the Mountain South in many ways and yet tourism has also provided the main economic rationale for the region s cultural historical and environmental preservation movements BOOK JACKET
